The background of the entire image is a composite. At the bottom, there is a view of the Earth from space, showing the blue oceans and white clouds of the horizon. Above the horizon, a bright, glowing light source, possibly the sun or moon, creates a lens flare effect. In the center, a dark silhouette of a person stands with their arms raised in a gesture of triumph or awe. The person's torso is decorated with a vertical column of five glowing circles in shades of yellow, orange, and red. The overall color palette transitions from deep blue at the top to bright white and yellow near the light source.
