The British Trauma Film Adam Plummer, 2023-04-20 While the historical influence of psychoanalysis on Hollywood cinema has received considerable attention the same cannot be said for its influence on British cinema This book examines the central position that psychoanalysis occupies in British cinema in the years immediately following the Second World War Plummer uses a critical theory framework to understand the role that psychoanalysis plays in British culture at this time as an historical discourse and in British cinema as a narrative a cultural and an ideological discourse He defines these as arising within various areas of contemporary psychoanalytic thinking related to traumatic wartime experience sexual difference and the interplay between subjectivity and objectivity He analyzes six British films of the period *The Halfway House* *Dead of Night* *The Seventh Veil* *Madonna of the Seven Moons* *They Made Me a Fugitive* and *Mine Own Executioner* and demonstrates how psychoanalysis operates within them as a narrative and formal structuring mechanism He argues that this engagement enables these films to begin to address the emotional fallout of the war by creating safe representational spaces where contemporary audiences could engage with their own traumatic experiences While *The British Trauma Film* defines psychoanalysis as providing a language for British cinema at this time to confront the effects of wartime trauma it finds that it also operates within a normalizing ideological system designed to reproduce dominant pre war relations of political social and sexual power However in this group of films this system is often countered by subversive discursive forces that seem to be immanent to the films themselves

Regionalists on the Left Michael C.

Steiner, 2015-02-02 Nothing is more anathema to a serious radical than regionalism Berkeley English professor Henry Nash Smith asserted in 1980 Although regionalism in the American West has often been characterized as an inherently conservative backward looking force regionalist impulses have in fact taken various forms throughout U S history The essays collected in *Regionalists on the Left* uncover the tradition of left leaning western regionalism during the 1930s and 1940s Editor Michael C Steiner has assembled a group of distinguished scholars who explore the lives and works of sixteen progressive western intellectuals authors and artists ranging from nationally prominent figures such as John Steinbeck and Carey McWilliams to equally influential though less well known figures such as Angie Debo and Amrico Paredes Although they never constituted a unified movement complete with manifestos or specific goals the thinkers and leaders examined in this volume raised voices of protest against racial environmental and working class injustices during the Depression era that reverberate in the twenty first century Sharing a deep affection for their native and adopted places within the West these individuals felt a strong sense of avoidable and remediable wrong done to the land and the people who lived upon it motivating them to seek the root causes of social problems and demand change *Regionalists on the Left* shows also that this

radical regionalism in the West often took urban working class and multicultural forms Other books have dealt with western regionalism in general but this volume is unique in its focus on left leaning regionalists including such lesser known writers as B A Botkin Carlos Bulosan Sanora Babb and Joe Jones Tracing the relationship between politics and place across the West Regionalists on the Left highlights a significant but neglected strain of western thought and expression **THE ZULU TRILOGY - Allan Quatermain Series: Marie - An Episode in the Life of the Late Allan Quatermain + Child of Storm + Finished** Henry Rider Haggard,2016-04-08 This carefully crafted ebook THE ZULU TRILOGY Complete Allan Quatermain Series Marie An Episode in the Life of the Late Allan Quatermain Child of Storm Finished is formatted for your eReader with a functional and detailed table of contents Marie reveals Allan Quatermain as a young man and involves his first marriage to the Boer farm girl Marie Marais Their romance is opposed by Marie s anti English father and the villainous Pereira who desires Marie They are Voortrekkers who take part in the Great Trek whom Quatermain has to rescue The novel describes Quatermain s involvement in the Sixth Xhosa War of 1835 and Weenen massacre Real life people such as Piet Retief Thomas Halstead and the Zulu chief Dingane appear as characters Child of Storm is a novel set in 1854 56 and concerns Quatermain hunting in Zululand and getting involved with Mameema a beautiful African girl who causes great turmoil in the Zulu kingdom The novel is the second in a trilogy by Haggard involving the collapse of the Zulu kingdom and featuring the dwarf Zikali Finished is a the last novel in this trilogy about the Zulu kingdom It is set against the background of the Anglo Zulu War of 1879 covering events leading up to the war and ending with the death of Cetewayo Quatermain is depicted as being one of the few survivors of the Battle of Isandhlwana Like others in the series several real life characters appear such as Cetewayo and Anthony Durnford Sir Henry Rider Haggard 1856 1925 was an English writer of adventure novels set in exotic locations predominantly Africa and a pioneer of the Lost World literary genre **The Novel** Michael Schmidt,2014-05-12 With contributions from Great Britain Ireland America Canada Australia India and Southern Africa influenced by great novelists working in other languages and encompassing a range of genres the story of the novel in English unfolds like a richly varied landscape that invites exploration rather than a linear journey **BattleTech Legends: Legends of the Jade Phoenix Trilogy** Robert Thurston,2022-11-01 THE COMPLETE STORY OF CLAN JADE FALCON S MOST REVERED WARRIOR THIS BOX SET CONTAINS THE FOLLOWING NOVELS WAY OF THE CLANS In the 31st century the BattleMech is the ultimate war machine Ten meters tall and armed with devastating weapons it is an unstoppable engine of destruction In the 31st century the Clans are the ultimate warriors The result of generations of controlled breeding Clan Warriors pilot their BattleMechs like no others In the 31st century Aidan aspires to be a Warrior of Clan Jade Falcon To win the right to join his Clan in battle he must succeed in training that will forge him into one of the best warriors in the galaxy or break him completely In the 31st century Aidan discovers that the toughest battle is not on the field but in his head where failure will cost the ultimate price his humanity BLOODNAME Truebirth Born in the laboratory these genetically engineered soldiers
