The Executive Strategist Robert C. Weisselberg, Joseph G. Cowley, 1969 **Housing and Planning References**, 1970 **The Best of Joseph Cowley** Joseph Cowley, 2006-11 Here is Joseph Cowley at his best Once More With Feeling the touching story of an old man seeking a lost love after his wife dies The Chrysanthemum Garden a sensitive and moving novel about finding love later in life Another Great Day a novella about a man on a lost weekend at the moment his life is coming unraveled He Says She Says the story of an unemployed writer and beautiful married woman who meet in Alcoholics Anonymous and fall in love and the lesson it teaches them and The Stargazers a wonderful play about the conflict between the astronomers Tycho Brahe and Johannes Kepler as they struggled to find the secret of the solar system John Adams Joseph Cowley, 2009-08-04 John Adams could be and was on occasion cantankerous stubborn tactless even rude He was also prone to vanity and self pity and sensitive to what he perceived as slights or attacks on his reputation or character He also had a lust for fame as did many involved in the founding of this nation But if fame was the spur it was also the driving force behind Adams enormous energy energy guided by a strong sense of honor and duty that was built into his character and stayed with him his whole life Adams was a realist with a profound sense of what people en masse are all about He seems to have drawn that knowledge from his understanding of himself He knew that each of us has the capacity for good or evil and the government of checks and balances he envisioned for the new nation they were building took this into account Victory in the long struggle for freedom was certainly not assured Many were Tories who wished to continue as British subjects Many cared but not enough to fight for the cause We can be thankful for those who did who initiated and carried on the War for Independence Among them were the best and brightest the colonies had to offer These were the people who tendered their lives property and sacred honor as collateral in the struggle for freedom We can be grateful that John Adams was among them **Applied Mechanics Reviews**, 1970

Home by Seven Joseph Cowley, 2000-10-23 The central figure in HOME BY SEVEN is Charlie Stoddard husband father commuter and managing editor of Business Publications Inc whose life starts coming apart when he is inadvertently responsible for the death of a fellow editor The novel begins with a black humor which gradually fades as Charlie is caught up in the swirl of events caused by his drinking The novel takes place over a five day period in November 1963 a few weeks before the assassination of President Kennedy The scenes are laid in New York City the suburbs on the commuting trains and in Bermuda where Charlie finally flees to try to put his life together His efforts to salvage his marriage his job and himself however seem preordained to failure because of his passion for women and booze In stark prose that drives relentlessly forward the novel like Charles Jackson's LOST WEEKEND is a graphic blow by blow description of Charlie's involvement with alcohol and women over a long crisis filled weekend The last chapter seventeen years later picks up Charlie again on a lost month when he finally hits his bottom and is ready for the help that is long overdue
