A Storm in Flanders Winston Groom, 2018-04-01 From the Pulitzer Prize nominated author of *Forrest Gump* A fascinating evenhanded page turning account of Ypres s pivotal WWI battles San Francisco Chronicle The Ypres Salient in Belgian Flanders was the most notorious and dreaded territory in all of World War I possibly of any war in history After Germany s failed attempt to capture Britain s critical ports along the English Channel a bloody stalemate ensued in this pastoral area no larger than the island of Manhattan Ypres became a place of horror heroism and terrifying new tactics and technologies poison gas tanks mines air strikes and the unspeakable misery of trench warfare Drawing on the journals of the men and women who were there Winston Groom has penned a drama of politics strategy the human heart and the struggle for victory against all odds This ebook features 16 pages of black and white historical photographs Everything nonfiction should be Fort Worth Star Telegram Groom reconstructs a forgotten military passage that serves as a cautionary tale about war s consequences Pittsburgh Tribune Review Groom s account full of detail and the smell of gunsmoke is expertly paced and free of dull stretches Kirkus Reviews Moving Inspiring An important and brilliantly written book Booklist *Letters From the Front: Letters and Diaries from the BEF in Flanders and France, 1914-1918* Kevin Smith, 2014-03-27 A generation raised on the British Empire confronted the unexpected horrors of modern war Never were a nation s expectations so different from the coming clash of the First World War Expecting a vigorous romp to victory soldiers endured a brutal quagmire Presenting letters diaries of soldiers themselves many unseen for nearly a hundred years Smith allows men from Field Marshall Dugly Haig to plain Private Smith to have a clear voice With enough narrative to recall how the Great War unfolded a wealth of vivid detail brings the miserable life in the trenches back to life What began with high hopes and horses ended with disillusion and tanks From the build up at the beginning of the war until the immediate post war reduction *Letters from the Front Letters and Diaries from the BEF in Flanders and France 1914 1918* is enlivened with fascinating details and makes a moving entertaining and informative read **Living on the Western Front** Chris Ward, 2013-04-11 *Living on the Western Front* provides a highly original history of the settler experience in Befland B ritish E xpeditionary F orce land during the First World War Using an unusual representational form that involves the stitching together of over a hundred extracts from primary sources which can then in turn be read either chronologically or thematically Chris Ward brilliantly depicts a sense of settlers lives in Great War Belgium Northern France and Germany Simultaneously an annal and an anthology of stories this book tells us about landscapes sounds smells food journeys memory and morale in the way that the Befland settlers actually lived and experienced them The book also challenges popular conceptions of what history writing can or should be It drags us away from the reassuringly commanding authorial voice of the conventional historical narrative towards an approach that brings a degree of uncertainty and encourages us to experiment with History and its relationship with the past in an exciting and rewarding way *Tea, Rum and Fags* Alan Weeks, 2011-11-08 It is said that an army marches on its

stomach but histories of the First World War usually concentrate on its political and military aspects The gargantuan task of keeping the British Expeditionary Force fed and watered is often overlooked yet without adequate provision the soldiers would never have been able to fight Tommy couldn't get enough tea rum or fags yet his commanders sent him bully beef and dog biscuits But it was amazing how 2 million men did not usually go short of nourishment although parcels from home canteens and estaminets had a lot to do with that Incredibly Tommy could be in a civilised town supping beer wine egg and chips and a few hours later making do with bully beef in a water filled trench Alan Weeks examines how the army got its food and drink and what it was like Changing War Gary Sheffield, Peter Gray, 2013-10-24 In 1918 the British Expeditionary Force BEF played a critical role in defeating the German army and thus winning the First World War This Hundred Days campaign August to November 1918 was the greatest series of land victories in British military history 1918 also saw the creation of the Royal Air Force the world's first independent air service from the Royal Flying Corps and the Royal Naval Air Service Until recently British histories of the First World War have tended to concentrate on the earlier battles of 1916 and 1917 and often underplayed this vitally important period Changing War fills this significant gap in our knowledge by providing in depth examinations of key aspects of the operations of the British Army the Royal Air Force and its antecedents in the climactic year of the First World War Written by a group of established historians and emerging scholars it sheds light not only on 1918 but on the revolutionary changes in warfare that took place at that time The Generals Winston Groom, 2015-11-10 Celebrated historian Winston Groom tells the uniquely American tales of George Patton Douglas MacArthur and George Marshall from World War I to World War II These three remarkable men of arms who rose from the gruesome hell of the First World War to become the finest generals of their generation during World War II redefined America's ideas of military leadership and brought forth a new generation of American soldier Their efforts revealed to the world the grit and determination that would become synonymous with America in the post war years Filled with novel worthy twists and turns and set against the backdrop of the most dramatic moments of the twentieth century The Generals is a powerful action packed book filled with marvelous surprises and insights into the lives of America's most celebrated warriors

A Military History of Africa Timothy J. Stapleton, 2013-10-21 A detailed and thorough chronological overview of the history of warfare and military structures in Africa covering ancient times to the present day A Military History of Africa achieves a daunting task it synthesizes decades of specialized academic research and literature including the most recent material to offer an accessible survey of Africa's military history from the earliest times to the present day The first volume examines the precolonial period beginning with warfare in ancient North Africa including ancient Egypt and Carthage and continues through the cavalry based Muslim empires of the trans Sahara trade and the wars of the slave trade in West and East Africa The second volume focuses on the wars of European colonial conquest and African resistance during the late 19th century African participation in both world wars and the early violent struggles for independence from the 1950s and early

1960s The third volume explores warfare in postcolonial Africa including coverage of the impact of the global Cold War conflicts in Southern Africa from the 1960s to 1980s the development of postcolonial African armed forces and civil wars sparked by the discovery of precious resources such as diamonds in Sierra Leone Readers of this three volume work will understand how warfare and military structures have been consistently central to the development of African societies

### **National Myth and the First World War in Modern Popular**

**Music** Peter Grant, 2016-12-09 This book looks at the role of popular music in constructing the myth of the First World War. Since the late 1950s over 1 500 popular songs from more than forty countries have been recorded that draw inspiration from the War. National Myth and the First World War in Modern Popular Music takes an interdisciplinary approach that locates popular music within the framework of memory studies and analyses how songwriters are influenced by their country's national myths. How does popular music help form memory and remembrance of such an event? Why do some songwriters stick rigidly to culturally dominant forms of memory whereas others seek an oppositional or transnational perspective? The huge range of musical examples include the great chansonniers Jacques Brel and Georges Brassens, folk maestros including Al Stewart and Eric Bogle, the socially aware rock of The Kinks and Pink Floyd, metal legends Iron Maiden and Bolt Thrower, and female iconoclasts Diamanda Galás and PJ Harvey.
