*The Eye of Istar* William Le Queux, 2019-12-10 In The Eye of Istar William Le Queux masterfully weaves a tale of adventure and intrigue set against the backdrop of the early 20th century This novel combines elements of mystery fantasy and colonial

exploration showcasing Le Queux's distinct narrative style that seamlessly fuses atmospheric settings with rich character development. The story follows a quest for a legendary artifact delving into themes of obsession and the clash of cultures reflective of the colonial tensions of his time. The book's striking imagery and vivid descriptions serve as a testament to Le Queux's prowess in crafting a compelling tale that resonates with readers yearning for escapism and intellectual curiosity alike. William Le Queux, a prominent figure in British literature, was known for his engaging narratives that often explored themes of espionage and the supernatural. His experiences as a journalist and his fascination with Eastern cultures greatly influenced his writing. Having lived in a time of political upheaval and scientific advancement, Le Queux's worldview informs the fantastical elements present in *The Eye of Istar*, allowing him to bridge the gap between reality and the exotic realms of imagination. I highly recommend *The Eye of Istar* for readers who appreciate an intricate blend of adventure and philosophical exploration. Its engaging plot and richly developed themes make it a timeless work that invites discussion and reflection. Le Queux's skillful storytelling will both entertain and inspire, making it a valuable addition to any literary collection.

*The Eye of Heaven* JoAnne Soper-Cook, 2011-03-18 When Dante di Salvatore, former prostitute and adopted son of one of Florence's reigning nobles, is bitten by the ancient vampire goddess Lillith, his mortal life is over. Once enslaved by the vampire queen's malign influence, Dante allies himself with Rouen, a young man of dazzling beauty and great influence who is enamored with Dante. But they cannot truly be together unless Dante changes Rouen into a vampire, and for Rouen accepting the dark gift may ultimately cost him his immortal soul. Soon the great city of Florence will be taken to account for her sins as the streets are scourged of everything the fanatical preacher Serenola deems unnatural. But many silent, mostly unseen creatures of the night are coming together from the disparate corners of the earth to do battle one last time against Serenola, evil disguised as good. What Dante does not realize is that he, above all others, holds the key to not only his own salvation but the preservation of all of vampire kind and perhaps even the human race.

*The Eye of the Storm* Clara Miller, 2005-06 *The Eye of the Storm*, the tenth book in the Brothers Series and sixth in the Shamrocks Saga, continues the story begun in *Shamrocks in the Heather* with the on-going adventures of the younger members of the Quigley clan. World War II is over, and the Quigley cousins, by whatever name they're known, are learning to live in the new emerging world. The Kennison Quigley family, now living on Long Island, is still coping with mobs attempting a takeover of Shamrocks Ltd USA property, resulting in violence and death. Will the Angels take a hand? A pleasant surprise awaits the twin couples when they discover old and new relatives in an unexpected place. This discovery will cause widespread ramifications. There's also a new wrinkle in the battle with the netherworld as the pregnant members of the family find themselves targets of demons hoping to ingratiate themselves to their boss by kidnapping a Quigley child. Each of the women is tested in a different way, with sometimes unexpected results. As usual, births, deaths, and completely unbelievable events test the family's

resolve and courage again and again Birth is something the Archangel Za aphiel never imagined having to cope with To his secret chagrin the twins find themselves looking forward to motherhood and all that entails What kind of mothers will the alter egos of a high ranking Archangel make Their mysterious friend Andr Giroux returns and plays an important part in their ongoing story Speculation about him continues but those in the know refuse to divulge his secret Who is he and what effect will he have on the family Another surprising development is the growing friendship between the twins and their supposed enemy Beelzebub The little demon has grown quite attached to the whole family not to mention his growing bond with the indomitable Glory How will this change affect the outcome of the battle with Lucifer Even Bub doesn't know This is not a religious book nor meant to endorse or promote any type of belief It is intended to provide a verbal roller coaster ride Plus I've grown to quite like The Old Man Enjoy
