

THE FAILURE of the NORTHERN IRELAND PEACE PROCESS

G.K. PEATLING

The Failure Of The Northern Ireland Peace Process

Frank Louis Rusciano

The Failure Of The Northern Ireland Peace Process:

The Failure of the Northern Ireland Peace Process Gary Peatling, 2004 This book is a surprisingly broad study of the Northern Ireland conflict and peace process with an unusual and contentious hypothesis though one ultimately likely to prove useful even to those who disagree with it The book is influenced by a sense of the interlacing nature of political groups and dynamics in Northern Ireland which evinces understanding of though not empathy with even mutually exclusive positions in a way few writers on the Northern question draw out This sense that even groups often portrayed as intransigent find a constituency in Northern Ireland based upon the lived experience of groups and communities is underpinned by the book's view of identity and its consequences The book also addresses much discussed wider controversies such as debates surrounding immigration terrorism and September 11th and national identity It addresses these issues with unorthodox conclusions and it is guaranteed to be of interest to intelligent non specialists as well as to academics and policy makers

Lessons from the Northern Ireland Peace Process Timothy J. White, 2013 This book incorporates recent research that emphasizes the need for civil society and a grassroots approach to peacebuilding while taking into account a variety of perspectives including neoconservatism and revolutionary analysis The contributions which include the reflections of those involved in the negotiation and implementation of the Good Friday Agreement also provide policy prescriptions for modern conflicts

Performing the Northern Ireland Peace Process Paul Dixon, 2018-06-15 Performing the Northern Ireland Peace Process offers a nuanced and stimulating analysis which goes beyond standard explanations by exploring the motives and means used by those who made peace in Northern Ireland Professor Timothy White Xavier University USA Paul Dixon has produced an impressive and challenging book Dixon defends the Northern Ireland peace process as a carefully crafted drawn out episode in realist pragmatic politics However he pulls few punches in highlighting the moral deceptions which have kept the process in play Provocatively Dixon also challenges a wide range of academic interpretations of the processes and their associated political prescriptions Thoughtful and well researched throughout Performing the Northern Ireland Peace Process is an essential read for anyone interested in conflict management Professor Jon Tonge University of Liverpool In this outstanding book Dixon shows yet again the importance of the theatrical metaphor for Northern Ireland More importantly still he demonstrates that the adoption of a critically realist outlook actually enhances our capacity to think creatively about the political choices we face in international politics and the alternative policies and institutions we might construct Professor Adrian Little The University of Melbourne This book is exceptional in defending the dirty politics of the Northern Ireland peace process Political actors in Britain Ireland and the United States performed the peace process and used political skills often including deception and hypocrisy in order to wind down the conflict and achieve accommodation These political skills it is argued are often morally justifiable even as they are popularly condemned The Northern Ireland peace process has been highly successful in reducing violence and an accurate understanding of its politics is an important

contribution to international debates about managing conflict *The Northern Ireland peace process* Eamonn O'Kane, 2021-08-03 This book offers a re evaluation of the emergence development and outcome of the peace process in Northern Ireland Drawing on interviews with many of the key participants of the peace process newly released archival material and the existing scholarship on the conflict it explains the decisions that shaped the peace process in their proper context O Kane argues that although the outcome of the process can be seen as a success it is not the outcome that was originally expected or intended by most of its participants By tracing the process and highlighting the pragmatic decisions of the parties that shaped it the work explains how Northern Ireland moved from conflict to peace The book concludes by examining what the implications of Brexit are for Northern Ireland s hard won peace and political stability *The North Ireland Peace Process Today* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Africa, Global Health, Global Human Rights, and International Organizations, United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe, Eurasia, and Emerging Threats, 2014 **The Failure of the Middle East Peace Process?** Guy Ben-Porat, 2008-04-10 This volume examines the gap between agreements and actual peace It offers different explanations for the successes and failures of the three processes in South Africa Northern Ireland and Israel Palestine and provides historical and comparative perspectives on the failure of the Middle East peace process *World Opinion and the Northern Ireland Peace Process* Frank Louis Rusciano, 2016-09-16 This book uniquely combines global opinion theory with the English school of international relations to explain the effects of world opinion on the Northern Ireland peace process It begins by analyzing the reasons why the civil rights movement imported from the United States ended in the Troubles It traces how national identity now arises in Northern Ireland as a negotiation between the area s international image and its citizens national consciousness Rusciano illustrates how world opinion affects patterns of speech and silencing and the effect this has on the peace process He also shows how those negotiating the peace were affected by world opinion Finally the volume concludes by describing a possible path toward completing the peace process consistent with world opinion **The First Northern Ireland Peace Process** Thomas Hennessey, 2016-04-29 The First Northern Ireland Peace Process covers the various attempts to end the Troubles from 1972-76 These attempts included secret talks with the Provisional IRA and a parallel process to build a political consensus between the British and Irish Governments and the main constitutional parties in Northern Ireland *The European Union and the Northern Ireland Peace Process* Giada Lagana, 2020-10-26 This book examines the economic and political contributions of the EU to the Northern Ireland peace process tracing the genesis of EU involvement since 1979 and analysing how it acted as an arena in which to foster dialogue and positive cooperation Based on extensive archival research and exclusive elite interviews this volume provides the first comprehensive study of how the EU contributed to the reconfiguration of Northern Ireland from a site of conflict to a site of conflict amelioration and peace building The book demonstrates that the relationship between Northern Ireland and the EU has been much more significant

in the peace process than previously suggested *Ulster Unionism and the Peace Process in Northern Ireland C. Farrington*, 2015-12-04 The politics of Ulster Unionism is central to the success or failure of any political settlement in Northern Ireland This book examines the relationship between Ulster Unionism and the peace process in reference to these questions Community Politics and the Peace Process in Contemporary Northern Irish Drama Eva Urban, 2011 This book examines theatre within the context of the Northern Ireland conflict and peace process with reference to a wide variety of plays theatre productions and community engagements within and across communities The author clarifies both the nature of the social and political vision of a number of major contemporary Northern Irish dramatists and the manner in which this vision is embodied in text and in performance The book identifies and celebrates a tradition of playwrights and drama practitioners who to this day challenge and question all Northern Irish ideologies and propose alternative paths The author's analysis of a selection of Northern Irish plays written and produced over the course of the last thirty years or so illustrates the great variety of approaches to ideology in Northern Irish drama while revealing a common approach to staging the conflict and the peace process with a distinct emphasis on utopian performatives and the possibility of positive change

The Failure of the Two-State Solution Hani Faris, 2013-09-16 Diplomats politicians and activists alike have long laboured under the assumption that a two state solution is the only path to peace between the Israelis and the Palestinians But as this conflict continues unabated and violence and instability deepen it seems that the ideal of two states coexisting alongside each other and the ever elusive goal of peace slip further from reach *The Failure of the Two State Solution* examines the impasse in the Israel Palestine conflict exploring the reasons behind the breakdown of attempts to establish a meaningful Palestinian state This book therefore points to another until recently unthinkable option a single bi national state in Israel Palestine with all inhabitants sharing in equal rights and citizenship regardless of ethnicity or faith Hani A Faris has drawn together a wide ranging and in depth analysis of the historical and current situation in Israel Palestine By analysing the history of the conflict in Israel Palestine and its numerous peace initiatives this book demonstrates how the current deadlock has been reached With a nascent Palestinian state hampered by Israeli security policy and internal political divisions and the continuing expansion of the Israeli settlements in the West Bank it is argued here that the viability of the two state solution seems to have run its course And so highlights the one state solution as an option and debates and develops the organisational steps and strategies on a local and international level that would enable the construction of a bi national state With scholars from the US Europe the Arab world and Israel analysing the possibility of a one state solution and the shortcomings of the two state track this is an important and ground breaking book for students of Politics International Relations Peace Studies and Middle East Studies and all interested in the resolution of this seemingly intractable conflict *A Treatise on Northern Ireland, Volume III* Brendan O'Leary, 2019-04-17 The Good Friday Agreement deserved the attention the world gave it even if it was not always accurately understood After its ratification in two

referendums for the first time in history political institutions throughout the island of Ireland rested upon the freely given assent of majorities of all the peoples on the island It marked it was hoped the full political decolonization of Ireland Whether Ireland would reunify or whether Northern Ireland remain in union with Great Britain now rested on the will of the people of Ireland North and South respectively a complex mode of power sharing addressed the self determination dispute The concluding volume of Brendan O Leary s *A Treatise on Northern Ireland* explains the making of this settlement and the many failed initiatives that preceded it under British direct rule Long term structural and institutional changes and short term political maneuvers are given their due in this lively but comprehensive assessment The Anglo Irish Agreement is identified as the political tipping point itself partially the outcome of the hunger strikes of 1980 81 that had prevented the criminalization of republicanism Until 2016 the prudent judgment seemed to be that the Good Friday Agreement had broadly worked eventually enabling Sinn F in and the DUP to share power with intermittent attention from the sovereign governments Cultural Catholics appeared content if not in love with the Union with Great Britain But the decision to hold a referendum on the UK s membership of the European Union has collaterally damaged and destabilized the Good Friday Agreement That in turn has shaped the UK s tortured exit negotiations with the European Union In appraising these recent events and assessing possible futures readers will find O Leary s distinctive angle of vision clear sharp unsentimental and unsparing of reputations in keeping with the mastery of the historical panoramas displayed throughout this treatise

Stacie E. Goddard, 2009-11-04 This book challenges the conventional wisdom that territorial conflicts in Jerusalem and Northern Ireland were inevitable Stacie Goddard s research shows that it was radical political rhetoric and not ancient hatreds that rendered these territories indivisible preventing negotiation and compromise and leading to violence and war

Global Change, Civil Society and the Northern Ireland Peace Process C. Farrington, 2008-01-23 Northern Ireland s Belfast Agreement has faced continual crises of implementation over a variety of security related issues This book places the implementation of the Belfast Agreement in a wide context to provide an analysis of why implementation has been so difficult

The Crisis of Britain's Surveillance State Musa Khan Jalalzai, 2014-08-01 Great Britain is in a great crisis one that gets worse with every attempt to patch things up The global spread of technology and international links enables a rapid rise in the traffic of dangerous ideas dangerous materials and dangerous people An international journalist ties together the common strands that create the fuse for unquenched violence in Great Britain culminating in a many faceted crisis for the British state In response to the uprisings and civil wars sweeping the globe concerns about possible cyber attacks State sponsored or otherwise on State computers have been amplified in the media sparking a debate as to the appropriate course of action Now citizens understand that their own privacy has been discarded in the name of international security Cyberspace has become the decisive arena of modern information warfare The overwhelming picture of intrusion into people s personal lives has caused a breakdown in trust between the citizens and the State and the State and its Allies Five Eyes

TEMPORA PRISM ECHELON and the politics of the Intelligence War have shaken the public perception that their governments respect civil rights and liberties Meanwhile the British welfare state faces threats from many quarters The burning public frustration amounts to a national security crisis which London addresses primarily through endless new legislation policies and strategies statements that create confusion rather than cohesion Short term fixes are not enough Real leadership and real solutions are urgently needed

Consociationalism and Power-Sharing in Europe Michaelina Jakala, Durukan Kuzu, Matt Qvortrup, 2017-12-19 This book examines the theoretical and practical relevance and challenges of the consociationalist model of democracy Since the publication of the Politics of Accommodation 1968 and Democracy in Plural Societies 1977 Professor Lijphart's theories and practical implementations have played a key role in establishing enduring peace settlements In this edited volume scholars and Professor Lijphart himself critically examine the history of consociationalism and its application in areas including Northern Ireland Bosnia Herzegovina and Colombia The book will be essential reading for undergraduate and graduate students of political science comparative politics transitional justice and peace studies It will also be of use to practitioners ranging from diplomats to NGOs who are interested in the practical application of tested models of political accommodation

Turkey and the Kurdish Peace Process Arin Savran, 2022-11-03 The Kurdish peace process represents a major shift in theoretical and practical approaches to peace studies

The Long Road to Peace in Northern Ireland Marianne Elliott, 2007-01-01 The ratification of the Good Friday Agreement in 1998 was the culmination of a lengthy and contentious peace process that involved the efforts of a committed team of political actors In 2001 Marianne Elliott brought together a collection of essays by many of these pivotal figures in The Long Road to Peace in Northern Ireland an invaluable resource for students scholars and politicians Now Elliott one of the most prominent chroniclers of Irish history presents a fully updated edition with new essays commissioned to explore the events of the past five years A period that saw successes such as the decommissioning of the Provisional IRA but also a rise in drug trafficking and organized crime as a generation of men who have done nothing other than serve as paramilitaries are now finding their skills most valued as criminals With contributions from U S Senator George J Mitchell Sir David Goodall Jan Egeland Lord Owen and Peter Mandelson the second edition of The Long Road to Peace in Northern Ireland is an illuminating record of the ongoing peace process and its consequences told by the people directly involved in its evolution

A Failed Political Entity Stephen Kelly, 2016-10-10 Charles Haughey maintained one of the most controversial and brilliant careers in the history of Irish politics but for every stage in his mounting success there was one issue that complicated and almost devastated his ambitions to lead Irish politics Northern Ireland In A Failed Political Entity Stephen Kelly uncovers the complex motives that underlie Haughey's fervent attitude towards the political and sectarian violence that was raging across the border Early in Haughey's governmental career he took a hard line against the IRA leading many to think he was antipathetic towards the situation in Northern Ireland Then in one of the most defining scandals in the history

of modern Ireland The Arms Crisis of 1970 he was accused of attempting to supply northern nationalists with guns and ammunitions Whilst his role in this murky affair almost ended his political career the question of Northern Ireland was ever binding and would deftly serve to bring Haughey back to power as taoiseach in 1979 Through recent access to an astonishing array of classified documents and extensive interviews Stephen Kelly confronts every controversy examining the genesis of Haughey s attitude to Northern Ireland allegations that Haughey played a key part in the formation of the Provisional IRA the Haughey Thatcher relationship and Haughey s leading hand in the early stages of the fledgling Northern Ireland peace process
