**Getty Research Journal No. 2** Thomas W. Gaehtgens, Katja Zelljadt, 2010-04-05 The Getty Research Journal showcases the remarkable original research underway at the Getty Articles explore the rich collections of the J Paul Getty Museum and Research Institute as well as the Research Institute's research projects and annual theme of its scholar program Shorter texts highlight new acquisitions and discoveries in the collections and focus on the diverse tools for scholarship being developed at the Research Institute The Enlightenment's Animals Nathaniel Wolloch, 2025-10-01 In *The Enlightenment's Animals* Nathaniel Wolloch takes a broad view of changing conceptions of animals in European culture during the long eighteenth century Combining discussions of intellectual history the history of science the history of historiography the history of economic thought and not least art history this book describes how animals were discussed and conceived in different intellectual and artistic contexts underwent a dramatic shift during this period While in the seventeenth century and the first half of the eighteenth century the main focus was on the sensory and cognitive characteristics of animals during the late Enlightenment a new outlook emerged emphasizing their conception as economic resources Focusing particularly on seventeenth century Dutch culture and on the Scottish Enlightenment Wolloch discusses developments in other countries as well presenting a new look at a topic of increasing importance in modern scholarship *Getty Research Journal*, 2010

*Comparative Legal Studies: Traditions and Transitions* Pierre Legrand, Roderick Munday, 2003-08-14 The 14 essays that make up this 2003 volume are written by leading international scholars to provide an authoritative survey of the state of comparative legal studies Representing such varied disciplines as the law political science sociology history and anthropology the contributors review the intellectual traditions that have evolved within the discipline of comparative legal studies explore the strengths and failings of the various methodologies that comparatists adopt and significantly explore the directions that the subject is likely to take in the future No previous work had examined so comprehensively the philosophical and methodological foundations of comparative law This is quite simply a book with which anyone embarking on comparative legal studies will have to engage *Žižek on Race* Zahi Zalloua, 2020-02-20 Slavoj Žižek's prolific comments on anti-Semitism Islamophobia scapegoating popular nationalism the refugee crisis Eurocentrism the War on Terror neocolonialism global justice and rioting comprise a dizzying array of thinking But what can we pull out of his various writings and commentaries on race in the contemporary world Is there anything approaching a Žižekian philosophy of race Zahi Zalloua argues here that there is and that the often polemical style of Žižek's pronouncements shouldn't undermine the importance and urgency of his work in this area Zalloua not only examines Žižek's philosophy of race but addresses the misconceptions that have arisen and some of the perceived shortcomings in his work to date Žižek on Race also puts Žižek in dialogue with critical race and anti-colonial studies dwelling on the sparks struck up by this dialogue and the differences gaps and absences it points up Engaging Žižek's singular contribution to the analysis of race and racism Žižek on Race both patiently interrogates and critically

extends his direct comments on the topic developing more fully the potential of his thought In a response to the book i ek boldly reaffirms his theoretical stance clarifying further his often difficult to work out positions on some of his more controversial pronouncements *Wilderness Benchmark* 1988 ,1989 General Technical Report SE. ,1989 *UFOs, Chemtrails, and Aliens* Donald R. Prothero,Timothy D. Callahan,2017-08-02 A wide ranging survey offers entertainment as well as wisdom for everyone who s ever wondered what s behind so many conspiracy theories and paranormal phenomena Publishers Weekly UFOs Aliens Strange crop circles Giant figures scratched in the desert surface along the coast of Peru The amazing alignment of the pyramids Strange lines of clouds in the sky The paranormal is alive and well in the American cultural landscape In *UFOs Chemtrails and Aliens* Donald R Prothero and Tim Callahan explore why such demonstrably false beliefs thrive despite decades of education and scientific debunking Employing the ground rules of science and the standards of scientific evidence Prothero and Callahan discuss a wide range of topics including the reliability of eyewitness testimony psychological research into why people want to believe in aliens and UFOs and the role conspiratorial thinking plays in UFO culture They examine a variety of UFO sightings and describe the standards of evidence used to determine whether UFOs are actual alien spacecraft Finally they consider our views of aliens and the strong cultural signals that provide the shapes and behaviors of these beings While their approach is firmly based in science Prothero and Callahan also share their personal experiences of Area 51 Roswell and other legendary sites creating a narrative that is sure to engross both skeptics and believers *The Challenges of Cultural Discipleship* Richard J. Mouw,2011-11-21 Richard J Mouw is well known for his incisive views on the intersection of culture and Christianity and for his efforts to make the thought of major Dutch theologian Abraham Kuyper accessible to average Christians In this volume Mouw provides the scholarly backstory to his popular books as he interprets applies expands on and at times even corrects Kuyper s remarkable vision for faith and public life In thirteen essays Mouw explores and develops the Kuyperian perspective on key topics in Christian cultural discipleship including public theology sphere sovereignty education creation and more He deftly articulates an ecumenically enriched neo Calvinist or neo Kuyperian perspective that appropriates and contextualizes the ideas and insights of this important theologian and statesman for new challenges in Christian thought and service **Critique of Freedom** Otfried Höffe,2020-12-08 In this ambitious book philosopher Otfried H ffe provides a sophisticated account of the principle of freedom and its role in the project of modernity H ffe addresses a set of complex questions concerning the possibility of political justice and equity in the modern world the destruction of nature the dissolving of social cohesion and the deregulation of uncontrollable markets Through these considerations he shows how the idea of freedom is central to modernity and he assesses freedom s influence in a number of cultural dimensions including the natural economic and social artistic and scientific political ethical and personal metaphysical Neither rejecting nor defending freedom and modernity he instead explores both from a Kantian point of view looking closely at the facets of freedom s role and the fundamental

position it has taken at the heart of modern life Expanding beyond traditional philosophy Critique of Freedom develops the building blocks of a critical theory of technology environmental protection economics politics medicine and education With a sophisticated yet straightforward style Hffe draws on a range of disciplines in order to clearly distinguish and appreciate the many meanings of freedom and the indispensable role they play in liberal society [The Oxford History of Modern German Theology, Volume 1: 1781-1848](#) Grant Kaplan, Kevin M. Vander Schel, 2023 Oxford History of Modern German Theology Vol I 1781 1848 offers a multi author overview of the development of modern German theology from 1781 to 1848 Across 36 chapters Kaplan and Vander Schel underline important movements in German theology during this period and highlight unresolved questions which have shaped subsequent discussion [Sierra Educational News](#) California Teachers Association, 1919 [CTA Journal](#), 1919 [Sierra Educational News](#), 1919 **Japan: A Documentary History: v. 1: The Dawn of History to the Late Eighteenth Century** David J. Lu, 2015-03-04 An updated edition of David Lu's acclaimed Sources of Japanese History this two volume book presents in a student friendly format original Japanese documents from Japan's mythological beginnings through 1995 Covering the full spectrum of political economic diplomatic as well as cultural and intellectual history this classroom resource offers insight not only into the past but also into Japan's contemporary civilisation This volume covers up to the late 18th century Three major criteria used in the document selection were that the selection avoids duplication with other collections 75% of the documents presented here are newly translated a document accurately reflects the spirit of the times and the life styles of the people and emphasis is on the development of social economic and political institutions **Science and Social Status** David J. Sturdy, 1995 This comprehensive survey of the members of France's Academie des Sciences to the 1750s takes up the challenge to search for a way to connect history of science with social and cultural history at the bottom the level of the scientists rather than at the top the level of philosophical debate about science and culture T L Hankins In Defence of Biography the Use of Biography in the History of Science in History of Science 17 1979 1 16 The book focuses primarily on the academicians themselves and although it has much to say about the Academie as an institution it does so in the light of the changing positions which the academicians occupied in the social hierarchy of early modern France It explores the implications of those changes for the development of the Academie down to the mid 1700s and it argues that throughout this period the the relationship which the Academie had with the Bourbon regime and with French society in general was governed governed to a large extent by the personal circumstances of the academicians *Organisation Studies and Human Resource Management* Kate Black, Russell Warhurst, 2021-11-10 This book advances educational understanding and practice in Organisation Studies and Human Resource Management OSHRM It develops new theoretical perspectives on learning in OSHRM and introduces and evaluates a range of educational approaches methods and techniques to advance teaching and assessment and student learning in the field Chapters are evidence based and provide practical advice for enhancing the effectiveness of OSHRM

programmes and courses in universities colleges and human resource development settings globally With contributions from leading educators in OSHRM the book both advances understanding and provides practical guidance for the design of programmes courses and classes Importantly it illustrates innovative classroom and virtual learning experiences that will secure student engagement cultivate critical and creative thinking and enhance students employability leadership and enterprise capabilities A distinctive contribution of the book lies in the inclusion of student viewpoints on the understandings and educational advances proposed by the authors Significantly the book demonstrates how recent changes affecting higher education such as globalisation mass participation and marketisation and most recently the pandemic crisis can be embraced as opportunities to advance both educational understanding and educational policy and practice in OSHRM This book will be invaluable for university educators internationally in the fields of OSHRM and for HR developers working in management and leadership development and the book has relevance to both groups whatever their career stage from absolute beginners through to advanced practitioners
