The Epistle To The Hebrews Revised Edition:

The Epistle to the Hebrews F. F. Bruce, 1990 F F Bruce s study on the Epistle to the Hebrews is a contribution to The New International Commentary on the New Testament Prepared by some of the world s leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God **The Epistle to the Hebrews, Revised Edition** Frederick Fyvie Bruce, 1990

The Letter to the Hebrews William Barclay, 1976-01-01 In *The Letter to the Hebrews* noted Scottish Bible interpreter William Barclay follows the formula of the Daily Study Bible by first giving the text of the day s study in his own translation followed by two or three pages of commentary **The Epistle to the Hebrews** Paul Ellingworth, 1993-06-04 This superb work is sure to win a name for itself as one of the major commentaries on the Epistle to the Hebrews The principal purpose of this substantial volume is to clarify the meaning of Hebrews long considered a complicated and obscure book Paul Ellingworth s fine tooth comb coverage of Hebrews looks at the text up close and in a broad light enabling the reader to see the forest as well as the trees In his determined quest to understand Hebrews Ellingworth begins with a detailed study of the Greek text working outward to consider the wider context linguistic questions and the relation of Hebrews to other early Christian writings and to the Old Testament Nonbiblical writings such as Philo and the Dead Sea Scrolls though less directly related to Hebrews are considered where appropriate Unveiling the discourse structure of this carefully written letter Ellingworth s commentary helps make coherent sense of the complexities of Hebrews As a result of his exhaustive study Ellingworth finds Hebrews to be primarily a pastoral not a polemical writing Showing how Hebrews beautifully emphasizes the supremacy of Christ Ellingworth concludes that the essential purpose of the epistle which maintains the continuity of God s people before and after Christ is to encourage readers to base their lives on nothing other and nothing less than Jesus A substantive bibliography and a comprehensive introduction precede Ellingworth s commentary and three indexes of subjects authors and Greek words discussed conclude the volume **The Epistle to the Hebrews [tr. and ed.] by F. Rendall.**

Keener, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written **The Epistles to the Hebrews, Colossians, Ephesians, and Philemon, the Pastoral Epistles, the Epistles of James, Peter, and Jude** Orello Cone, 1901 Companion to the Revised Version of the New Testament Alexander Roberts, 1881 *Analytic Christology and the Theological Interpretation of the New Testament* Thomas H. McCall, 2021-03-04 This study draws upon the resources of both contemporary analytic theology and the theological interpretation of the New Testament in order to investigate a set of important issues in Christology It is the first work in analytic Christology to draw upon both recent scholarship in biblical studies and recent contributions to analytic philosophy and theology Thomas H McCall explores the themes of union with Christ and the faith of Christ as these are developed by the apocalyptic and New Perspective interpreters of Pauline theology The volume offers a careful analysis of recent dogmatic proposals about the identity of Christ and the doctrine of election and provides an examination of debates over the subordination of the Son in Hebrews It also probes the relationship of the incarnate Son to his Father in Johannine theology McCall presents an exegetically grounded theological engagement with recent work on the place of logic in the doctrine of the incarnation *The Churchman* , 1888 **A Jewish Apocalyptic Framework of Eschatology in the Epistle to the Hebrews** Jihye Lee, 2021-11-18 In contrast to scholarly belief that the author of the Epistle to the Hebrews envisions the transcendent heavenly world as the eschatological inheritance of God's people Jihye Lee argues that a version of an Urzeit Endzeit eschatological framework as observed in some Jewish apocalyptic texts provides a plausible background against which the arguments of Hebrews are most comprehensively explained Instead of transcendence to the heavenly world that will come after the destruction of the shakable creation Lee suggests the possibility of a more dualistic new world By first defining Urzeit Endzeit eschatology Lee is then able to explore its place in both pre and post 70 CE Second Temple Judaism In examining Enoch the Qumran Texts Jubilees the Liber Antiquitatum Biblicarum 4 Ezra and 2 Baruch and finally the Book of Revelation Lee compares a multitude of eschatological visions and the different depictions of the transformation of the

world judgement and the new world to come Bringing these texts together to analyse the issue of God's Rest in Hebrews and the nature of the Unshakable Kingdom Lee concludes that Hebrews envisions the kingdom as consisting of both the revealed heavenly world and the renewed creation as the eschatological venue of God's dwelling place with his people
