ERNEST BEST

The Epistles First And Second Thessalonians

Nathan Eubank

The Epistles First And Second Thessalonians:

The First and Second Epistles to the Thessalonians Leon Morris, 2009-04-10 The two letters to the Thessalonians dwell richly on the Christian hope and emphasize the significance of the Christian calling in the here and now In this commentary Leon Morris offers a solid exegetical discussion of specific problems relating to the composition of the letters themselves yet his exposition is also pervaded by an acute awareness of the relevance of Paul's message to the practical problems encountered in living the Christian life Long published as part of the New International Commentary on the New Testament series and here reprinted in paperback this classic work on 1 and 2 Thessalonians has proved and will continue to prove useful to a wide range of readers including scholars pastors Bible students and educated Christians Thorough and readable Leon Morris deals minutely with the grammatical meaning of the Greek text without being obscure or pedantic The main exposition of the commentary is comprehensible by any intelligent Bible student and provides ready reference for the casual reader Christianity Today Morris is an able exegete with a mind of his own and a stylistic facility that makes his commentary as readable as it is instructive Evangelical Quarterly This commentary is worthy of a place on the shelves of every student of the New Testament Didaskalia *Sacra Pagina: First and Second Thessalonians* Earl J. Richard, 2021-03-04 The letters First and Second Thessalonians are traditionally associated with the Pauline foundation of the Macedonian Church at Thessalonica The first is seen as representing Paul's earliest epistolary efforts and as providing two successive moments in his long relationship as advisor to that community Soon after leaving the area for the southern province of Achaia Paul addresses the concerns of the new Gentile converts and at a later period responds more directly to queries received from the thriving and successful community The second document written in Paul's name and at a later date attempts to calm the apocalyptic fervor of the community by reiterating its traditional eschatological and Christological teaching After treating these introductory matters this study provides a new translation of each section of the canonical text explains in notes the pertinent textual and linguistic features of the text and then offers in a series of interpretive messages a literary rhetorical and thematic analysis of the biblical documents The constant concern of this commentary is to provide assistance to modern readers in discerning the relationship between the authors and their intended readers Short bibliographies suggest other important modern studies A Discourse Analysis of First and Second Thessalonians Sungmin Kim, 2025-10-23 Applying discourse analysis within the framework of Systemic Functional Linguistics SFL this study offers a fresh reexamination of the textual and contextual relationship between First and Second Thessalonians Through register analysis a key component of SFL discourse analysis it uncovers a unified linguistic profile across both letters characterized by pastoral consistency relational coherence and structural clarity By challenging traditional assumptions of textual and situational divergence it offers a linguistically grounded evaluation of the Pauline authorship debate concerning the Thessalonian correspondence Combining methodological rigor with accessibility the study invites readers in New Testament studies biblical linguistics and

early Christian discourse to engage these foundational Pauline letters textually contextually and with renewed insight

The First and Second Letters to the Thessalonians Gordon D. Fee, 2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text for today Among other things Fee explores the occasion for Paul's writing of each epistle restoring 2 Thessalonians to its rightful place as a full companion to the first letter not merely a tagalong to 1 Thessalonians A labor of love on Fee's part this commentary will serve to help rescue 1 and 2 Thessalonians from their Cinderella status among Paul's letters Fee's primary target is the proverbial busy pastor who wants help in understanding the biblical text as he or she prepares to preach or teach However as with all his commentaries he also provides solid exposition for students in the process of learning how to preach or teach and enough technical material mostly in the footnotes so that even the scholar can benefit

Thru the Bible Vol. 49: The Epistles (1 and 2 Thessalonians) J. Vernon McGee, 1995-03-15 Radio messages from J. Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it's available as a complete 60 volume series in Old Testament or New Testament sets or individually

Annotated Bibliography of First and Second Thessalonians Jeffrey Alan David Weima, Stanley E. Porter, 1998 This bibliography lists some 1300 works most of which are annotated that are germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century

First and Second Thessalonians Beverly Roberts Gaventa, 2012-08-01 Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry

First & Second Thessalonians- Everyman's Bible Commentary Charles C. Ryrie, 2001-01-01 Designed for laypeople these commentaries deal seriously with the biblical text without being overly technical Introductory information doctrinal themes problem passages and practical applications are examined

Handbook on Acts and Paul's Letters (Handbooks on the New Testament) Thomas R. Schreiner, 2019-11-05 Leading biblical scholar Thomas Schreiner provides an easy to navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages This is the first volume in the Handbooks on the New Testament series which is modeled after Baker Academic's successful Old Testament handbook series Series volumes are neither introductions

nor commentaries as they focus primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis. The series will contain three volumes that span the entirety of the New Testament with future volumes covering the Gospels and Hebrews through Revelation. Written with classroom utility and pastoral application in mind, these books will appeal to students, pastors, and laypeople alike. The Epistles of Paul the Apostle to the Thessalonians George Gillanders Findlay, 1904 The Letters of Saint Paul to the Thessalonians, Timothy, and Titus Dennis Walters, 2006. The newest volume in a very popular Catholic Bible study series. It is an in-depth study bible with original essays, study questions, word studies, maps, charts, and more. The Letters to the Thessalonians GENE L GREEN, 2020-05-21. In this commentary, Gene Green reads Paul's two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first-century world of Thessalonica. This fruitful approach helps illuminate the impact of the gospel on its original readers and in turn shows how potent a force it can be for the church and society today. The book begins with an in-depth study of the Thessalonians themselves, their history, land, socioeconomic conditions, and religious environment. This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city's first church and the subsequent struggles of the Thessalonian believers to live out their Christian faith. The main body of the book provides informed verse-by-verse commentary on 1 & 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts. As Green's exposition shows, the Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul's pastoral concern for the many areas in which the Thessalonians needed guidance. Some of Paul's purposes are to thank the new believers for their steadfastness amid suffering, to encourage them in their trials, to urge them not to neglect their daily work, and no less important, to teach them about the future of believers who die before Christ returns. Indeed, the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul's eschatological letters. Filled with new information about ancient society, this commentary will fast become a standard reference work for Bible study. By carefully bridging the biblical and modern worlds, Green shows with clarity and warmth the continuing relevance of 1 & 2 Thessalonians for contemporary readers. **First and Second Thessalonians (Paideia: Commentaries on the New Testament)** Timothy A. Brookins, 2021-11-16. Though often neglected among readers of Paul's letters, his two surviving letters to the church in Thessalonica are highly valuable sources for reconstructing the theology of Paul and the history of the earliest Christian churches. First and Second Thessalonians also stand out for their intensely personal nature and provide a rare glimpse into Paul's methods of pastoral care. This practical commentary interacts with the best scholarship on the Thessalonian letters while offering fresh new insights. *The Untold Story of the New Testament Church [Revised and Expanded]* Frank Viola, 2025-03-04. Experience the New Testament Like Never Before. Endorsements from New Testament scholars: Craig Keener, Darrell Bock, Joel B. Green, Michael Licona, Mark Strauss, Richard Horsley, David deSilva, Constantine

Campbell Paul Barnett Clinton Arnold Eckhard Schnabel Jeffrey A D Weima and many others One famous scholar said that reading the New Testament letters is like hearing one end of a phone conversation The Untold Story of the New Testament Church Revised and Expanded reconstructs the other end so you can understand virtually every word Seamlessly weaving the narrative of Acts with the Epistles you ll discover a coherent story enriched by intriguing details of first century life This unique and innovative presentation of the New Testament unlocks its epic story in a way that will leave you breathless and equipped to understand the Bible like never before Though it s non fiction this masterpiece reads like a cinematic experience that will captivate your heart by putting you in the center of the drama Drawing on the best of contemporary scholarship Frank Viola includes background information about the people cities and places that are mentioned throughout the New Testament all in an engaging narrative As you dive into this riveting volume you will Gain an intimate glimpse into the lives of apostles Peter James John Paul and their colleagues Uncover the events that inspired each New Testament letter shedding new light on every line from Romans to Revelation Meet the key figures who shaped the world like Priscilla Apollos Lydia Luke John Mark Phoebe Aristarchus and Epaphras Witness the dynamic tumult of first century churches individuals and events as they unfold vividly before you Prepare to be ushered into the living breathing atmosphere of the first century so you can uncover the hidden riches contained in God s Word The Epistles of Paul the Apostle to the Thessalonians NT.

Bible,1835 **Critical and Exegetical Hand-book to the Epistles to the Philippians and Colossians, and to Philemon** Heinrich August Wilhelm Meyer,1889 The 1 and 2 Thessalonians Commentary Collection Michael W. Holmes,Gary Shogren,John Byron,2017-04-25 This 1 and 2 Thessalonians commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series authored by Michael W Holmes Gary S Shogren and John Byron The diverse features from each of the volumes gives you all the tools you need to master the books of 1 and 2 Thessalonians *Commentary on the New Testament: Philippians, Colossians, Philemon, 1-2 Thessalonians* Heinrich August Wilhelm Meyer,1889 *First and Second Thessalonians (Catholic Commentary on Sacred Scripture)* Nathan Eubank,2019-11-05 This final volume in the successful Catholic Commentary on Sacred Scripture New Testament series interprets First and Second Thessalonians from within the living tradition of the Church Nathan Eubank recovers interpretations of these Pauline letters from the ancient and medieval church as he explores their historical and theological significance Attractively packaged and accessibly written this commentary series relates Scripture to Christian life today **A Commentary on St. Paul's First (second) Epistle to the Thessalonians** Alfred Plummer,1918
