EROTIC BOOKPLATES

edited and with an introduction by
Dr. Phyllis and Eberhard Kronhausen

100 Illustrations from International Private Collections

Since upon a time, collectors of rare books had whole design personalized editions or bookplates for them.

In those days—the eighteenth, nineteenth and early twentieth century—there were some important private and public book collections in Europe. These libraries were, of course, strictly illegal, but some of them were private, and were even strictly "under the counter" and a not infrequent private—by a number of well-known book dealers.

The wealthy collectors usually had their rare books bound in costly leather and written by top craftsmen. In these cases, the book-plates corresponded to the artist's designs in keeping with the nature of the library's subject matter. As with the authorship of the book, then, the artist who did the individualized erotic bookplates also generally understood, not too surprisingly, its sexual atmosphere. The many of them were done by top craftsmen and persons whose artistic talent was above the great majority.

These illustrations were printed not only because they were attractive and beautiful, but also because of their explicit sexual nature.

PORNOGRAPHY and the LAW

a new revised edition

by Drs. Phyllis & Eberhard Kronhausen

with an introduction by Theodore Stark

pornography had the LAW by the courts in the field of legal decisions and by police in American society. It was present in many countries, used in many different cases by both prosecution and defense. The judges have been known to read portions of it to instruct the jury and the legal officers of justice informed the Kronhausens that their book had been instrumental in bringing about the abolition of censorship in Germany.

The Kronhausens gathered the most recently known and used material, uncopyrighted passages from such "pornographic works" as the writings of John Cleland and Giovanni, Lady Chatterley's Lover, the Dreyfus case, the French Revolution, and The Love of Carmen. They have also shown the historical development of erotic, prostitution, homosexuality, masturbation, incest, rape, and seduction.

"The book shows the difference between pornography and erotic art and its meaning in the present-day world. It is a book that is not only a book but also a work of art. It is a book that is not only a book but also a work of art. It is a book that is not only a book but also a work of art." —Richard Bissell

The Erotic Arts New Edition With Additional Material And Photographs

LM Reder

The Erotic Arts New Edition With Additional Material And Photographs:

After Eunuchs Howard Chiang, 2018-08-07 For much of Chinese history the eunuch stood out as an exceptional figure at the margins of gender categories. Amid the disintegration of the Qing Empire, men and women in China began to understand their differences in the language of modern science. In *After Eunuchs*, Howard Chiang traces the genealogy of sexual knowledge from the demise of eunuchism to the emergence of transsexuality, showing the centrality of new epistemic structures to the formation of Chinese modernity. From anticastration discourses in the late Qing era to sex reassignment surgeries in Taiwan in the 1950s and queer movements in the 1980s and 1990s, *After Eunuchs* explores the ways the introduction of Western biomedical sciences transformed normative meanings of gender, sexuality, and the body in China. Chiang investigates how competing definitions of sex circulated in science, medicine, vernacular culture, and the periodical press, bringing to light a rich and vibrant discourse of sex change in the first half of the twentieth century. He focuses on the stories of gender and sexual minorities as well as a large supporting cast of doctors, scientists, philosophers, educators, reformers, journalists, and tabloid writers as they debated the questions of political sovereignty, national belonging, cultural authenticity, scientific modernity, human difference, and the power and authority of truths about sex. Theoretically sophisticated and far reaching, *After Eunuchs* is an innovative contribution to the history and philosophy of science and queer and Sinophone studies. **The London Magazine**, 1984

Sexually Explicit Art, Feminist Theory, and Gender in the 1970s Christian Liclair, 2022-05-30 Structured around sexual desire as the central analytical category, this monograph systematically approaches a heterogeneous array of artworks to purposefully examine the entanglements of art, feminist theory, gender, and sexuality. This book considers the potential of sexually explicit art to challenge a socially constructed conception of sexuality as well as gender and explores the sexually explicit as a means to reclaim agency for marginalized subjectivities and to emancipate desire from within the patriarchal and heteronormative system. In distinct case studies, the author focuses on works by four US American artists: Robert Mapplethorpe, Joan Semmel, Betty Tompkins, and Tee A. Corinne, and situates them in relation to contemporaneous debates associated with the insurgent Sexual Liberation Movements of the 1970s. The book will be of interest to scholars working in art history, visual culture, and gender and sexuality studies.

Sexual Behavior in the Human Female Alfred C. Kinsey, Wardell B. Pomeroy, Clyde E. Martin, Paul H. Gebhard, 1998-05-22 The groundbreaking Kinsey Report study on female sexuality from one of the most influential figures in American intellectual history. The *New York Times*. Originally published in 1953, the material presented in *Sexual Behavior in the Human Female* was derived from personal interviews with nearly 6,000 women from studies in sexual anatomy, physiology, psychology, and endocrinology. The study revealed the incidence and frequency with which women participate in various types of sexual activity and how such factors as age, decade of birth, and religious adherence are reflected in patterns of sexual behavior. The authors make comparisons of female and male sexual activities and investigate the factors which

account for the similarities and differences between female and male patterns of behavior and provide some measure of the social significance of the various types of sexual behavior It shocked the world in 1953 with its explicit revelations Countries banned it Churches berated it Some scholars scoffed but it was an instant success selling 270 000 copies in less than a month Kinsey made headlines around the globe with his findings on such things as masturbation sex before marriage and adultery CBSNews.com

Encyclopedia of Nineteenth-Century Photography John Hannavy,2013-12-16 The Encyclopedia of Nineteenth Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century It sets out to be the standard definitive reference work on the subject for years to come Its coverage is global an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication The Encyclopedia presents new and ground breaking research alongside accounts of the major established figures in the nineteenth century arena Coverage includes all the key people processes equipment movements styles debates and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool creative medium and recorder of everyday life which it had become by the dawn of the twentieth century The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth Century Photography an essential reference source for academics students researchers and libraries worldwide

Hearings, Reports and Prints of the House Committee on Post Office and Civil Service United States. Congress. House. Committee on Post Office and Civil Service,1970 **Modern Women: Women Artists at The Museum of Modern Art** Alexandra Schwartz,2010 This text examines the collection of feminist art in the Museum of Modern Art It features essays presenting a range of generational and cultural perspectives **Censoring Sex** John E. Semonche,2007-07-20 In this gracefully written accessible and entertaining volume John Semonche surveys censorship for reasons of sex from the nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance and radio television and the Internet The tale is varied and interesting replete with a stock of colorful characters such as Anthony Comstock Mae West Theodore Dreiser Marcel Duchamp Opie and Anthony Judy Blume Jerry Falwell Alfred Kinsey Hugh Hefner and the Guerilla Girls Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America and Semonche tells that tale with insight and flair Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified At various times all of the following groups were perceived as needing protection from sexually explicit materials children women the lower classes and foreigners As social and political conditions changed however the simple fact that someone was a woman or a day laborer did not support stereotyping that person as weak or impressionable What would remain as the only acceptable

rationale for censorship of sexual materials was the protection of children and unconsenting adults For each mode of media Semonche explains via abundant examples how and why censorship took place in America Censoring Sex also traces the story of how the cultural territory contested by those advocating and opposing censorship has diminished over the course of the last two centuries Yet Semonche argues the censorship of sexual materials that continues in the United States poses a challenge to the free speech that is part of the foundation upon which the nation is built Indeed in an era in which sexual images are pervasive and the need for reliable information about sex and sexuality is growing he questions the remaining rationales for censorship and the justification for placing obscenity outside the protection of the U S Constitution

The Expanding Discourse Norma Broude, 2018-02-23 A sequel to the pioneering volume *Feminism and Art History Questioning the Litany* published in 1982 *The Expanding Discourse* contains 29 essays on artists and issues from the Renaissance to the present representing some of the best feminist art historical writing of the past decade Chronologically arranged the essays demonstrate the abundance diversity and main conceptual trends in recent feminist scholarship

Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists

Cases of citation Chloë Julius, Michael Green, Matthew Holman, 2024-09-24 *Cases of citation* presents a history of artists who incorporated literary references into their work from the 1960s onwards Through a series of object focused chapters that each take up a singular case of citation the collection considers how literary citation emerged as a viable and urgent strategy for artists during this period It surveys nine artworks by a diverse group of artists including David Wojnarowicz Lis Rhodes Romare Bearden and Silvia Kolbowski whose citations draw on literary works with authors ranging from Gertrude Stein to Jean Genet The book also features an interview with pioneering feminist artist Elaine Reichek that discusses her career long commitment to working with text Together the artworks and cited texts are approached from various critical angles with each author questioning and complicating the ways in which we can read textual citations in art

Imagining Chinese Medicine, 2018-05-01 A unique collection of 36 chapters on the history of Chinese medical illustrations this volume will take the reader on a remarkable journey from the imaging of a classical medicine to instructional manuals for bone setting to advertising and comic books of the Yellow Emperor In putting images their power and their travels at the centre of the analysis this volume reveals many new and exciting dimensions to the history of medicine and embodiment and challenges eurocentric histories At a broader philosophical level it challenges historians of science to rethink the epistemologies and materialities of knowledge transmission There are studies by senior scholars from Asia Europe and the Americas as well as emerging scholars working at the cutting edge of their fields Thanks

to generous support of the Wellcome Trust this volume is available in Open Access **Sex and Society** Marshall Cavendish Corporation, 2010-09 Moving beyond a partial view of only biology and psychology this work also examines the wide sociological dimensions of sex *New York Magazine*, 1970-05-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Richard Shiff: Writing After Art** Richard Shiff, 2023-05-16 A broad and deep anthology of critic and art historian Richard Shiff's most influential writings which have shaped our understanding of twentieth and twenty first century art Elegantly designed as intended for broad readership including art historians art critics artists among other lovers of art this volume is a must read experience with pleasure and discovery Phong Bui *The Brooklyn Rail* In his engaging and often strikingly deep observations of major modern and contemporary visual art Shiff has written about an impressive range of artists including Willem de Kooning Marlene Dumas Jasper Johns Donald Judd Barnett Newman Pablo Picasso and Bridget Riley A leading scholar and powerful voice Shiff's insight into some of the most prominent artistic practices spans generation place and approach as seen in this considered selection of essays on twenty six artists These writings first appeared in exhibition catalogues for retrospectives at galleries and institutions including the Centre Georges Pompidou the Solomon R Guggenheim Museum The Museum of Modern Art and Tate Modern Shiff supplements his unquestionable fluency in art history with insights cultivated from his readings in philosophy phenomenology literary theory and psychoanalysis among other fields Shiff's writing conceptually rich meditative and enjoyable to read is attuned to the nuances of artistic style and technique drawing out art's social implications not merely from broad histories but also directly from artists mark making and technical gestures Actively engaged as a viewer and a writer Shiff has transformed the act of looking at art into contemplative and captivating writing Includes essays on Georg Baselitz Mark Bradford Georges Braque Jim Campbell Chuck Close Willem de Kooning Peter Doig Marlene Dumas Dan Flavin Suzan Frecon Lucian Freud Ellen Gallagher Jasper Johns Donald Judd Ellsworth Kelly Brice Marden Julie Mehretu Barnett Newman Pablo Picasso Bridget Riley Richard Serra Joel Shapiro Richard Tuttle Cy Twombly Jack Whitten and Zeng Fanzhi

The Last Days of Pompeii Victoria C. Gardner Coates, Kenneth D. S. Lapatin, Jon L. Seydl, Cleveland Museum of Art, Musée national des beaux-arts du Québec, 2012 Destroyed yet paradoxically preserved by the eruption of Mount Vesuvius in a d 79 Pompeii and other nearby sites are usually considered places where we can most directly experience the daily lives of ancient Romans This book explores Pompeii as a modern obsession in which the Vesuvian sites function as mirrors of the present It is a fascinating survey of the modern obsession with the destruction of Pompeii as seen through the eyes of artists Destroyed yet paradoxically preserved by the eruption of Mount Vesuvius in a d 79 Pompeii and other nearby sites are

usually considered places where we can most directly experience the daily lives of ancient Romans Rather than present these sites as windows to the past *The Last Days of Pompeii* explores Pompeii as a modern obsession in which the Vesuvian sites function as mirrors of the present Through cultural appropriation and projection outstanding visual and literary artists of the last three centuries have made the ancient catastrophe their own expressing contemporary concerns in diverse media from paintings prints and sculpture to theatrical performances photography and film This lavishly illustrated volume featuring the works of artists such as Fragonard Kaufmann Duchamp Dali and Warhol surveys the legacy of Pompeii in the modern imagination **Congressional Record** United States. Congress,1964 New York Magazine ,1970-11-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Queer Encyclopedia of the Visual Arts** Claude Summers,2012-03-23 A distinctly queer presence permeates the history of the visual arts from Michelangelo s David and homoerotic images on ancient Greek vases to Frida Kahlo s self portraits and the photography of Claude Cahun and Robert Mapplethorpe *The Queer Encyclopedia of the Visual Arts* is a comprehensive work showcasing the enormous contribution of gay lesbian bisexual transgender and queer artists to painting drawing photography printmaking sculpture and architecture International in scope the volume includes overviews of the various periods in art history from Classical Art to Contemporary Art and from African Art to Erotic and Pornographic Art discussions of topics ranging from AIDS Activism in the Arts Censorship in the Arts and the Arts and Crafts Movement to Pulp Paperbacks and Their Covers surveys of the representation of various subjects in the visual arts from Androgyny to Vampires and biographical entries on significant figures in the history of art such as Andy Warhol Keith Haring El Greco Leonardo da Vinci David Hockney Ruth Bernhard Rosa Bonheur Romaine Brooks Simeon Solomon and Nahum Zenil Includes more than 100 illustrations and photographs *Women Artists of the American West* Susan R. Ressler,2003 Profiles more than 150 women artists of the nineteenth and twentieth centuries from the American West offers fifteen interpretive essays and includes nearly three hundred reproductions of their works
