DeVito,1996-08 This well established self help course has been praised for the techniques and practical applications it teaches through structured exercises With updated sample speeches the revised edition has new material on multicultural settings addressing small groups and less formal situations such as tributes and after dinner speeches Public Speaking Michael Osborn,Suzanne Osborn,2005-03 Centered around three core objectives preparing students for civic life respecting the diversity of the audience and sensitizing students to the ethical impact of their words Public Speaking offers both practical advice for public speaking and an understanding of why such advice works The Seventh Edition introduces two models of oral communication the Mechanical Model which addresses the physical and technical constraints that shape communication and the Identification Model which points out the ethical consequences of oral communication These concepts are brought to life through examples from real student and professional speeches Discussion and Application exercises at the end of each chapter and a variety of boxed features throughout the text Integrated Technology icons in the margins point students to interactive exercises and resources on the VideoLab CD ROM and Online SpeechStudio in Eduspace The Stairway to Speech Success Model lays out the speech development process from start to finish to help students get started on preparing their first presentation

Discussion and Application Exercises allow students to practice skills in small group settings or on their own. These varied activities can be used in class to promote discussion or assigned as homework. Chapter 2 on Communication Anxiety addresses this important subject when your students need it most as they are preparing to give their first presentation. This chapter flows well into Chapter 3. Your First Speech PowerPoint Tutorial offers instructions including screenshots on how to operate PowerPoint and how to use PowerPoint as an element of a presentation. The concept of argumentative/persuasion emphasizes the ethical importance of reasoning in areas such as the formation of public policy. A section on Listening to Persuasive Speeches addresses both how to be a thoughtful active listener and how as a speaker to anticipate and respond to questions from listeners. Chapter 16 introduces the Toulmin model of proofs to help students grasp how to make reasoning work productively in persuasive efforts. Ethics Alert boxes highlight ethical concerns or issues as they arise in the context of content rather than confining the subject to a chapter on its own. Annotated Sample Student Speeches illustrate how the theories and principles discussed apply in real life. Speaker's Notes provide students with useful suggestions for improving their presentations and reinforce key principles and concepts.

Mastering Public Speaking George L. Grice, John F. Skinner, 2008. An adaptation of Mastering Public Speaking. This handbook provides the reader with a 2 color less costly alternative to the 4 color book in a reference format enabling quick and easy access to information. This book equips the reader with a firm grounding in the hows and whys of public speaking by providing an ideal balance of theory and skills while placing important emphasis on critiquing ethics and critical thinking.

Principles of Public Speaking, 2019.
