**The Twelve Holy Nights and the Spiritual Hierarchies** Sergei O. Prokofieff, 2004-11-05 Prokofieff draws on the whole extent of Rudolf Steiner s work and combines it with his own original spiritual research to form an intricate picture of the cosmic forces at play between Christmas and Epiphany We are led on a tour through the circle of the zodiac and spiritual hierarchies and shown how they form a path from Jesus to Christ The author further explains that the Starry Script is a key to anthroposophical Christology and shows how it relates to the conception of the First Goetheanum Prokofieff guides us imaginatively through the interior of Steiner s architectural masterpiece destroyed by fire at the end of 1922 whose structure

and decorations are seen to constitute a coherent esoteric map Our task now he suggests is to rebuild the First Goetheanum within ourselves and through a new form of self development work toward a truly modern path of initiation Supplementary essays focus on the cosmic aspects of Sophia as well as the being of Michael Prokofieff s seminal study offers a rich source of inspiration for those wishing to penetrate the mysteries of the Twelve Holy Nights and their relation to spiritual beings

**The Apocalypse Explained According to the Spiritual Sense in which the Arcana There Predicted But Heretofore Concealed are Revealed** Emanuel Swedenborg,1889     The Apocalypse Explained According to the Spiritual Sense in which are Revealed the Arcana which are There Predicted and Have Been Hitherto Deeply Concealed Translated from a Latin Work of Emanuel Swedenborg ,1840     *The Swedenborg Concordance* John Faulkner Potts,1898     **The Millennial Harbinger ...** ,1859     Leading the Young People with the Word and the Spirit Witness Lee,2024-03-25

In leading the young people there are two indispensable aspects spiritual knowledge and spiritual life The spiritual content we impart into our young people must be related to both aspects and we should not lean too much toward one or the other we must be balanced According to God s law in the universe everything is balanced Thus in our service with the young brothers and sisters we should keep the principle of being balanced we should give the young people knowledge and life in such a way that these aspects interact with each other

Matthew 13 and the Prophetic Parables About the Present Age Todd Baker,2011-12-01 Matthew chapter 13 is key to correctly understanding the specific time frame for the Second Coming and establishment of Messiah s Kingdom on earth and how the course of the present age will unfold and progress from the first coming of Christ until His return Failure to properly understand these parables of Matthew 13 results in a failure to understand all the rest of the parables Jesus spoke after them as He so indicated in Luke 4 13 Therefore it behooves every Bible believing Christian to take serious study of the unfolding prophetic events of the present age as symbolized in the eight parables of Matthew 13 This simple exposition is a humble effort to help the Bible student and reader gain a better appreciation and understanding of this chapter as it pertains to those living in the present age as these prophetic parables are unfolding and being fulfilled right before our very eyes

**Some Tracts relating to the Controversy between Hannah Barnard and the Society of Friends, etc. [In answer to “An Appeal to the Society of Friends on the primitive simplicity of their Christian principles,” by Thomas Foster. The editor's preface signed:**

**Christicola.]** ,1802      *Theodicy and Spirituality in the Fourth Gospel* Daniel DeForest London,2020-06-15 Daniel DeForest London argues that the Fourth Gospel offers a potentially transformative response to the question of suffering and the human compulsion to blame Based on his reading of John 9 the man born blind London argues that the Gospel does not offer a theodicy but rather a theodical spirituality an experience of praying the question of suffering and remaining open to a divine response London shows how the Johannine Jesus s response poses three sets of symbols in dichotomy day night vision blindness sheep wolf each subverted by another core symbol light judge shepherd By interpreting these symbols in light of mimetic theory he argues that Jesus s response reveals the scapegoat mechanism in which an innocent victim is blamed by violent victimizers However rather than blaming the victimizers Jesus continues to engage with the characters who appear to be villains the light of the world transforms night and day into one continuous day the Good Shepherd welcomes sheep and wolf into his beloved flock In this way readers are invited to bring to the Johannine Jesus their own violence resentment and wolfish rage regarding the question of suffering and to experience the theodical spirituality of the Fourth Gospel      *The Spiritual Magazine, and Zion's Casket* ,1844      De caelo et ejus mirabilibus et de inferno ex auditis et visis Emanuel Swedenborg,1900      **The Source of Speech** Hermann Beckh,2019-11-06 An abundance of books by Beckh came into existence whose significance perhaps will only be properly appreciated in the future Emil Bock 1959 Hermann Beckh s lectures on language published here in English for the first time offer a unique and penetrating discussion of the origins and evolution of speech Based on his professional knowledge of Tibetan Sanskrit and Pali and complete fluency in at least six other ancient languages not to count nine modern languages and accompanied by a heartfelt understanding of anthroposophy the lectures comprise an unparalleled marriage of academic and meditative insights Further they give a valuable introduction to the author s later works on music the stars and the Gospels of Mark and John The Source of Speech features Beckh s complete series of articles on the subject that were developed during the early seeding period of his life and work These include Rudolf Steiner and the East an unprecedented study of Steiner s relationship to Sanskrit and Buddhist spirituality Let There be Light Beckh s exploration of the six Hebrew words forming Genesis 1 3 articles devoted to the origins of language Indian philosophies and the names of the Divine in sacred texts and essays published in *Das Goetheanum* which examine speech sounds especially those of Sanskrit and Classical Hebrew Also included are contemporaneous reviews of Beckh s articles by Albert Steffen and Eugen Kolisko and a lecture on academia materialism and the undisciplined enthusiasm for Indian spirituality held at the University of Berlin Nearly one hundred years on Beckh s perspectives and themes remain as exciting relevant and fresh as ever      *Arcana Coelestia* Emanuel Swedenborg,1879      *How to Talk About Spiritual Encounters* Peter J. Adams,2020-07-27 This book develops a new and innovative way of understanding how language is used when people describe their spiritual and mystical encounters Early chapters provide overviews of the nature of spiritual encounters how commonly they occur and the role of language The book then develops a unique way of

understanding the dynamics of talking about spirituality using original research to support this perspective In particular Peter J Adams explores how this characteristically vague way of speaking can be viewed as an intentional and not an incidental aspect of such communications because certain types of vagueness have the capacity to engage the imaginative participation of receptive listeners This expressive vagueness is achieved by embedding missing bits or gaps in the flow of what is described and these in turn provide sites for listeners to insert their own content Later chapters focus on practical ways people including helping professionals can improve their skills in talking about their spiritual encounters All content is situated in caf conversations between four people each of whom is in their own way concerned with the challenges they face in converting the content of their encounters into words

**The Friend** ,1882      *A Compendium of the Theological and Spiritual Writings of Emanuel Swedenborg ... Second thousand* Emanuel Swedenborg,1854      *Who Do You Think You Are* Emmanuel Upputuru,2023-07-10
