The Man On The Left:

The Transient, the Emperor, and the Man Left Alone Jacob Harrell, 2016-05-09 Derren Washington's life has never amounted to much and lately it has become boring and stale. Sure he does well for himself. He has a job, a place to live, and is breathing and living enough for most people, and all Derren believes he needs. And then one morning Derren is awoken to an unexpected knock that changes the course of his life, spurring a mad journey that he never could have possibly imagined. Confronted with the sudden loss of his apartment and subsequently everything he has ever owned, Derren must face the insensitive marriage of blind chance and sheer coincidence. His situation becomes even more dire after a regrettably made phone call finds him abducted by a group of towering extraterrestrials who have mistaken him for their long lost emperor. Now Derren struggles to navigate and survive in a baffling world amid suffocating seas of deceit and absurdity in hopes of one day making his way home and finding some meaning in his life. This science fiction novel tells the tale of one man's unintended adventure as he stumbles from one confusing world to another in an attempt to regain what he has lost. **No**

Forty years later Homicide Detective Iris Williams and her partner Detectives Annette Toni are assigned to a case where the victims are left most bizarrely. The killer's hiding place is in the abandoned subway tunnels under New York City. Detective Iris Williams must overcome her fears and venture into the rat infested tunnels to apprehend the most diabolical serial killer she's ever faced. A serial killer that will change her life forever. The media is calling him The Piggyback Killer. **No Man Left Behind: A Small-Town Second Chance Romance**

Jemi Fraser, 2025-01-21 This second chance might cost him everything. Marcus Ramirez lost a lot in an explosion overseas. His military career, his foot, and any chance he might have had with an intriguing woman whose last name he never knew. He's found peace working as a deputy in the ridiculous town of Phail, Vermont, and working with his army brothers in a new venture. When Elina arrives in town, he realizes why he's never taken a chance on another woman. She's always been The One. But danger follows Elina, and if Marcus can't keep her safe this time, he might lose everything. *No Man Left Behind* is the sixth book in Jemi Fraser's *No Fail Heroes* romantic suspense series. Each of these small town romances can be read as a stand alone, although they are best enjoyed in order. The book contains some strong language and sexy times. Enjoy the read. **No**

The Man With Two Left Feet and Other Stories Sir Pelham Grenville Wodehouse, 1971-01-01 There s a divinity that shapes our ends Consider the case of Henry Pifield Rice detective I must explain Henry early to avoid disappointment If I simply said he was a detective and let it go at that I should be obtaining the reader s interest under false pretences He was really only a sort of detective a species of sleuth At Stafford s International Investigation Bureau in the Strand where he was employed they did not require him to solve mysteries which had baffled the police He had never measured a footprint in his life and what he did not know about bloodstains would have filled a library The sort of job they gave Henry was to stand outside a restaurant

in the rain and note what time someone inside left it In short it is not Pifield Rice Investigator No 1 The Adventure of the Maharajah s Ruby that I submit to your notice but the unsensational doings of a quite commonplace young man variously known to his comrades at the Bureau as Fathead That blighter what s his name and Here you Henry lived in a boarding house in Guildford Street One day a new girl came to the boarding house and sat next to Henry at meals Her name was Alice Weston She was small and quiet and rather pretty They got on splendidly Their conversation at first confined to the weather and the moving pictures rapidly became more intimate Henry was surprised to find that she was on the stage in the chorus Previous chorus girls at the boarding house had been of a more pronounced type good girls but noisy and apt to wear beauty spots Alice Weston was different I m rehearsing at present she said I m going out on tour next month in The Girl From Brighton What do you do Mr Rice Henry paused for a moment before replying He knew how sensational he was going to be I m a detective Usually when he told girls his profession squeaks of amazed admiration greeted him Now he was chagrined to perceive in the brown eyes that met his distinct disapproval What s the matter he said a little anxiously for even at this early stage in their acquaintance he was conscious of a strong desire to win her approval Don t you like detectives I don t know Somehow I shouldn t have thought you were one This restored Henry s equanimity somewhat Naturally a detective does not want to look like a detective and give the whole thing away right at the start I think you won t be offended Go on I ve always looked on it as rather a sneaky job Sneaky moaned Henry Well creeping about spying on people Henry was appalled She had defined his own trade to a nicety There might be detectives whose work was above this reproach but he was a confirmed creeper and he knew it It wasn t his fault The boss told him to creep and he crept If he declined to creep he would be sacked instanter It was hard and yet he felt the sting of her words and in his bosom the first seeds of dissatisfaction with his occupation took root You might have thought that this frankness on the girl s part would have kept Henry from falling in love with her Certainly the dignified thing would have been to change his seat at table and take his meals next to someone who appreciated the romance of detective work a little more But no he remained where he was and presently Cupid who never shoots with a surer aim than through the steam of boarding house hash sniped him where he sat He proposed to Alice Weston She refused him It s not because I m not fond of you I think you re the nicest man I ever met A good deal of assiduous attention had enabled Henry to win this place in her affections He had worked patiently and well before actually putting his fortune to the test I d marry you tomorrow if things were different But I m on the stage and I mean to stick there Most of the girls want to get off it but not me And one thing I ll never do is marry someone who isn t in the profession My sister Genevieve did and look what happened to her She married a commercial traveller and take it from me he travelled She never saw him for more than five minutes in the year except when he was selling gent s hosiery in the same town where she was doing her refined speciality and then he d just wave his hand and whiz by and start travelling again My husband has got to be close by where I can see him I m sorry Henry but I know I m right
