

A dramatic, low-angle shot of a person's foot, clad in a brown sandal, stepping down onto a blue and white striped snake on a sandy, rocky ground. The scene is set in a desert-like environment with warm, golden light. The text is overlaid in the upper half of the image.

**BEHOLD, I GIVE UNTO YOU
POWER TO TREAD ON
SERPENTS AND SCORPIONS,
AND OVER ALL THE POWER
OF THE ENEMY: AND
NOTHING SHALL BY ANY
MEANS HURT YOU.**

House of Commons,1911 *The Oxford Handbook of Australian Politics* Jenny M. Lewis,Anne Tiernan,2021-10-20 The Oxford Handbook of Australian Politics is a comprehensive collection that considers Australia s distinctive politics both ancient and modern at all levels and across many themes It examines the factors that make Australian politics unique and interesting while firmly placing these in the context of the nation s Indigenous and imported heritage and global engagement The book presents an account of Australian politics that recognizes and celebrates its inherent diversity by taking a thematic approach in six parts The first theme addresses Australia s unique inheritances examining the development of its political culture in relation to the arrival of British colonists and their conflicts with First Nations peoples as well as the resulting geopolitics The second theme improvization focuses on Australia s political institutions and how they have evolved Place making is then considered to assess how geography distance Indigenous presence and migration shape Australian politics Recurrent dilemmas centres on a range of complex political problems and their influence on contemporary political practice Politics policy and public administration covers how Australia has been a world leader in some respects and a laggard in others when dealing with important policy challenges The final theme studying Australian politics introduces some key areas in the study of Australian politics and identifies the strengths and shortcomings of the discipline The Oxford Handbook of Australian Politics is an opportunity for others to consider the nation s unique politics from the perspective of leading and emerging scholars and to gain a strong sense of its imperfections its enduring challenges and its strengths **Israel and the Covenants in New Testament Times** Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is

therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
