Spring Night:

The Road to Komatsubara Steven D. Carter, 2020-05-11 Carter attempts to reconstruct the classical reading of renga linked verse using extant rulebooks from the time approximating in every way possible the manner in which it was read in its own time and place The result is a rare glimpse into the literary consciousness of the medieval Japanese that seems paradoxically modern in its insistence on the final indeterminacy of poetic meaning Includes a full translation of the 1501 rulebook along with an annotated translation of a solo renga sequence composed in 1492 by Sh haku s teacher and mentor S gi

The Sarashina Diary Sugawara no Takasue no Musume, 2014-07-22 A thousand years ago a young Japanese girl embarked on a journey from the wild East Country to the capital She began a diary that she would continue to write for the next forty years and compile later in life bringing lasting prestige to her family Some aspects of the author's life and text seem curiously modern She married at age thirty three and identified herself as a reader and writer more than as a wife and mother Enthralled by romantic fiction she wrote extensively about the disillusioning blows that reality can deal to fantasy The Sarashina Diary is a portrait of the writer as reader and an exploration of the power of reading to shape one's expectations and aspirations As a person and an author this writer presages the medieval era in Japan with her deep concern for Buddhist belief and practice Her narrative's main thread follows a trajectory from youthful infatuation with romantic fantasy to the disillusionment of age and concern for the afterlife yet at the same time many passages erase the dichotomy between literary illusion and spiritual truth This new translation captures the lyrical richness of the original text while revealing its subtle structure and ironic meaning The introduction highlights the poetry in the Sarashina Diary and the juxtaposition of poetic passages and narrative prose which brings meta meanings into play The translators commentary offers insight into the author's family and world as well as the fascinating textual legacy of her work

Herself an Author Grace S. Fong, 2008-05-08 Grace Fong has written a wonderful history of female writers participation in the elite conventions of Chinese poetics Fong's recovery of many of these poets her able exegesis and elegant analytical grasp of what the poets were doing is a great read and her bilingual presentation of their poetry gives the book additional power This is a persuasive and elegant study Tani Barlow author of The Question of Women in Chinese Feminism In this quietly authoritative book Grace Fong has brought a group of women poets back to life Previously ignored by scholars because of their marginal status or the inaccessibility of their works these remarkable writers now speak to us about the sensualities pains satisfactions and sadness of being a woman in a patriarchal society Professor Fong a superb translator of Chinese poetry prose and criticism has rendered the works of these women in a way that is true both to our theoretical concerns and theirs Dorothy Ko author of Cinderella's Sisters A Revisionist History of Footbinding Professor Fong approaches the poetry of Ming Qing upper class women as a social cultural activity that allowed these women to manifest their agency and assert their own subjectivity against the background of virtual and actual networks of fellow female poets As the distillation of more than ten years of research by one of the leading scholars in this field this work is a timely contribution that eminently deserves our attention Given the inclusion of translations of some of the texts discussed the book provides a comprehensive introduction to the

reading of women's poetry of the Ming Qing period Wilt Idema Harvard University Herself an Author addresses the critical question of how to approach the study of women's writing It explores various methods of engaging in a meaningful way with a rich corpus of poetry and prose written by women of the late Ming and Qing periods much of it rediscovered by the author in rare book collections in China and the United States The volume treats different genres of writing and includes translations of texts that are made available for the first time in English Among the works considered are the life long poetic record of Gan Lirou the lyrical travel journal kept by Wang Fengxian and the erotic poetry of the concubine Shen Cai Taking the view that gentry women's varied textual production was a form of cultural practice Grace Fong examines women's autobiographical poetry collections travel writings and critical discourse on the subject of women's poetry offering fresh insights on women's intervention into the dominant male literary tradition The wealth of texts translated and discussed here include fascinating documents written by concubines women who occupied a subordinate position in the family and social system Fong adopts the notion of agency as a theoretical focus to investigate forms of subjectivity and enactments of subject positions in the intersection between textual practice and social inscription Her reading of the life and work of women writers reveals surprising instances and modes of self empowerment within the gender constraints of Confucian orthodoxy Fong argues that literate women in late imperial China used writing and reading to create literary and social communities transcend temporal spatial and social limitations and represent themselves as the authors of their own life histories

The Selected Poems of Tu Fu Tu Fu, David Hinton, 1989-06-17 For over a millennium Chinese literati have almost unanimously considered Tu Fu 712-770 A.D. to be their greatest poet Tu Fu radically altered poetry as he found it in the High Tang period In addition to making formal innovations in language and structure he extended the range of acceptable subject matter to include all aspects of public and private experience thus becoming in the words of translator David Hinton the first complete poetic sensibility in Chinese literature This edition of *The Selected Poems of Tu Fu* is the only comprehensive selection of the poet's work currently available in English While retaining a scholar's devotion to the text Hinton has attempted to recreate Tu Fu's poems as new systems of uncertainty By reflecting all the ambiguity and density of the originals he has created compelling English poems that significantly alter our conception of Chinese poetry Included with the poems are the translator's introduction and translation principles as well as a biography of Tu Fu together these provide a fascinating portrait of a uniquely sensitive spirit during one of the most tumultuous periods in Chinese history
