*Memoir of the Life and Public Services of Sir Thomas Stamford Raffles* Sophia Raffles, 2013-09-05 During his last voyage back to England the ship of Sir Thomas Stamford Raffles 1781 1826 caught fire consuming many of the papers from which future biographers might have worked When he died two years later the task of sifting through the surviving materials and recording his life and career fell to his widow Sophia 1786 1858 Her substantial biography first published in 1830 remains an essential source of information about one of the key figures of British colonialism in the East Indies At the centre of the book interspersed with many of her husband s letters is Raffles struggle against his Dutch opponents with whom he clashed on ideological grounds he noted with distaste their mistreatment of the local population and their advocacy of slavery It was this rivalry which convinced Raffles to found Singapore as a trading post His two volume *History of Java* 1817 is also reissued in this series
