the impact this failure can have on God's people and what it means to model godly leadership even today In this accessible commentary John Woodhouse shows how 1 Samuel reveals the importance of true leadership and the character of the godly leader More significantly this volume points forward to Jesus Christ the fulfillment of God's promises to his people and the only perfect leader the world has ever known Those who preach and teach God's Word will find this an invaluable resource as they seek to help others embrace 1 Samuel s timely message Part of the Preaching the Word series Michael J. Gorman, 2021-07-27 When it was first published in 2001 Cruciformity broke new ground with a vision of Pauline spirituality that illuminated what it meant to be a person or community in Christ Beginning with Paul's express desire to know nothing but Christ crucified Gorman showed how true spirituality is telling the story in both life and words of God's self revelation in Jesus so that we might practice cruciformity the impossible possibility of conformity to the crucified Christ Two decades later Gorman's seminal work is still a powerful model for combining biblical studies and theological reflection to make Paul's letters more immediately relevant to contemporary Christian life This twentieth anniversary edition includes a new foreword by Nijay Gupta a next generation Pauline scholar heavily influenced by Gorman as well as an afterword by the author in which he reflects on the legacy of Cruciformity in the church and the academy including his own subsequent work Only Love Creates Fabio Rosini, 2019-01-01 This collection draws heavily from the core devotional in Pauline theology strain in Miller's poetry offering what novelist Fenton Johnson described in his review of Iron Wheel as the vision and experience of that place where dark merges seamlessly into light the house and home of grace unasked for and perhaps undeserved but transformative all the same Framed by meditations on the beginnings and possible post human ends of culture the new poems reflect on the callings and limits of art in responding to desire history mortality and injustice Set in the American South Wales France the Czech Republic and Sudan the poems address and invoke the divine Resilience Tod Bolsinger, 2020-11-10 What type of leadership is needed in a moment that demands adaptive change Exploring the qualities of adaptive leadership within churches and nonprofit organizations Tod Bolsinger deftly examines both the external challenges we face and the internal resistance that holds us back showing how leaders can become both stronger The High Place Timothy J. McAlpin, 2025-08-25 This is a daily devotional that captures stories that have and more flexible a spiritual significance These stories are compelling and deeply insightful that introduces you to the spiritual world around We Rejoice in Our Sufferings Tom Kingery, 2020-12-10 We Rejoice in Our you and how God is active in our lives Sufferings is based on Romans 5 1 5 It explores the passage in depth but the primary focus is on suffering trials and tribulations and why we can rejoice in spite of them Quoting Scripture the author notes Suffering produces endurance endurance produces character and character produces hope And hope does not disappoint us Romans 5 3 5 Tom Kingery a retired United Methodist pastor urges you to think about how you have suffered There are many types of pain many kinds of trouble and many times when we want to sing the blues However if we learn to endure by God's grace we can gain not only a
