Spoilsports Celia Brackenridge,2002-08-26 Sexual exploitation in sport is a problem that has beset both male and female athletes privately for decades but which has only recently emerged as a public issue *Spoilsports* is the first comprehensive review of this issue integrating pioneering academic research theoretical perspectives and practical guidelines for performers coaches administrators and policy makers Key topics include moral panic children s rights masculinity and power making and implementing policy leadership in sport *Spoilsports* draws extensively on the personal experiences of athletes and those involved in sport Challenging and controversial this book represents an important step towards tackling a difficult issue It is essential reading for coaches athletes parents policy makers and all those with a personal or professional interest in sport **The Next Wave** Susan Coleman,Alicia M. Robb,2016-09-07 You may be familiar with the success stories of

Spanx GoldieBlox and other women owned businesses that have taken their markets by storm But today only two percent of women owned firms generate more than one million dollars annually The Next Wave is here to help women drive up that number Drawing on the Kauffman Firm Survey and many other sources Susan Coleman and Alicia M Robb cull together data driven advice for women owned growth oriented businesses as they finance their expansion They not only consider the unique approaches and specific concerns of female business owners but also take into account the growing pool of investors who will play a role in selecting and grooming a new generation of women entrepreneurs Since growth oriented firms typically require external capital the investor perspective is critical Telling entrepreneurs what the research means for them outfitting them with resources and illustrating the road ahead with real world cases this book serves as a pioneering strategy guide for the next wave of women who want to go big to bring home their goals Breaking Through the Glass Ceilings Lesley Abdela,1991 **Training and Development for Women** Beryl Morris,1993 Training and development for women has been one of the growth areas of the 1980s Recent campaigns such as Opportunity 2000 plus the appearance of numerous courses training materials and self teaching packs all aim to raise awareness of the contribution that women make to work and the economy This Library Training Guide explores the reasons for this upsurge of interest and looks at demographic changes the skills shortage and the development of positive action approaches to encourage women to return to and contribute more at work
