The Arab Spring Carlo Panara, Gary Wilson, 2013-01-09 This edited volume explores some of the key international law issues to have arisen from the events which comprised the Arab Spring

King and Court in Ancient Persia 559 to 331 BCE Lloyd Llewellyn-Jones, 2014-02-14 This book explores the representation of Persian monarchy and the court of the Achaemenid Great Kings from the point of view of the ancient Iranians themselves and through the sometimes distorted prism of Classical authors

From Babylon to Eternity Bob Becking, Alex Cannegieter, Wilfred van der Poll, 2016-04-08 First Published in 2014 Generally readers have a negative idea of the Exile Psalm 137 has fuelled the idea that this was a time of sorrow and despair This image of the Exile influenced for instance Luther's ideas on the Babylonian Captivity of the Church The four essays in this volume deconstruct and reconstruct this image Bob Becking tries to recreate a history of the Exile On the basis of the available evidence this could be no more than a fragmented history nevertheless showing that the fate of the exiles was not as bad as often supposed Anne Mareike Wetter reveals that the biblical image of exile is multifaceted She shows how a tradition of a people tied to their God given land was challenged by the reality of foreign occupation And how that people eventually succeeded in translating this experience appropriating it through a transformation into a counter tradition that enabled them to cope with the new situation without breaking entirely with their cultural and religious heritage Jewish ideas on exile are discussed by Wilfred van de Poll He concentrates on the use of the concept of galut which refers to the paradigmatic and identity shaping function of the dispersion of the people of Israel and showed that the Exile in Jewish thinking had become a permanent reality up until the present day From the perspective of intertextual reading Alex Cannegieter discusses four texts of varying ages and background Augustine Petrarch Luther and a Dutch sermon held after the end of the Second World War She explores the ways authors chose biblical texts to appropriate them a new context thereby changing the meaning of the new as well as the source texts

The History of Science and Technology in the Spring and Autumn Period and the Warring States Period Li Shi, The book is the volume of The History of Science and Technology in the Spring and Autumn Period and the Warring States Period among a series of books of Deep into China Histories The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually

splintered into smaller states during the Spring and Autumn period. These states became independent and warred with one another in the following Warring States period. Much of traditional Chinese culture, literature, and philosophy first developed during those troubled times. In 221 BC, Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin, marking the beginning of imperial China. However, the oppressive government fell soon after his death and was supplanted by the longer-lived Han dynasty. From 206 BC to 220 AD, successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly. In the 21 centuries from 206 BC until AD 1912, routine administrative tasks were handled by a special elite of scholar-officials. Young men well-versed in calligraphy, history, literature, and philosophy were carefully selected through difficult government examinations. China's last dynasty was the Qing, 1644-1912, which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949. Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood, the most recent being the Chinese Civil War, 1927-1949. China was occasionally dominated by steppe peoples, most of whom were eventually assimilated into the Han Chinese culture and population. Between eras of multiple kingdoms and warlordism, Chinese dynasties have ruled parts or all of China; in some eras, control stretched as far as Xinjiang and Tibet, as at present. Traditional culture and influences from other parts of Asia and the Western world, carried by waves of immigration, cultural assimilation, expansion, and foreign contact, form the basis of the modern culture of China. *The Well-spring*, 1848

Santa-Tizing Robin Main, 2008-12. Throw away the template for Christmas books and come walk on the kingdom side in an examination of America's most loved holiday. Critical thinking is a must while looking through this lens of history and Scripture. You will be intrigued and enlightened. What's wrong with Christmas? Plenty. This book shines light on various troubling issues involved in celebrating a Christian Christmas. How to clean it up? This will be determined by you and your family. Since we have an abundance of traditions, memories, and reasons to stay just the way we are, Santa-tizing will primarily explore the opposite. Know that in God's kingdom, no person is forced to do anything against their will. From the depths of her heart, Robin Main declared, "Here I am, Lord. Do what You will," and thus began a prophetic journey into the intensity of God's heart. Robin has been sequestered with the Lord for the past ten years. Like an archeologist, she has been led to sift through the sands of time to discover various mysteries in relation to some divine messages she received during three epiphanous appearances. Robin's life ambition is to love the Lord with all her heart, all her soul, and all her strength, and her neighbor as herself.
