Songs Of Bilitis:

The Songs of Bilitis Pierre Louÿs, 1904 *The Songs of Bilitis* Pierre Louÿs, 1928* *The Songs of Bilitis, Translated from the Greek* Pierre Louÿs, 1919 *The Songs of Bilitis* Pierre Louÿs, 2020-02-07 The Songs of Bilitis is a collection of erotic essentially lesbian poetry by Pierre Louÿs published in Paris in 1894 Since Louÿs claimed that he had translated the original poetry from Ancient Greek this work is considered a pseudotranslation **The Songs of Bilitis, Tr. from the Greek; Put Into English from the French of Pierre Louÿs by Horace Manchester Brown. Ed. de Grand Luxe London and New York, Priv. Print. for Members of the Aldus Society** Pierre Louÿs, 1904 **The Songs of Bilitis** Bilitis, Pierre Louÿs, H. E. A., F. E. R., 19?? **The Songs of Bilitis** Pierre Louÿs, 2017-12-06 Excerpt from *The Songs of Bilitis Translated From the Greek Put Into English From the French* Notwithstanding the weighty argument and the learned polemics of the distinguished professor in Göttingen who in 1896 took up arms in learned protest against this collection of pictures of ancient Greek life told in exquisitely beautiful modern French and who sought with it as a text to bring forward an unnecessary defence of the character of that wonderful priestess and inspiratrice Sappho the translator has felt that such a protest and such a defence were unnecessary and has believed that the beauty of the pictures presented by many of the songs is sufficient excuse for their existence in spite of the marked aversion of sexualism that detracts from while it does not embellish the idea sought to be presented The most enthusiastic defender of the ancients is bound to admit that the pure sexualism and the various forms of sexual degeneracy described in these poems do not furnish an overdrawn picture of the social conditions among the Greeks at the period described and while there is always a grave question for moralists and regulators of social ethics concerning the advisability of informing the public as to the facts in this respect the translator believes that public education has so tempered the minds of the majority of the people of this country that a book of this character can safely be placed in their hands without harm to individuals and without producing any general perversion of public morals or of public conduct About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Songs of Bilitis** Pierre Louÿs, 1988 **The Songs of Bilitis** Pierre Louÿs, 2022 *The Songs of Bilitis* Pierre Louÿs, 2016-07-30 First published in Paris in 1894 this purports to be translations of poems by a woman named Bilitis a contemporary and acquaintance of Sappho However Bilitis never existed The poems were a clever forgery by Pierre Louÿs the translator to lend weight he had even included a bibliography with bogus supporting works and fabricated an entire section of his book called *The Life of Bilitis* Louÿs actually did have a good command of the classics and

he salted Bilitis with a number of quotations from real poets including Sappho to make it even more convincing When the fraud was exposed it did little however to taint their literary value in readers eyes and Louys open and sympathetic celebration of lesbian sexuality earned him sensation and historic significance [Song](#) Carol Kimball,2006-12 Naslagwerk van de liedkunst en de literatuur hierover **The Songs of Bilitis, Tr. from the Greek** Pierre Louys,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1904 edition Excerpt of its mother Tremble Thrill Sweet one my kisses reach far and should satisfy thy love Lightly will I touch thy breasts and arms with my tongue and lips and behind thine ears and upon thy neck I will leave the marks of my kisses and while I kiss thee my hands shall stray in mad delight over the ivory nakedness of thy sensitive body trembling under the touch of my nails Listen Mnasidika Hear the murmuring of my love in thine ears like the wild humming of the sea Mnasidika thy look drives me mad I will close thy burning eyes with a kiss as if they were thy lips JEALOUS THOUGHTS HOU needst not dress thine hair for fear lest the hot iron scorch thy neck or burn thy black locks Thou shouldst let it hang upon thy shoulders and spread out over the length of thine arms Thou needst not dress thyself lest thy close girdle should redden the folds of the skin over thy hips Better shouldst thou rest naked like a little girl It is not even best that thou shouldst rise for fear that thy delicate feet should be bruised in walking Thou shouldst repose in thy bed oh victim of Eros and I will dress thy poor wound For I could not bear to see upon thy body other marks Mnasidika than the purple of a kiss too long prolonged the trace of a sharp nail or the reddening line of my passionate embrace THE DESPAIRING EMBRACE OVE me not with smiles or with flutes or with the plaited flowers but with thy heart and with thy tears even as I love thee with my sorrowing breast and my moans When thy breasts alternate with my breasts when I feel thy life touch my life when thy knees stand up behind me then my panting mouth knows not more how to join itself to thine Press me to thee as I press thee to me See the lamp has died **The Songs of Bilitis, Tr. from the Greek** Pierre Louys,2015-11-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [Some](#) [Songs of Bilitis](#) Sydney Fowler Wright,1921 *The Songs of Bilitis - Scholar's Choice Edition* Pierre Louys,2015-02-17 This

The Cambridge Companion to Debussy Simon Trezise, 2003-06-19 Often considered the father of twentieth century music Debussy was a visionary whose influence is still felt This book offers a wide ranging series of essays on Debussy the man the musician and composer It contains insights into his character his relationship to his Parisian environment and his musical works across all genres with challenging views on the roles of nature and eroticism in his life and music His music is considered through the characteristic themes of sonority rhythm tonality and form with closing chapters considering the performance and reception of his music in the first years of the new century and our view of Debussy today as a major force in Western culture This comprehensive view of Debussy is written by a team of specialists for students and informed music lovers *The Songs of Bilitis* Pierre Louÿs, 2020-05-30 First presented as miraculously rediscovered Greek erotic poetry the Songs of Bilitis were in fact the work of French author Pierre Louÿs nevertheless they were acclaimed for their sensual style and beauty The frank depictions of lesbianism in the context of classical Greece were a marriage of two trends popular in late 19th century France Homosexuality in literature was a novel subject hitherto considered tantalizing and taboo while the artistic and aesthetic culture of antiquity received homage from several realms of creativity Louÿs offers a frank presentation of a lesbian couple in Greece embarking on a journey of sexual discovery and enjoyment tempered by the traumatic experiences of Bilitis Through her sexuality Bilitis is shown to mature emotionally her lesbianism proving a catalyst for physical and mental change The transience of love and sexual experience the wisdom gained from her indulgence and the emotive depth of passion longing and eventual estrangement construct the essence of Louÿs personal expressive growth Popular with audiences and the lesbian community for decades this 1926 English edition of the Songs of Bilitis contains 30
