

Antigone

Sophocles

Revised & Updated Edition

Sophocles Antigone A New Version

Robert J. Forman

Sophocles Antigone A New Version:

Sophocles' Antigone Brendan Kennelly, 1996 After the death of Oedipus his sons turn on each other When both are killed the inflexible Creon becomes King of Thebes While the loyal Eteocles is buried with due honour Creon orders that the body of his rebellious brother Polyneices should be left to rot But his sister Antigone refuses to let this happen Sophocles great play dramatises the resulting conflict a battle of wills which leads to inevitable tragedy Antigone was a set text on the new Leaving Certificate syllabus in Ireland This edition includes short essays by Brendan Kennelly Terence Brown and Kathleen McCracken This edition is now out of print but it is included in full in *When Then Is Now Three Greek Tragedies*

Sophocles' Antigone ,2011-04-18 Sophocles Antigone comes alive in this new translation that will be useful for academic study and stage production Diane Rayor's accurate yet accessible translation reflects the play's inherent theatricality She provides an analytical introduction and comprehensive notes and the edition includes an essay by director Karen Libman Antigone begins after Oedipus and Jocasta's sons have killed each other in battle over the kingship The new king Kreon decrees that the brother who attacked with a foreign army remain unburied and promises death to anyone who defies him The play centers on Antigone's refusal to obey Kreon's law and Kreon's refusal to allow her brother's burial Each acts on principle colored by gender personality and family history Antigone poses a conflict between passionate characters whose extreme stances leave no room for compromise The highly charged struggle between the individual and the state has powerful implications for ethical and political situations today

Sophocles' Antigone ,2011-04-18 Sophocles Antigone comes alive in this new translation that will be useful for both academic study and stage production Diane Rayor's accurate yet accessible translation reflects the play's inherent theatricality She provides an analytical introduction and comprehensive notes and the edition includes an essay by director Karen Libman Antigone begins after Oedipus and Jocasta's sons have killed each other in a battle over the kingship The new king Kreon decrees that the brother who attacked with a foreign army remain unburied and promises death to anyone who defies him The play centers on Antigone's refusal to obey Kreon's law and Kreon's refusal to allow her brother's burial Each acts on principle colored by gender personality and family history Antigone poses a conflict between passionate characters whose extreme stances leave no room for compromise The highly charged struggle between the individual and the state has powerful implications for ethical and political situations today

Antigone Sophocles, 2023-03-15 Murnaghan has rendered Sophocles notoriously thorny verse into a text that pulsates with intimacy and immediacy without sacrificing power and nuance creating a translation that will remain fresh for a very long time The accompanying material is so thoughtfully curated that the volume as a whole serves as a full introductory course to this extraordinary play and its outsized cultural impact Ella Haselswerdt University of California Los Angeles

Antigone Sophocles, 1998-10-01 One of the greatest most moving of all tragedies Antigone continues to have meaning for us because of its depiction of the struggle between individual conscience and state policy and its delicate probing of the

nature of human suffering Mr Rudall's splendid translation brings a new power and speakability to Sophocles' prose

Antigone Sophocles, 2012-08-07 The most celebrated plays of ancient Athens Sophocles's seven surviving works in vivid and dynamic new translations ANTIGONE translated by award winning poet Robert Bagg is one of seven plays Harper Perennial has published as beautifully designed stand alone editions Powerfully portraying the clash between civic and familial duty between morality and obedience Antigone brings the Oedipus Cycle to a conclusion with the story of the tragic hero's eldest daughter Antigone who courts her own death by defying the edict of Thebes's new ruler her uncle Kreon which forbids giving her dishonored brother a proper burial This is Sophocles vibrant and alive for a new generation **Antigone** Sophocles, 1990-02-01 Based on the conviction that only translators who write poetry themselves can properly recreate the celebrated and timeless tragedies of Aeschylus Sophocles and Euripides the Greek Tragedy in New Translations series offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals The series seeks to recover the entire extant corpus of Greek tragedy quite as though the ancient tragedians wrote in the English of our own time Under the editorship of Peter Burian and Alan Shapiro each of these volumes includes a critical introduction commentary on the text full stage directions and a glossary of the mythical and geographical references in the plays This finely tuned translation of Sophocles Antigone by Richard Emil Braun both a distinguished poet and a professional scholar critic offers in lean sinewy verse and lyrics of unusual intensity an interpretation informed by exemplary scholarship and critical insight Braun presents an Antigone not marred by excessive sentimentality or pietistic attitudes His translation underscores the extraordinary structural symmetry and beauty of Sophocles' design by focusing on the balanced and harmonious view of tragically opposed wills that makes the play so moving Unlike the traditionally gentle and pious protagonist opposed to a brutal and villainous Creon Braun's Antigone emerges as a true Sophoclean heroine with all the harshness and even hubris as well as pathos and beauty that Sophoclean heroism requires Braun also reveals a Creon as stubbornly principled as Antigone instead of simply the arrogant tyrant of conventional interpretations *Found in Translation* J. Michael Walton, 2006-07-06 In considering the practice and theory of translating Classical Greek plays into English from a theatrical perspective *Found in Translation* first published in 2006 also addresses the wider issues of transferring any piece of theatre from a source into a target language The history of translating classical tragedy and comedy here fully investigated demonstrates how through the ages translators have wittingly or unwittingly appropriated Greek plays and made them reflect socio political concerns of their own era Chapters are devoted to topics including verse and prose mask and non verbal language stage directions and subtext and translating the comic Among the plays discussed as case studies are Aeschylus Agamemnon Sophocles Oedipus Tyrannus and Euripides Medea and Alcestis The book concludes with a consideration of the boundaries between translation and adaptation followed by an appendix of every translation of Greek tragedy and comedy into English from the 1550s to the present day The Oxford Guide to Literature in English Translation

Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more. In the English speaking cultures many of the most important texts are translations from Homer to Beckett, the Bible to Freud. Although recent years have seen a boom in translation studies, there has been no comprehensive yet convenient guide to this essential element of literature in English. Written by eminent scholars from many countries, the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature. It highlights the place of translation in our culture, encouraging awareness of the issues raised, making the translator more visible. Concentrating on major writers and works, it covers translations out of many languages from Greek to Korean, from Swahili to Russian. For some works, e.g. Virgil's Aeneid, which have been much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available. The Guide is divided into two parts. Part I contains substantial essays on theoretical questions, a pioneering outline of the history of translation into English, and discussions of the problems raised by specific types of text, e.g. poetry, oral literature. The second, much longer part consists of entries grouped by language of origin; some are devoted to individual texts, e.g. the Thousand and One Nights, or writers, e.g. Ibsen, Proust, but the majority offer a critical overview of a genre, e.g. Chinese poetry, Spanish Golden Age drama, or of a national literature, e.g. Hungarian, Scottish Gaelic. There is a selective bibliography for each entry and an index of authors and translators.

The Living Art of Greek Tragedy Marianne McDonald, 2003-07-18
Marianne McDonald brings together her training as a scholar of classical Greek with her vast experience in theatre and drama to help students of the classics and of theatre learn about the living performance tradition of Greek tragedy. *The Living Art of Greek Tragedy* is indispensable for anyone interested in performing Greek drama, and McDonald's engaging descriptions offer the necessary background to all those who desire to know more about the ancient world. With a chapter on each of the three major Greek tragedians, Aeschylus, Sophocles, and Euripides, McDonald provides a balance of textual analysis, practical knowledge of the theatre, and an experienced look at the difficulties and accomplishments of theatrical performances. She shows how ancient Greek tragedy, long a part of the standard repertoire of theatre companies throughout the world, remains fresh and alive for contemporary audiences.

Republic of Noise Diana Senechal, 2012 In this book Diana Senechal confronts a culture that has come to depend on instant updates and communication at the expense of solitude. Schools today emphasize rapid group work and fragmented activity, not the thoughtful study of complex subjects. The Internet offers contact with others throughout the day and night; we lose the ability to be apart, even in our minds. Yet solitude plays an essential role in literature, education, democracy, relationships, and matters of conscience. Throughout its analyses and argument, the book calls not for drastic changes but for a subtle shift in attitude that honors solitude without descending into dogma.

Dramatists, Translated Into Lyric Metres by English Poets and Scholars Alfred William Pollard, 1890 Birth, Death, and Femininity Robin May Schott, 2010-10-25 Issues surrounding birth and death have been fundamental for Western philosophy as well as for individual existence The contributors to this volume unravel the gendered aspects of the classical philosophical discourses on death bringing in discussions about birth creativity and the entire chain of human activity By linking their work to major thinkers such as Heidegger Nietzsche Beauvoir and Arendt and to major philosophical currents such as ancient philosophy existentialism phenomenology and social and political philosophy they challenge prevailing feminist articulations of birth and death These philosophical reflections add an important sexual dimension to current thinking on identity temporality and community **Classified List** Princeton University. Library, 1920 2000-2999, Language and literature Princeton University. Library, 1920 **Classical Greek and Roman Drama** Robert J. Forman, 1989 An essential companion for the student of literature Works selected include the best known works of the classical Greek and Roman theatre

Translating Classical Plays J. Michael Walton, 2016-04-14 Translating Classical Plays is a selection of edited papers by J Michael Walton published and delivered between 1997 and 2014 Of the four sections each with a new introduction the first two cover the history of translating classical drama into English and specific issues relating to translation for stage performance The latter two are concerned with the three Greek tragedians and the Greek and Roman writers of old and new comedy ending with the hitherto unpublished text of a Platform Lecture given at the National Theatre in London comparing the plays of Plautus with Sondheim's *A Funny Thing Happened on the Way to the Forum* The volume is an invaluable resource for anyone involved in staging or translating classical drama **Antigone on the Contemporary World Stage** Erin B. Mee, Helene P. Foley, 2011-06-16 Sophocles *Antigone* has been staged all over the world and many of these productions have reconceived and remade the play to address local issues and concerns This collection of essays explores the play's reception in numerous countries as diverse as The Congo and Australia Argentina and Japan *Intertextual Weaving in the Work of Linda Lê* Alexandra Kurmann, 2016-01-14 Intertextual Weaving in the Work of Linda L Imagining the Ideal Reader uncovers the primary textual relationship that Linda L 1963 the most prolific Francophone author of the Vietnamese diaspora fosters with a literary precursor of Austrian descent the feminist writer in exile Ingeborg Bachmann 1926 1973 This study offers an overdue exploration of the notably European roots of L's writerly formation It traces an unexamined feminist import in her work to a sixteen year inter and intra textual engagement with Bachmann and positions the latter as an imagined ideal reader of L's oeuvre Intertextual analyses of Bachmann's post war novel *Malina* with L's literary essays early fiction and trilogy reveal that to overcome the challenges of writing in exile L adopts an alternative literary forebear of the European tradition

Sophocles Antigone A New Version Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sophocles Antigone A New Version has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sophocles Antigone A New Version has opened up a world of possibilities. Downloading Sophocles Antigone A New Version provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sophocles Antigone A New Version has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sophocles Antigone A New Version. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sophocles Antigone A New Version. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sophocles Antigone A New Version, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sophocles Antigone A New Version has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Sophocles Antigone A New Version Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sophocles Antigone A New Version is one of the best book in our library for free trial. We provide copy of Sophocles Antigone A New Version in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sophocles Antigone A New Version. Where to download Sophocles Antigone A New Version online for free? Are you looking for Sophocles Antigone A New Version PDF? This is definitely going to save you time and cash in something you should think about.
