The Haymarket Square Riot Trial Bryna J. Fireside,2002 Explores a dark incident in American history and illustrates that the rights of working people that we take for granted today did not come without effort It also explains how biased judges juries and the public can result in an unfair trial *The Terrorist Trial of the 1993 Bombing of the World Trade Center* Michael Pellowski,2003 Before the World Trade Center s Twin Towers fell on September 11 2001 they were the target of an earlier terrorist plot In 1993 terrorists drove a van filled with explosives into the Trade Center s underground parking garage In the blast that followed six people were killed and many more were injured In *The Terrorist Trial of the 1993 Bombing of the World Trade Center A Headline Court Case* author Michael J Pellowski describes this horrific event the worldwide manhunt for the killers and the controversial trial of the terrorists including mastermind Ramzi Yousef He explains the complicated legal historical and political issues involved in these events and he sheds light on the even more destructive events to come Book jacket *The Susan B. Anthony Women's Voting Rights Trial* Judy Monroe,2002 Examines the efforts to gain the right for women in the United States to vote focusing on the trial of Susan B Anthony for illegally voting in the presidential election in 1872 *The "Mississippi Burning" Civil Rights Murder Conspiracy Trial* Harvey Fireside,2002 Examines the trials of the men accused of murdering three civil rights workers in Mississippi in 1964 including the Supreme Court decision to try to defendants in a federal rather than a state court and the final verdicts which marked the first time in Mississippi that a jury convicted white men for killing African Americans or civil rights workers **Forthcoming Books** Rose Army,2002 *Children's Books in Print* R R Bowker Publishing,Bowker,1999-12 **El-Hi Textbooks & Serials in Print, 2005** ,2005 *American Book Publishing Record* ,2003 **School Library Journal** ,2002 *The Horn Book Guide to Children's and Young Adult Books* ,2003 *Children's Books in Print, 2007* ,2006 **Political Trials in History** Ron Christenson, Prepared in dictionary format this volume reexamines the uses of political trials Through the conduct and context of key trials throughout history the reader is made to understand an aspect of public life too easily misconstrued although never neglected the political side of litigation Most of the trials in this volume were significant enough to continue to shape our interpretation of the law long after the court made its judgment and all appeals were completed The dialogue they initiated may last for decades even for centuries Such trials provide us with an insight into the vital aspects of our public life the civilizing capacity of politics *The Press on Trial* Lloyd E. Chiasson,1997-08-28 Perhaps no drama catches the interest of the American public more than a spectacular trial Even though the reporting of a crime may quickly diminish in news value the trial lingers while drama builds Although this has become seemingly more pronounced in recent years with the popularity of televised trials public interest in criminal trials was just as high in 1735 when John Peter Zenger defended his right to free speech or in 1893 when Lizzie Borden was tried for the murder of her father and stepmother This book tells the stories of sixteen significant trials in American history and their media coverage from the Zenger trial in 1735 to the O J

Simpson trial in 1995 Each chapter relates the history of events leading up to the trial the people involved and how the crimes and subsequent trials were reported
