Cavaiola, Joseph E. Colford, 2017-10-24 Crisis Intervention takes into account various environments and populations across the lifespan to provide students with practical guidelines for managing crises Drawing on over 25 years of relevant experience authors Alan A Cavaiola and Joseph E Colford cover several different types of crises frequently encountered by professionals in medical school work and community settings Models for effectively managing these crises are presented along with the authors own step by step approach the Listen Assess Plan Commit LAPC model giving students the freedom to select a model that best fits their personal style or a given crisis Future mental health professionals will gain the knowledge skills and confidence to help their clients manage the crises they will encounter in their day to day lives Culture-Centered Counseling Interventions Paul Pedersen, 1997-03-11 Should culture play a central role in counseling What are the advantages of making culture central in the counseling process Can culture centered counseling strengthen the field of counseling Taking an active approach to breaking down cultural barriers Culture Centered Counseling Interventions recognizes culture as a barrier and brings a true understanding of culture into the therapeutic context Author Paul B Pedersen emphasizes that once counselors truly understand the culture of their patients cultural understanding can be used as a tool of accuracy indispensable to the practice of good counseling In this practical guide the culture centered process is modeled as a principal dimension in counseling Exercises and applications are included in each chapter of the book clearly demonstrating how the course might be taught In addition thought provoking culture notes are interspersed throughout the text and provide the reader with helpful insights and challenges Introducing the reader to specific ways of making culture central to counseling Culture Centered Counseling Interventions is the ideal resource for courses in clinical and counseling psychology multicultural and cross cultural psychology social work and nursing **Tuning the Rig** Fred Herron, 2010 To tune the rig describes adjusting a ship's rigging the rig of a well tuned boat allows the sails to function well This task must be performed to ensure the best performance by the ship Tuning the Rig takes that metaphor as a guide for Catholic educators and administrators as well as

for the larger church It argues from a variety of perspectives rooted in the Catholic imagination that the rig constantly needs to be re tuned to balance between visions of the church as teacher and learner Why should this matter to Catholic educators To Herron our understanding of the church as learner is at the heart of our understanding of ourselves as disciples One of the logical consequences of this era of baptismal consciousness is a rising awareness on the part of the laity that their task is not simply to pay pray and obey but to grow and journey in faith Herron s focus ranges from issues closely pertaining to Catholic schools to the larger questions of the Catholic imagination The underlying thread however is the challenge of maintaining the richness of the Catholic imagination of tuning the rig in changing times and the ordinary life of the church
