The Papers Of Andrew Johnson Vol 13 September 1867 March 1868:

The Papers of Andrew Johnson. Volume 13, September 1867 - March 1868 Leroy P. Graf,1983 The Papers of Andrew Johnson Andrew Johnson,Paul H. Bergeron,1967 The correspondence in this volume is related to Johnson's presidency during the Reconstruction Era including the president's impeachment and the subsequent trial which resulted in the Senate narrowly voting not to remove him from office **Andrew Johnson and Ulysses S. Grant** Garry Boulard,2022-09-15 In the spring of 1865 after the end of the Civil War and the assassination of Abraham Lincoln two men bestrode the national government as giants Andrew Johnson and Ulysses S Grant How these two men viewed what a post war America should look like would determine policy and politics for generations to come impacting the lives of millions of people North and South black and white While both Johnson and Grant initially shared similar views regarding the necessity of bringing the South back into the Union fold as expeditiously as possible their differences particularly regarding the fate of millions of recently freed African Americans would soon reveal an unbridgeable chasm Add to the mix that Johnson having served at every level of government in a career spanning four decades very much liked being President and wanted to be elected in his own right in 1868 at the same time that a massive move was underway to make Grant the next president during that same election and conflict and resentment between the two men became inevitable In fact competition between Johnson and Grant would soon evolved into a battle of personal destruction one lasting well beyond their White House years and representing one of the most all consuming and obsessive struggles between two presidents in U S history **Andrew Johnson** Garry Boulard,2021-04-05 Few presidents have been as eviscerated in history as Andrew Johnson who suddenly on a rainy morning in April of 1865 became the nation's new chief executive upon the assassination of Abraham Lincoln A man who rose from dire poverty through a sheer primal force of will Johnson was elected to every level of government always taking his case to the people in a remarkable if often chaotic career that included service as a state legislator member of Congress Governor of Tennessee U S Senator vice president and finally the presidency itself During the Civil War Johnson bravely stood up to Confederates his life repeatedly threatened serving at Lincoln's pleasure as the Military Governor of Tennessee and pushing for an end to slavery Yet he is the same man who upon succeeding Lincoln could not see his way clear to securing the full Constitutional rights for ex slaves Because of his endless fights and many confrontations Johnson's presidency has since been roundly condemned as one of the most disastrous in U S history Johnson notes Page Smith in his seminal People's History series put on full display a reckless and demonic spirit that drove him to excess to violence harsh words and actions He was thrust into a role that required tact flexibility and sensitivity to the nuance of public opinion qualities that Lincoln possessed in abundance but that Johnson lacked asserts historian Eric Foner He was an angry man notes David Stewart a chronicler of Johnson's impeachment trial and he was rigid and these were qualities that served him terribly as president Yet for all of the scholarly indictments of the 17th President indictments supported by a recent Siena

College Research Institute historians survey placing him at the bottom in overall performance Andrew Johnson challenges us as a singularly American story of triumph defeat and renewal a man who overcame the challenges of poverty class and alienation to reach the highest peaks of power in the country That drive was ironically most tellingly on display after Johnson left the White House denied even the opportunity of a party nomination for another term in office From the ashes of that loss Johnson methodically rose again winning election to the U S Senate and improbably returning to national prominence Andrew Johnson s renaissance coming 6 years after an unprecedented effort to impeach and remove him from the presidency represents one of the greatest comebacks in American political history and serves as a testament to a man who could never be totally defeated *The Confederate Yellow Fever Conspiracy* H. Leon Greene,2019-02-20 Defeat was looming for the South as the Civil War continued paths to possible victory were fast disappearing Dr Luke Pryor Blackburn a Confederate physician and expert in infectious diseases had an idea that might turn the tide he would risk his own life and career to bring a yellow fever epidemic to the North To carry out his mission he would need some accomplices Tracing the plans and movements of the conspirators this thoroughly researched history describes in detail the yellow fever plot of 1864 1865

Ulysses S. Grant Garry Boulard,2024-06-10 Tolling slowly tolling the alarm bells of all America sent to every heart this morning the news long expected and long dreaded that Ulysses S Grant was dead announced the Boston Globe on July 23 1885 just hours after the one time Commanding General of the U S Army and former President of the United States had passed on Taking note of the extraordinary tributes and declarations of love expressed by people in all regions of the country black and white as Grant endured a months long struggle with throat cancer the paper asserted that such praise had sweetened the draught from Death s chalice till all the bitterness of the deadly poison had passed away and it was but as drinking from the Holy Grail In this work Ulysses S Grant The Story of a Hero Garry Boulard chronicles the career of one of the most consequential figures in American history Rightly regarded as a great military commander whose skills and strategic vision combined to bring about the end of the Civil War thus also forever obliterating a slavery that had entrapped nearly 4 million people Grant would serve two controversial terms as president working assiduously to foster a regional and racial reconciliation of the country At the time of his death he had just completed his monumental two volume Personal Memoirs of U S Grant since praised by generations of historians and regarded as one of the most important works in all of American non fiction literature *The First Tycoon* T.J. Stiles,2010-04-20 NATIONAL BESTSELLER WINNER OF THE NATIONAL BOOK AWARD In this groundbreaking biography T J Stiles tells the dramatic story of Cornelius Commodore Vanderbilt the combative man and American icon who through his genius and force of will did more than perhaps any other individual to create modern capitalism Meticulously researched and elegantly written The First Tycoon describes an improbable life from Vanderbilt s humble birth during the presidency of George Washington to his death as one of the richest men in American history In between we see how the Commodore helped to launch the transportation revolution propel the

Gold Rush reshape Manhattan and invent the modern corporation Epic in its scope and success the life of Vanderbilt is also the story of the rise of America itself American Rule Jared Yates Sexton,2021-09-14 From writer and political analyst Jared Yates Sexton comes an eye opening journey through American history that unearths and debunks the myths we ve always told ourselves Recent years have brought a reckoning in America As rampant political corruption stark inequality and violent bigotry have come to the fore many have faced two vital questions How did we get here And how do we move forward An honest look at the past and how it s been covered up is the only way to find the answers Americans in power have abused and subjugated others since the nation s very beginning and myths of America s unique goodness have both enabled that injustice and buried the truth for generations In American Rule Jared Yates Sexton blends deep research with stunning storytelling digging into each era of growth and change that led us here and laying bare the foundational myths at the heart of the American imagination Stirring unequivocal and impossible to put down American Rule tells the truth about what this nation has always been and challenges us to forge a new path Historical Documentary Editions ,2000 **Annotation** ,1994
