A Song to the Lamb

For Male Voice and Organ

Rehearsal: 1st, 2nd, 3rd, 4th

Copyright 1908

The musical score is arranged in two systems. The first system includes staves for Soprano, Alto, Tenor, Bass, and Organ. The organ part begins with a melodic line in the right hand and a bass line in the left hand. The vocal parts enter in the first measure and follow the organ's lead. The second system continues the vocal and organ parts, with the organ providing a steady accompaniment for the voices.

Blake Set to Music Donald Fitch, 2023-11-15 *Blake Set to Music* A Bibliography of Musical Settings of the Poems and Prose of William Blake by Donald Fitch offers an extensive and meticulously compiled reference work detailing the musical interpretations of William Blake s poetry What began as a casual search in 1976 to fulfill a request for Blake settings for male chorus soon turned into a comprehensive project revealing a surprising gap in musical bibliography While Shakespeare and other poets had well documented musical settings Blake s work had no such resource until now Fitch s research uncovers a fascinating trend the use of Blake s poetry in musical compositions is largely a 20th century phenomenon though it has roots in the late 19th century From Blake himself reportedly singing his poems to original tunes to early settings by musicians like Mary Carmichael in 1876 Fitch traces how Blake s works captured the imagination of composers The bibliography spans amateur and professional musicians encompassing settings for solo voice choirs chamber ensembles and orchestras The book

highlights over 250 musical settings of Blake's The Lamb making it the most popular choice among composers while other well loved poems like The Tyger and Spring also appear frequently Interestingly it also explores Blake's influence beyond the English speaking world particularly in post World War II compositions by Scandinavian Russian and European composers Fitch's bibliography not only provides a rich resource for scholars musicians and Blake enthusiasts but also charts a cultural shift As musical tastes evolved so too did the appreciation for Blake's poetic depth with his works being embraced by an ever widening range of composers across the globe This bibliography stands as an essential guide to the diverse and evolving relationship between Blake's visionary poetry and the world of music This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 **Thine the Amen**
