AnneMarie Luijendijk, William E. Klingshirn, 2018-10-08 Sortilege: the making of decisions by casting lots was widely practiced in the Mediterranean world during the period known as late antiquity, between the third and eighth centuries CE. In *My Lots are in Thy Hands: Sortilege and its Practitioners in Late Antiquity*, AnneMarie Luijendijk and William Klingshirn have collected fourteen essays that examine late antique lot divination especially, but not exclusively, through texts preserved in Greek, Latin, Coptic, and Syriac. Employing the overlapping perspectives of religious studies, classics, anthropology, economics, and history, contributors study a variety of topics including the hermeneutics and operations of divinatory texts, the importance of diviners and their instruments, and the place of faith and doubt in the search for hidden order in a seemingly random world.

Forbidden Oracles? AnneMarie Luijendijk, 2014-08-01 This book centers on The Gospel of the Lots of Mary, a previously unknown text preserved in a fifth or sixth century Coptic miniature codex. It presents the first critical edition and translation of this new text. My book is also a project about religious praxis and authority as I situate the manuscript within the context of practices of and debates around divination in the ancient Mediterranean world. Preface p. vii Ancient Magic and Ritual Power Paul Mirecki, Meyer, 2015-08-24 This volume contains a series of provocative essays that explore expressions of magic and ritual power in the ancient world. The essays are authored by leading scholars in the fields of Egyptology, ancient Near Eastern studies, the Hebrew Bible, Judaica, classical Greek and Roman studies, early Christianity and patristics, and Coptology. Throughout the book, the essays examine the terms employed in descriptions of ancient magic. From this examination comes a clarification of magic as a polemical term of exclusion, but also an understanding of the classical Egyptian and early Greek conceptions of magic as a more neutral category of inclusion. This book should prove to be foundational for future scholarly

studies of ancient magic and ritual power This publication has also been published in paperback please click here for details
