Sociology has tackled some of the most formidable problems that confront contemporary society inequality homelessness violence gender and many more Sociologists assert that hypotheses can be formulated and tested against empirical evidence that faulty viewpoints can be uncovered and discarded and that plausible theory can be distinguished from mere ideology This collection was written over a span of forty four years and is presented in the belief that sociology is a science In *Social Problems Social Issues Social Science* James D Wright presents his research on some of the social issues that have most vexed America homelessness addiction divorce minimum wage and gun control among others Starting with essays first published in the flagship journal *Society* Wright offers readers a foundational look at specific social problems and the methods sociologists have used to study them He then provides an up to date re examination of each issue analysing the changes that have occurred over time and how sociologists have responded to it This book is both a retrospective on the field and on one scholar s life and work Using his own experience in researching and writing about America s most trenchant social issues Wright describes the evolution of the methods and theory used by social scientists to understand and ultimately to confront America s most troublesome social problems **The Spirit of Soul Food** Christopher Carter, 2021-12-21

Soul food has played a critical role in preserving Black history community and culinary genius It is also a response to and marker of centuries of food injustice Given the harm that our food production system inflicts upon Black people what should soul food look like today Christopher Carter s answer to that question merges a history of Black American foodways with a Christian ethical response to food injustice Carter reveals how racism and colonialism have long steered the development of US food policy The very food we grow distribute and eat disproportionately harms Black people specifically and people of color among the global poor in general Carter reflects on how people of color can eat in a way that reflects their cultural identities while remaining true to the principles of compassion love justice and solidarity with the marginalized Both a timely mediation and a call to action *The Spirit of Soul Food* places today s Black foodways at the crossroads of food justice and

Christian practice **Health Care Disparity in the United States of America** Valiere Alcena M.D. M.A.C.P.,2011-07-15
This book is written to bring to light the many wrongs that are going on in the health care insurance system in the U S The U S health care insurance system is the most expensive health care system in the world and the most inefficient health care system of all the health care systems of other industrial countries in the world The U S health care system is controlled by the HMOs The HMOs run the health care system for financial gains as their only motives The CEOs of the HMOs device all sort of business models that enable them and their share holders to pocket the lion share of the 2 3 trillion dollars allocated yearly to pay for this inefficient and costly health care system They have zero interest in quality patient care The drug companies must also share some of the blames for the problems afflicting the U S health care system because they make drugs that are so expensive and many people cannot afford to pay for them It is time for people in the U S to demand change and for the government to say enough is enough and come up with new legislation to create a brand new health care system to provide health insurance coverage for all American citizens **Disciplined by Race** Ki Joo Choi,2019 Disciplined by Race Theological Ethics and the Problem of Asian American Identity Wipf Stock 2019 is the first major critical and constructive interpretation of Asian American experiences of race by a theological ethicist Reframing the terms of debate for Asian American theology and ethics this book examines the central importance of a racialized conception of Asian American identity for contemporary theological and philosophical discussions on cultural authenticity the relationship between autonomy and relationality and racial solidarity and resistance From author s webpage <https://www.shu.edu/profiles/kijoochoi.cfm> **Homoeopathy - Heart & Soul** Keith M.
