The Nobility of Later Medieval England Kenneth Bruce McFarlane, 1973 **Gentry culture in late-medieval England** Raluca Radulescu, Alison Truelove, 2020-01-03 Essays in this fascinating and important collection examine the lifestyles and attitudes of the gentry in late medieval England They consider the emergence of the gentry as a group distinct from the nobility and explore the various available routes to gentility Through surveys of the gentry's military background administrative and political roles social behaviour and education the reader is provided with an overview of how the group's culture evolved and how it was disseminated Studies of the gentry's literacy creation and use of literature cultural networks religious activities and their experiences of music and the visual arts more directly address the practice and expression of this culture exploring the extent to which the gentry's activities were different from those of the wider population Joining the editors in contributing essays to this collection is an impressive array of eminent scholars all specialists in their respective fields Christine Carpenter Peter Fleming Maurice Keen Philippa Maddern Nicholas Orme Tim Shaw Thomas Tolley and Deborah Youngs As a whole the book offers a broad view of gentry culture that explores reassesses and sometimes even challenges the idea that members of the gentry cultivated their own distinctive cultural identity It will appeal to students looking for a comprehensive introduction to late medieval gentry culture as well as to researchers interested in gentry studies more generally [The Hanse in Medieval and Early Modern Europe](#) , 2012-12-03 The Hanse an organization of towns and traders in medieval and early modern Europe was a unique phenomenon At the same time it was embedded in the northern European urban and mercantile culture The contributions in this volume therefore seek to highlight the atypical features of the Hanse and place them in a wider context of common roots influences and parallel developments New research is presented on the origin and growth of the Hanse the organization of trade legal history interaction with non Hansards and transitions in the Hanse in the early modern period Moreover the historiography of the Hanse problems of source criticism and possibilities for future research are discussed The volume is an inspiring guide to Hanse studies Contributors are Carsten Jahnke Edda Frankot Sofia Gustafsson James M Murray Mike Burkhardt Marie Louise Pelus Kaplan Stuart Jenks and Justyna Wubs Mrozewicz **Monarchy, Aristocracy and State in Europe 1300-1800** Hillay Zmora, 2002-01-04 Monarchy Aristocracy and the State in Europe 1300 1800 is an important survey of the relationship between monarchy and state in early modern European history Spanning five centuries and covering England France Spain Germany and Austria this book considers the key themes in the formation of the modern state in Europe The relationship of the nobility with the state is the key to understanding the development of modern government in Europe In order to understand the way modern states were formed this book focusses on the implications of the incessant and costly wars which European governments waged against each other which indeed propelled the modern state into being Monarchy Aristocracy and the State in Europe 1300 1800 takes a fascinating thematic approach providing a useful survey of the position and role of the nobility in the government of

states in early modern Europe *The Household Knights of Edward III* Matthew Hefferan, 2021 First extended survey of the subject looking at the knights activities roles background and service **The New Cambridge Medieval History: Volume 6, C.1300-c.1415** Rosamond McKitterick, 1995 The sixth volume of The New Cambridge Medieval History covers the fourteenth century a period dominated by plague other natural disasters and war which brought to an end three centuries of economic growth and cultural expansion in Christian Europe but one which also saw important developments in government religious and intellectual life and new cultural and artistic patterns Part I sets the scene by discussion of general themes in the theory and practice of government religion social and economic history and culture Part II deals with the individual histories of the states of western Europe Part III with that of the Church at the time of the Avignon papacy and the Great Schism and Part IV with eastern and northern Europe Byzantium and the early Ottomans giving particular attention to the social and economic relations with westerners and those of other civilisations in the Mediterranean The Royal Prerogative and the Learning of the Inns of Court Margaret McGlynn, 2004-12-20 Margaret McGlynn examines legal education at the Inns of Court in the late fifteenth early sixteenth century The Historical Literature of the Jack Cade Rebellion Alexander L. Kaufman, 2016-03-16 Accounts of Jack Cade's 1450 Rebellion an uprising of some 30 000 middle class citizens protesting Henry VI's policies and resulting in hundreds of deaths as well as the leaders execution form the dominant entry in a group of quasi historical documents referred to as the London chronicles of the Fifteenth Century However each chronicle is inherently different and highly subjective In the first study of the primary documents related to the Cade Rebellion Alexander L Kaufman shows that the chroniclers produced multiple representations of the event rather than a single unified narrative Aided by contemporary theories of historiography and historical representation Kaufman scrutinizes the differing representations and distinguishes the writers objectiveness their underrated literary skills and their ideological positions on the rebellion and fifteenth century politics He demonstrates how the use of figurative language is related to writing about trauma and how descriptions of Cade's procession through London are a violent parody of midsummer festivals In an exploration of authenticity in the descriptions of Cade Kaufman also examines the characterization and plot devices that push Cade towards the realm of myth showing that representations of Cade are influenced by popular fifteenth century stories of Robin Hood **The Economy of Medieval Wales, 1067-1536** Matthew Frank Stevens, 2019-10-01 This book surveys the economy of Wales from the first Norman intrusions of 1067 to the Act of Union of England and Wales in 1536 Key themes include the evolution of the agrarian economy the foundation and growth of towns the adoption of a money economy English colonisation and economic exploitation the collapse of Welsh social structures and rise of economic individualism the disastrous effect of the Glyndŵr rebellion and ultimately the alignment of the Welsh economy to the English economy Comprising four chapters a narrative history is presented of the economic history of Wales 1067 1536 and the final chapter tests the applicability in a Welsh context of the main theoretical frameworks that have been developed to explain long term

economic and social change in medieval Britain and Europe **Three Medieval Queens** Lisa Benz St. John, 2012-06-04 This book is an innovative study offering the first examination of how three fourteenth century English queens Margaret of France Isabella of France and Philippa of Hainault exercised power and authority It frames its analysis around four major themes gender status the concept of the crown and power and authority
