

The New MOSES

A Matthean Typology

Dale C. Allison Jr.

The New Moses A Matthean Typology

**Thomas R. Schreiner, Matthew R
Crawford**

The New Moses A Matthean Typology:

The New Moses Dale C. Allison Jr., 2013-02-01 This fresh and stimulating work is the first book entirely given to the subject of Moses and Mosaic allusions in the Gospel of Matthew Also included are the history of the discussion of the subject from Bacon to the present as well as a comprehensive analysis of the depiction of ancient Jewish and Christian persons in Mosaic categories **The New Moses** Dale C. Allison, 1993 *The New Isaac* Leroy Andrew Huizenga, 2009 Gospel scholarship has long recognized that Matthean Christology is a rich multifaceted tapestry weaving multifold Old Testament figures together in the person of Jesus It is somewhat strange therefore that scholarship has found little role for the figure of Isaac in the Gospel of Matthew Employing Umberto Eco's theory of the Model Reader as a theoretical basis to ground the phenomenon of Matthean intertextuality this work contends that when read rightly as a coherent narrative in its first century setting with proper attention to both biblical texts and extrabiblical traditions about Isaac the Gospel of Matthew evinces a significant Isaac typology in service of presenting Jesus as new temple and decisive sacrifice *Revealed Wisdom and Inaugurated Eschatology in Ancient Judaism and Early Christianity* Grant Macaskill, 2007-02-28 This book examines four texts 1 Enoch 4QInstruction Matthew and 2 Enoch A common idea in these texts which blend sapiential and apocalyptic elements is that the revealing of wisdom to an elect group inaugurates the eschatological period The emphasis on revealed wisdom is essentially apocalyptic but facilitates the uptake of motifs forms and language from the sapiential tradition and is important in explaining the fusion of the two traditions In addition revealed wisdom often has creational associations and this has significance for the notion of ethics in these texts The book will interest anyone concerned with the development of Jewish and Christian eschatology and ethics It also challenges the simplistic redactional assumptions of certain New Testament scholars **The Cambridge Companion to the Gospels** Stephen C. Barton, 2006-11-23 An introduction covering historical theological and ethical aspects of the gospels through the ages **The Lord's Supper** Thomas R. Schreiner, Matthew R. Crawford, 2011-01-01 An exploration of the Baptist view of the Lord's Supper contrasting it with Roman Catholic Lutheran Calvinist and Zwinglian perspectives *The Suffering Son of David in Matthew's Passion Narrative* Nathan C. Johnson, 2023-11-23 In this book Nathan C. Johnson offers the first full scale study of David traditions in the Gospel of Matthew's story of Jesus's death He offers a solution to the tension between Matthew's assertion that Jesus is the Davidic messiah and his humiliating death To convince readers of his claim that Jesus was the Davidic messiah Matthew would have to bridge the gap between messianic status and disgraceful execution Johnson's proposed solution to this conundrum is widely overlooked yet refreshingly simple He shows how Matthew makes his case for Jesus as the Davidic messiah in the passion narrative by alluding to texts in which David too suffered Matthew thereby participates in a common intertextual Jewish approach to messianism Indeed by alluding to suffering David texts Matthew attempts to turn the tables of the problem of a crucified messiah by portraying Jesus as the Davidic messiah not despite but because of his suffering **A**

History of the Quests for the Historical Jesus, Volume 1 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates

Finding Jesus In the Exodus Nicholas Perrin, 2025-05-01 If you want to understand who Christ is you have to begin by understanding what Jesus meant when he said in Luke 24 27 And beginning with Moses and all the prophets he explained to them what was said in all the Scriptures concerning himself NIV In Finding Jesus in Exodus biblical scholar Nicholas Perrin shows that the Bible's story of the Exodus from beginning to end is filled with prophetic foretellings of the person and work of Christ Moses as a great deliver and prophet The voice in the burning bush The Passover Lamb of God The unleavened bread The rock and pillar of cloud The red sea crossing The manna from heaven You will see all of these and more as examples of Christ in the story of the Exodus

Salvation in Continuity Mothy Varkey, 2017-09-01 It is clear that according to Matthew's Gospel Jesus came to save his people from their sins 1 21 to give his life as a ransom for many 20 28 to have his blood poured out for many for the forgiveness of sins 26 28 But if salvation as promised in 1 21 is achieved only through Jesus death asks Mothy Varkey are the twenty five preceding chapters merely preamble Varkey argues to the contrary that the key theme of salvation in the Gospel is presented by Matthew as being in continuity with God's saving acts in the history of the Jewish people Further Varkey insists that as a consequence of this theology of continuity Jesus death on the cross represents just one of the many ways in which the Gospel presents God's salvific deeds The death of Jesus while unique due to his ontological status as Son of God should not be distinguished too sharply from his saving acts during his earthly ministry which took the form of salvific teaching of the Torah healings

exorcisms and forgiving of sins The result is a narrative emphasizing the continuity of salvation throughout Jesus life reaching into Israel s past and beyond into the work of the disciples

The New Moses A Matthean Typology Book Review: Unveiling the Power of Words
