Dateline Greensboro J. Stephen Catlett, 2002 Martin's Studio photographers Carol W Martin and Malcolm A Miller practiced assignment photography for most of their careers Unlike freelance documentary photographers they did not choose the times places or subjects However instead of working at careers that could have easily become tedious and uninteresting these former newspaper and studio photographers created a vast and amazing body of work shooting almost every imaginable aspect of community life Martin and Miller focused their work on Greensboro and Guilford County but phone calls and appointments took them to all areas of the state Included in this book are images from Greensboro as well as Candor Cape Hatteras Chapel Hill Charlotte Lexington Manteo Ocean Isle Raleigh Reidsville and Winston Salem Images from the Martin's Studio Collection were first published in Martin's and Miller's Greensboro also by Catlett which was created as a companion to the Greensboro Historical Museum's exhibit which will remain on display through the autumn of 2003 Dateline Greensboro The Piedmont and Beyond includes entirely different historical images from the archive and unlike the thematic arrangement for the earlier book this volume takes readers on a chronological journey a camera ride from the 1930s through the 1960s Three chapters offer readers the opportunity to relive three complete days in the life of the studio with a timeline of images made from early morning to late night Vintage Birmingham Signs Tim Hollis, 2008 Most people do not stop to realize how many of their fond memories involve advertising signs Although these neon spectaculars billboards and even signs painted directly onto brick walls were created expressly to persuade customers to buy products or patronize businesses many such signs remained in place for so long that they became beloved landmarks in their own right For Images of America Vintage Birmingham Signs Tim Hollis has scoured the archives of Birmingham's former sign companies as well as other private collections to compile some of the best remembered or most obscure signs that dotted the urban and suburban landscape Here readers will again see the Buffalo Rock bottle pouring its ginger ale into a glass the Golden Flake clown smiling down at passersby the Barber's milk clock at the Five Points South intersection and many more Through these vintage photographs readers can once again visit such once thriving destinations as Eastwood Mall Burger in a Hurry and the Kiddieland amusement park NINARPHAY TALES Leon Lowe, 2023-06-07 Ninarphay Tales are four intertwined young teen fantasy stories each tale has flashes of gothic romance mysticism magic and timeless allegory in volume one four teenage girls are promoted to Ninarphay from Transzalore a fantasy realm run by ogres and oni to a fantasy world run by mythical beasts and magical creatures in the second tale we meet a mystical bird battling an ogre like shark for the safety of two Ninarphay creatures and in the third we meet an excellently good Oni who saves a human girl from the underworld's demons in our final outing we meet the members of the pantheon of Ninarphay as they contend with keeping all children of Ninarphay safe from the underworld Ninarphay Tales is a fun adventurous and exuberant read from beginning to end you will not get bored or even be disappointed **K-Drama School** Grace Jung, 2024-04-23 From the Emmy Award winning
