

SLAVES IN RED COATS

THE BRITISH WEST INDIA REGIMENTS, 1795-1815

ROGER NORMAN BUCKLEY

Slaves In Red Coats

Minjie Lin

Slaves In Red Coats:

Slaves in Red Coats Roger Norman Buckley, 1979-01-01 Buckley's acute analysis shows how the creation of a large body of slave soldiers caused dramatic modifications in the social order. To avoid conflict with police regulations for example it was necessary in 1807 for Parliament to manumit 10 000 military slaves by a single act. *Slaves in Red Coats* is the first systematic analysis of the effect of war on New World slavery.

Arming Slaves Christopher Leslie Brown, Philip D. Morgan, 2008-10-01 Arming slaves as soldiers is a counterintuitive idea. Yet throughout history in many varied societies slaveholders have entrusted slaves with the use of deadly force. This book is the first to survey the practice broadly across space and time encompassing the cultures of classical Greece the early Islamic kingdoms of the Near East West and East Africa the British and French Caribbean the United States and Latin America. To facilitate cross cultural comparisons each chapter addresses four crucial issues the social and cultural facts regarding the arming of slaves the experience of slave soldiers the ideological origins and consequences of equipping enslaved peoples for battle and the impact of the practice on the status of slaves and slavery itself. What emerges from the book is a new historical understanding the arming of slaves is neither uncommon nor paradoxical but is instead both predictable and explicable.

Slaves, Warfare, and Ideology in the Greek Historians Peter Hunt, 2002-05-09 This book challenges conventional opinion by arguing that slaves and Helots played an important part in classical Greek warfare. Although rival city states often used these classes in their own forces or tried to incite their enemies slaves to rebellion or desertion such recruitment was ideologically awkward slaves or Helots despised and oppressed classes should have had no part in the military service so closely linked with citizenship with rule and even with an individual's basic worth. Consequently their participation has tended to drop out of the historical record. Focusing on Herodotus Thucydides and Xenophon this study attempts to demonstrate the actual role played by slaves and Helots in warfare the systematic neglect of the subject by these historians and the ideologies motivating this reticence.

The Slaves' Gamble Gene Allen Smith, 2024-05-01 A sweeping and original look at American slavery in the early nineteenth century that reveals the gamble slaves had to take to survive. Images of American slavery conjure up cotton plantations and African American slaves locked in bondage until the Civil War. Yet early on in the nineteenth century the state of slavery was very different and the political vicissitudes of the young nation offered diverse possibilities to slaves. In the century's first two decades the nation waged war against Britain Spain and various Indian tribes. Slaves played a role in the military operations and the different sides viewed them as a potential source of manpower. While surprising numbers did assist the Americans the wars created opportunities for slaves to find freedom among the Redcoats the Spaniards or the Indians. Author Gene Allen Smith draws on a decade of original research and his curatorial work at the Fort Worth Museum in this fascinating and original narrative history. The way the young nation responded sealed the fate of slaves for the next half century until the Civil War. This drama sheds light on an extraordinary yet little known chapter in the dark saga of American history.

The Internal Enemy Alan Taylor, 2013-09-02

Winner of the Pulitzer Prize for History Finalist for the National Book Award Finalist for the Los Angeles Times Book Prize Impressively researched and beautifully crafted a brilliant account of slavery in Virginia during and after the Revolution Mark M Smith Wall Street Journal Frederick Douglass recalled that slaves living along Chesapeake Bay longingly viewed sailing ships as freedom's swift winged angels In 1813 those angels appeared in the bay as British warships coming to punish the Americans for declaring war on the empire Over many nights hundreds of slaves paddled out to the warships seeking protection for their families from the ravages of slavery The runaways pressured the British admirals into becoming liberators As guides pilots sailors and marines the former slaves used their intimate knowledge of the countryside to transform the war They enabled the British to escalate their onshore attacks and to capture and burn Washington D C Tidewater masters had long dreaded their slaves as an internal enemy By mobilizing that enemy the war ignited the deepest fears of Chesapeake slaveholders It also alienated Virginians from a national government that had neglected their defense Instead they turned south their interests aligning more and more with their section In 1820 Thomas Jefferson observed of sectionalism Like a firebell in the night it awakened and filled me with terror I considered it at once the knell of the union The notes of alarm in Jefferson's comment speak of the fear aroused by the recent crisis over slavery in his home state His vision of a cataclysm to come proved prescient Jefferson's startling observation registered a turn in the nation's course a pivot from the national purpose of the founding toward the threat of disunion Drawn from new sources Alan Taylor's riveting narrative re-creates the events that inspired black Virginians haunted slaveholders and set the nation on a new and dangerous course

Slave Country Adam ROTHMAN, 2009-06-30 Slave Country tells the tragic story of the expansion of slavery in the new United States In the wake of the American Revolution slavery gradually disappeared from the northern states and the importation of captive Africans was prohibited Yet at the same time the country's slave population grew new plantation crops appeared and several new slave states joined the Union Adam Rothman explores how slavery flourished in a new nation dedicated to the principle of equality among free men and reveals the enormous consequences of U S expansion into the region that became the Deep South Rothman maps the combination of transatlantic capitalism and American nationalism that provoked a massive forced migration of slaves into Louisiana Alabama and Mississippi He tells the fascinating story of collaboration and conflict among the diverse European African and indigenous peoples who inhabited the Deep South during the Jeffersonian era and who turned the region into the most dynamic slave system of the Atlantic world Paying close attention to dramatic episodes of resistance rebellion and war Rothman exposes the terrible violence that haunted the Jeffersonian vision of republican expansion across the American continent Slave Country combines political economic military and social history in an elegant narrative that illuminates the perilous relation between freedom and slavery in the early United States This book is essential reading for anyone interested in an honest look at America's troubled past

Rebels in Arms Justin Iverson, 2022-11-01 Enslaved Black people took up arms and fought in nearly every colonial

conflict in early British North America They sometimes served as loyal soldiers to protect and promote their owners interests in the hope that they might be freed or be rewarded for their service But for many Black combatants war and armed conflict offered an opportunity to attack the chattel slave system itself and promote Black emancipation and freedom In six cases starting in 1676 with Nathaniel Bacon s Rebellion in Virginia and ending in 1865 with the First South Carolina Volunteer Infantry Regiment near Charleston Rebels in Arms tells the long story of how enslaved soldiers and Maroons learned how to use military service and armed conflict to fight for their own interests Justin Iverson details a different conflict in each chapter illuminating the participation of Black soldiers Using a comparative Atlantic analysis that uncovers new perspectives on major military conflicts in British North American history he reveals how enslaved people used these conflicts to lay the groundwork for abolition in 1865 Over the nearly two hundred year history of these struggles enslaved resistance in the British Atlantic world became increasingly militarized and enslaved soldiers Maroons and plantation rebels together increasingly relied on military institutions and operations to achieve their goals

The Caribbean Slave Kenneth F. Kiple, 2002-06-20 A comprehensive analysis of the biological experience of black slaves in the Caribbean [The Overthrow of Colonial Slavery](#) Robin Blackburn, 2024-12-10 In 1770 a handful of European nations ruled the Americas drawing from them a stream of products both everyday and exotic Some two and a half million black slaves imprisoned in plantation colonies toiled to produce the sugar coffee cotton ginger and indigo craved by Europeans By 1848 the major systems of colonial slavery had been swept away either by independence movements slave revolts abolitionists or some combination of all three How did this happen Robin Blackburn s history captures the complexity of a revolutionary age in a compelling narrative In some cases colonial rule fell while slavery flourished as happened in the South of the United States and in Brazil elsewhere slavery ended but colonial rule remained as in the British West Indies and French Windwards But in French St Domingue the future Haiti and in Spanish South and Central America both colonialism and slavery were defeated This story of slave liberation and American independence highlights the pivotal role of the first emancipation in the French Antilles in the 1790s the parallel actions of slave resistance and metropolitan abolitionism and the contradictory implications of slaveholder patriotism The dramatic events of this epoch are examined from an unexpected vantage point showing how the torch of anti slavery passed from the medieval communes to dissident Quakers from African maroons to radical pirates from Granville Sharp and Ottobah Cuguano to Toussaint L Overture from the black Jacobins to the Liberators of South America and from the African Baptists in Jamaica to the Revolutionaries of 1848 in Europe and the Caribbean

Economic Growth and the Ending of the Transatlantic Slave Trade David Eltis, 1987 This is the first study to consider the consequences of Britain s abolition of the Atlantic slave trade for British imperial expansion and the world economy *New Studies in the History of American Slavery* Edward E. Baptist, Stephanie M. H. Camp, 2006 These essays by some of the most prominent young historians writing about slavery fill gaps in our understanding of such subjects as enslaved women the Atlantic and

internal slave trades the relationships between Indians and enslaved people and enslavement in Latin America Inventive and stimulating the essays model the blending of methods and styles that characterizes the new cultural history of slavery s social political and economic systems Several common themes emerge from the volume among them the correlation between race and identity the meanings contained in family and community relationships gender and life s commonplaces and the literary and legal representations that legitimated and codified enslavement and difference Such themes signal methodological and pedagogical shifts in the field away from master slave or white black race relations models toward perspectives that give us deeper access to the mental universe of slavery Topics of the essays range widely including European ideas about the reproductive capacities of African women and the process of making race in the Atlantic world the contradictions of the assimilation of enslaved African American runaways into Creek communities the consequences and meanings of death to Jamaican slaves and slave owners and the tensions between midwifery as a black cultural and spiritual institution and slave midwives as health workers in a plantation economy Opening our eyes to the personal the contentious and even the intimate these essays call for a history in which both enslaved and enslavers acted in a vast human drama of bondage and freedom salvation and damnation wealth and exploitation

Soldiers of Uncertain Rank David Lambert, 2024-10-31 The West India Regiments were an anomalous presence in the British Army Raised in the late eighteenth century Caribbean in an act of military desperation their rank and file were overwhelmingly men of African descent initially enslaved As such the regiments held a unique but ambiguous place in the British Army and British Empire until their disbandment in 1927 *Soldiers of Uncertain Rank* brings together the approaches of cultural imperial and military history in new and illuminating ways to show how the image of these regiments really mattered This image shaped perceptions in the Caribbean societies in which they were raised and impacted on how they were deployed there and in Africa By examining the visual and textual representation of these soldiers this book uncovers a complex under explored and illuminating figure that sat at the intersection of nineteenth century debates about slavery and freedom racial difference Britishness savagery and civilisation military service and heroism

The Atlantic Slave Trade in World History Jeremy Black, 2015-03-12 In *The Atlantic Slave Trade in World History* Jeremy Black presents a compact yet comprehensive survey of slavery and its impact on the world primarily centered on the Atlantic trade Opening with a clear discussion of the problems of defining slavery the book goes on to investigate the Atlantic slave trade from its origins to abolition including comparisons to other systems of slavery outside the Atlantic region and the persistence of modern day slavery Crucially the book does not ask readers to abandon their emotional ties to the subject but puts events in context so that it becomes clear how such an institution not only arose but flourished Black shows that slavery and the slave trade were not merely add ons to the development of Western civilization but intimately linked to it In a vital and accessible narrative *The Atlantic Slave Trade in World History* enables students to understand this terrible element of human history and how it shaped the modern world

Slave Society in the Danish West

Indies N. A. T. Hall, 1992 This volume is an account of the development and destruction of slavery in St Thomas St John and St Croix the Caribbean islands which today comprise the US Virgin Islands The book sees slavery as fundamental to the entire fabric of colonial society and pays particular attention to the social and political life of the whites and freedmen in interaction with the slaves

Revolutionary Emancipation Claudius K. Fergus, 2013-06-10 Skillfully weaving an African worldview into the conventional historiography of British abolitionism Claudius K Fergus presents new insights into one of the most intriguing and momentous episodes of Atlantic history In Revolutionary Emancipation Fergus argues that the 1760 rebellion in Jamaica Tacky's War the largest and most destructive rebellion of enslaved peoples in the Americas prior to the Haitian Revolution provided the rationale for abolition and reform of the colonial system Fergus shows that following Tacky's War British colonies in the West Indies sought political preservation under state regulated amelioration of slavery He further contends that abolitionists' successes from partial to general prohibition of the slave trade hinged more on the economic benefits of creolizing slave labor and the costs of preserving the colonies from destructive emancipation rebellions than on a conviction of justice and humanity for Africans In the end Fergus maintains slaves' commitment to revolutionary emancipation kept colonial focus on reforming the slave system His study carefully dissects new evidence and reinterprets previously held beliefs offering historians the most compelling arguments for African agency in abolitionism

Revisiting Slavery and Antislavery Laura Brace, Julia O'Connell Davidson, 2018-09-04 Despite growing popular and policy interest in new slavery with contemporary abolitionists calling for action to free an estimated 40 million modern slaves interdisciplinary and theoretical dialogue has been largely missing from scholarship on modern slavery This edited volume will provide a space to reinvigorate the theory and practice of representing slavery and related systems of domination in particular our understandings of the binary between slavery and freedom in different historical and political contexts The book takes a critical approach interrogating the concept of modern slavery by exploring where it has come from and its potential for obscuring and foreclosing new understandings Including contributions from philosophers political theorists sociologists anthropologists and English literature scholars it adds to the emerging critique of the concept of modern slavery through its focus on the connections between the past of Atlantic World slavery the present of contemporary groups whose freedoms are heavily restricted prisoners child labourers in the Global South migrant domestic workers and migrant wives and the futures envisaged by activists struggling against different elements of the systems of domination that Atlantic World slavery relied upon and spawned Revisiting Slavery Antislavery will be of indispensable value to scholars students policy makers and activists in the fields of human rights modern history international politics social policy sociology and global inequality

Pathways from Slavery Seymour Drescher, 2018-01-03 Seymour Drescher's regular deeply thought and carefully nuanced arguments have periodically reshaped how we think of the subject of the history of slavery itself He has discussed the impact of economic and cultural factors on human behaviour and has shown that historical evidence does not lead to easy answers

He has changed the way in which we now look at abolitionism and has destroyed the linear explanation of economic decline. This book gathers together some of Drescher's key essays in the field. ***The American Slave Coast*** Ned Sublette, Constance Sublette, 2015-10-01 American Book Award Winner 2016. *The American Slave Coast* offers a provocative vision of US history from earliest colonial times through emancipation that presents even the most familiar events and figures in a revealing new light. Authors Ned and Constance Sublette tell the brutal story of how the slavery industry made the reproductive labor of the people it referred to as breeding women essential to the young country's expansion. Captive African Americans in the slave nation were not only laborers but merchandise and collateral all at once. In a land without silver, gold, or trustworthy paper money, their children and their children's children into perpetuity were used as human savings accounts that functioned as the basis of money and credit in a market premised on the continual expansion of slavery. Slaveowners collected interest in the form of newborns who had a cash value at birth and whose mothers had no legal right to say no to forced mating. This gripping narrative is driven by the power struggle between the elites of Virginia, the slave-raising mother of slavery, and South Carolina, the massive importer of Africans, a conflict that was central to American politics from the making of the Constitution through the debacle of the Confederacy. Virginia slaveowners won a major victory when Thomas Jefferson's 1808 prohibition of the African slave trade protected the domestic slave markets for slave breeding. The interstate slave trade exploded in Mississippi during the presidency of Andrew Jackson, drove the US expansion into Texas, and powered attempts to take over Cuba and other parts of Latin America until a disaffected South Carolina spearheaded the drive to secession and war, forcing the Virginians to secede or lose their slave-breeding industry. Filled with surprising facts, fascinating incidents, and startling portraits of the people who made, endured, and resisted the slave-breeding industry, *The American Slave Coast* culminates in the revolutionary Emancipation Proclamation, which at last decommissioned the capitalized womb and armed the African Americans to fight for their freedom. **Slavery and Slaving in World History: A Bibliography, 1900-91: v.**

1 David Y. Miller, 2019-07-23. This bibliography of 20th-century literature focuses on slavery and slave trading from ancient times through the 19th century. It contains over 10,000 entries with the principal sections organizing works by the political, geographical frameworks of the enslavers. ***The Transatlantic Slave Trade*** James A. Rawley, Stephen D. Behrendt, 2005-12-01. The transatlantic slave trade played a major role in the development of the modern world. It both gave birth to and resulted from the shift from feudalism into the European Commercial Revolution. James A. Rawley fills a scholarly gap in the historical discussion of the slave trade from the fifteenth to the nineteenth century by providing one volume covering the economics, demography, epidemiology, and politics of the trade. This revised edition of Rawley's classic, produced with the assistance of Stephen D. Behrendt, includes emended text to reflect the major changes in historiography, current slave trade data tables, and accompanying text, updated notes, and the addition of a select bibliography.

Slaves In Red Coats Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Slaves In Red Coats**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Slaves In Red Coats Introduction

Slaves In Red Coats Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Slaves In Red Coats Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Slaves In Red Coats : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Slaves In Red Coats : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Slaves In Red Coats Offers a diverse range of free eBooks across various genres. Slaves In Red Coats Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Slaves In Red Coats Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Slaves In Red Coats, especially related to Slaves In Red Coats, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Slaves In Red Coats, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Slaves In Red Coats books or magazines might include. Look for these in online stores or libraries. Remember that while Slaves In Red Coats, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Slaves In Red Coats eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Slaves In Red Coats full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Slaves In Red Coats eBooks, including some popular titles.

FAQs About Slaves In Red Coats Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Slaves In Red Coats is one of the best book in our library for free trial. We provide copy of Slaves In Red Coats in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Slaves In Red Coats. Where to download Slaves In Red Coats online for free? Are you looking for Slaves In Red Coats PDF? This is definitely going to save you time and cash in something you should think about.
