Buenas Noches, American Culture María DeGuzmán, 2012-07-09 Often treated like night itself both visible and invisible feared and romanticized Latinas make up the largest minority group in the US In her newest work María DeGuzmán explores representations of night in art and literature from the Caribbean Colombia Central and South America and the US calling into question night's effect on the formation of identity for Latinas in and outside of the US She takes as her subject novels short stories poetry essays non-fiction photo-fictions photography and film and examines these texts through the lenses of nationhood sexuality human rights exoticism among others *Speaking Pittsburghese* Barbara Johnstone, 2013-12 Explores the history and development of Pittsburghese as a cultural product of talk writing and other forms of social practice

Being German, Becoming Muslim Esra Özyürek, 2014-11-23 Every year more and more Europeans including Germans are embracing Islam It is estimated that there are now up to one hundred thousand German converts a number similar to that in France and the United Kingdom What stands out about recent conversions is that they take place at a time when Islam is increasingly seen as contrary to European values *Being German Becoming Muslim* explores how Germans come to Islam within this antagonistic climate how they manage to balance their love for Islam with their society's fear of it how they relate to immigrant Muslims and how they shape debates about race religion and belonging in today's Europe Esra Özyürek looks at how mainstream society marginalizes converts and questions their national loyalties In turn converts try to disassociate themselves from migrants of Muslim majority countries and promote a denationalized Islam untainted by Turkish or Arab traditions Some German Muslims believe that once cleansed of these accretions the Islam that surfaces fits in well with German values and lifestyle Others even argue that being a German Muslim is wholly compatible with the older values of the German Enlightenment *Being German Becoming Muslim* provides a fresh window into the connections and tensions stemming from a growing religious phenomenon in Germany and beyond **Speak Like a Gamin' Guvnor:**
