Eterovich, Christopher Spalatin, 1964-12-15 This book represents a survey of the cultural and economic life of the Croatian people who have long been noted for their significant contributions to the arts and the humanities It contains a wealth of factual information on various aspects of one of the most interesting regions in Europe The authors of the articles which make up this work are all specialists in their respective fields They have compiled a scholarly review of many of the notable works by Croatian historians political scientists artists and persons in other fields There is also general information on various aspects of geography and demography and statistics on population ecology religion nationality and other important areas of Croatian life are included Other important features are ten maps showing the administrative divisions of Yugoslavia and adjacent countries and 32 pages of illustrations depicting folk arts handicrafts music painting sculpture and architecture This reference work will be invaluable to libraries and will be a useful source of information for historians writers on Central European affairs students of art and ethnic developments and the layman interested in the Croatian people and their cultural history **Grimms' Tales around the Globe** Vanessa Joosen, 2014-06-16 Grimms fairy tales are among the best known stories in the world but the way they have been introduced into and interpreted by cultures across the globe has varied enormously In *Grimms Tales around the Globe* editors Vanessa Joosen and Gillian Lathey bring together scholars from Asia Europe and North and Latin America to investigate the international reception of the Grimms tales The essays in this volume offer insights into the social and literary role of the tales in a number of countries and languages finding aspects that are internationally constant as well as locally particular In the first section Cultural Resistance and Assimilation contributors consider the global history of the reception of the Grimms tales in a range of cultures In these eight chapters scholars explore how cunning translators and daring publishers around the world reshaped and rewrote the tales incorporating them into existing fairy tale traditions inspiring new writings and often introducing new uncertainties of meaning into the already

ambiguous stories Contributors in the second part Reframings Paratexts and Multimedia Translations shed light on how the Grimms tales were affected by intermedial adaptation when traveling abroad These six chapters focus on illustrations manga and film and television adaptations In all contributors take a wide view of the tales history in a range of locales including Poland China Croatia India Japan and France Grimms Tales around the Globe shows that the tales with their paradox between the universal and the local and their long and world spanning translation history form a unique and exciting corpus for the study of reception Fairy tale and folklore scholars as well as readers interested in literary history and translation will appreciate this enlightening volume

Spatial Concepts in Slavic Ljiljana Šarić, 2008 The focus of this book is how Slavic languages represent spatial relations and how spatial cognition and perception influence the understanding and linguistic coding of nonspatial domains Individual analyses concentrate on the semantics of selected prepositions and cases in Bosnian Croatian Serbian B C S providing a comparative perspective on other Slavic languages primarily Russian and Polish The opening analysis discusses the main theoretical notion metaphorical extension exemplifying the relation of spatial usages of linguistic items to non spatial usages This is followed by an analysis of the most basic spatial relations in *ness* and *on ness* The meaning network of prepositions equivalent to *on* and *in* helps explain the meaning of the cases they combine with the accusative and locative Another crucial spatial relation proximity is taken into account in the semantic analysis of the B C S prepositions *kod* and *pri* their Slavic equivalents and cases they combine with the genitive and locative The next chapter deals with the spatial meaning of the dative case examining dative s prepositional usages the bare directional dative in B C S and the semantic relation of the bare directional dative to other meaning domains of this case

Studies of Literature from Marginalized Nations in Modern China, with a Focus on Eastern European Literature Binghui Song, 2024-04-14 This book presents the first systematic study of the 100 year history of translation research reception and influence of Central and Eastern European literature in China from the late Qing Dynasty to the end of the twentieth century This study of Eastern European literature from the perspective of Sino foreign literary relations is based on extensive research into the translation and reception of Central and Eastern European writers such as Milan Kundera S ndor Pet fi Henryk Sienkiewicz Julius Fucik and Bertolt Brecht Since the late nineteenth century the major Chinese writers have paid special attention to the literature of the marginalized Eastern European nations when they have to translate from translations since few of them understand Eastern European languages The book seeks to identify what attracted the founders of new Chinese literature to Eastern European literature and to define its unique significance for the construction of modern Chinese literature
