Lowe, 2017-08-09 This volume considers the rise of a new mode of creating spreading and encountering moral claims and ideas as they are expressed within spectacles Brian M Lowe explains how spectacles emerge when we are saturated with mediated representations including pictures texts and videos and exposed to television and movies and the myriad stories they tell us The question of which moral issues gain our attention and which are neglected increasingly relates to how societal concerns are supported or obscured by spectacles This project explores how this new form of moral understanding came to be Through a series of case studies including the use of radio and comic books the crafting of Russian national identity through art television and film the evolution of human rights law through film and journalism and the promotion of animal rights campaigns this book unveils some of the ways in which our spectacular environment shapes moral understanding and is in turn shaped by spectacle **The Complete Talking Heads** Alan Bennett, 2010-04-01 The complete Olivier Award winning monologue series from one of Britain s most renowned playwrights A masterclass in storytelling Guardian UK Talking Heads is a classic of contemporary drama In Bed Among the Lentils a vicar s wife discovers a semblance of happiness with an Indian shop owner In A Chip in the Sugar a man s life begins to unravel when he discovers his aging mother has rekindled an old flame In A Lady of Letters a busybody pays a price for interfering in her neighbor s life First produced for BBC television in 1988 to great critical acclaim the Talking Heads monologues continue to resonate today with their combination of razor sharp wit and deeply felt humanity Over the years they have been performed many times including on London s West End and at New York City s Minetta Lane Theatre These extraordinary portraits of ordinary people confirm Alan Bennett s place as one of the most gifted versatile and
