Find the magic ribbon in each book and help keep the Dance Fairies on their toes Summer of Circles and Sapphires Rachel Payne,2003-06 Life was fairly predictable for Iggy Colvin but he wished this summer vacation could be different He wanted to test his limits and experience a real adventure firsthand His wish was about to come true when he agreed to go on a simple hike to a Fairy Circle with his brother Razoo Little did he know he was about to embark on a two month long journey filled with vicious goblins underground caves and disloyal friends This five and a half inch pre adolescent gnome was going to find himself in the middle of a double sided mystery involving a human and a sapphire ring Gathering clues and solving puzzles would prepare Iggy for a possible enemy encounter but would it be enough to avoid a potentially deadly conclusion There is one very important lesson Iggy was about to learn this summer Be very careful what you wish for It just may be more than you can handle Summer of Circles and Sapphires will have you cheering for good over evil at all costs as you enter a world filled with fantasy intimidation and deceit Get ready for a wild ride in the first of four books from the Iggy Colvin Adventure Series *Children's Book Review Index* Dana Ferguson,2007-08 The Childrens Book Review Index contains review citations to give your students and researchers access to reviewers comments and opinions on thousands of books periodicals books on tape and electronic media intended and or recommended for children through age 10 The volume makes it easy to find a review by authors name book title or illustrator and fully indexes more than 600 periodicals **Morgan the Midnight Fairy (Night Fairies #4)** Daisy Meadows,2013-01-01 The Night Fairies magic is missing and now Fairyland is in the dark Rachel and Kirsty can t wait for their week at Camp Stargaze They ll get to roast marshmallows tell spooky stories and sleep in cool cabins But when the Night Fairies magic goes missing Rachel and Kirsty have another activity to add to their list helping their fairy friends Rachel Kirsty and all the other campers are getting ready for a fun midnight feast But Morgan the Midnight Fairy s magic is missing Without it the midnight feast could turn into a midnight flop **Cherriwink, by Rachel Penn** Caroline McCoy Willard,1897 *Saturday Review of Literature* ,1926 *Framed* Elizabeth Carolyn Miller,2009-12-21 By introducing us to the New Woman Criminal *Framed* offers a profoundly different view of the fin de si cle British crime narrative **The Legacy of the Goddess** Rachel S. McCoppin,2023-04-10 It is often assumed that the female characters found in popular folk and fairy tales are little more than inconsequential stereotypes mostly serving as hapless victims in need of rescue boring one dimensional princesses or egotistical and conniving villains This book presents more fully realized portraits of these female characters and the ways in which they actually represent bold and powerful connections to the goddesses of classic mythic narratives The rich legacy of female goddesses shamans queens and priestesses is in fact preserved and celebrated through these more modern representations whether as brides who can transform into animals wise old women who live alone in the deep wilderness strong warrior maidens or witches who can conquer and command the elements of nature In contemplating this revised analysis of female characters within global folktales and fairy tales readers can see that the goddesses of old have never truly been forgotten *Branch Library Book*

News ... New York Public Library,1927 **Branch Library Book News** ,1928 *Children* ,1928 **Regina Silsby's Phantom Militia** Tom Brodeur,2005 Soon after Rachel Winslow returns to Boston to search for her soldier brother Regina Silsby comes to the aid of the Patriot cause this time with reinforcements **What Maisie Knew** Henry James,2008-08-14
What Maisie Knew 1897 represents one of James s finest reflections on the rites of passage from wonder to knowledge and the question of their finality The child of violently divorced parents Maisie Farange opens her eyes on a distinctly modern world Mothers and fathers keep changing their partners and names while she herself becomes the pretext for all sorts of adult sexual intrigue In this classic tale of the death of childhood there is a savage comedy that owes much to Dickens But for his portrayal of the child s capacity for intelligent wonder James summons all the subtlety he devotes elsewhere to his most celebrated adult protagonists Neglected and exploited by everyone around her Maisie inspires James to dwell with extraordinary acuteness on the things that may pass between adult and child In addition to a new introduction this edition of the novel offers particularly detailed notes bibliography and a list of variant readings ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *Library Notes* North Carolina College for Women.
