The Afghan Syndrome How To Live With Soviet Power:

The Afghan Syndrome Cānakya Sena,1982 This Book Published In 1982 Is Not On Afghanistan But Is A Study Of The Soviet Union In The Context Of Soviet Military Intervention In Afghanistan In December 1979 Without Dustjacket The Afghan Syndrome Canakya Sena,1982 The Afghan Syndrome Bhabani Sen Gupta,2022-12-28 The Afghan Syndrome 1982 analyses and interprets the 1979 Soviet military intervention in Afghanistan and also examines its effects on America China India Pakistan and other Islamic nations It argues that one of the results was the rise of other centres of economic political and military power outside the superpower spheres *US-Pakistan Relationship* A.Z. Hilali,2017-07-05 Hilali provides an excellent study into the US Pakistan partnership under the Reagan administration The book explores the causes of Pakistan s involvement in the Afghanistan war and the United States support to prevent Soviet adventurism It shows that Pakistan was the principal channel through which assistance was provided to Afghan freedom fighters it also provided access to its military bases to use against the Soviet Union The study looks at the consequences of the war on Pakistan and explains how it became enmeshed within its domestic politics Furthermore it evaluates the role of Pakistan as a key partner in the global coalition against terrorism and discusses how General Pervez Musharraf brought about Pakistan s development towards a progressive moderate and democratic society Ideally suited to courses on foreign policy The Afghan Syndrome Cānakya Sena,Bhabani Sen Gupta,1982 This Book Published In 1982 Is Not On Afghanistan But Is A Study Of The Soviet Union In The Context Of Soviet Military Intervention In Afghanistan In December 1979 Without Dustjacket **India's Grand Strategy** Kanti Bajpai,Saira Basit,V. Krishnappa,2014-08-07 As India prepares to take its place in shaping the course of an Asian century there are increasing debates about its grand strategy and its role in a future world order This timely and topical book presents a range of historical and contemporary interpretations and case studies on the theme Drawing upon rich and diverse narratives that have informed India s strategic discourse security and foreign policy it charts a new agenda for strategic thinking on postcolonial India from a non Western perspective Comprehensive and insightful the work will prove indispensable to those in defence and strategic studies foreign policy political science and modern Indian history It will also interest policy makers think tanks and diplomats **Historical Dictionary of Afghanistan** Thomas H. Johnson,Ludwig W. Adamec,2021-05-15 Afghanistan is an extremely complex and nuanced country that has been one of the centers of imperial conflict at least for 150 years From the Czarist Russia s march south in the 19th Century threatening British India three Anglo Afghan Wars the Soviet Invasion and occupation of Afghanistan starting in December 1979 and the resulting anti Soviet Jihad by the Afghan Mujahideen to Kabul s and their allies U S and NATO conflict with the Taliban Afghanistan has been one of the centers of important international and regional conflicts and events Historical Dictionary of Afghanistan Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations

religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Afghanistan Limits of Soviet Power Edward A. Kolodziej, Roger E. Kanet, 2015-12-25 An evaluation of Soviet efforts to penetrate the major regions in the southern hemisphere concluding that success has been modest and continues to be costly It is suggested that a world society could emerge based on socio economic and political competition rather than conflict and arms races **Dynamics of Regional Politics** William Howard Wriggins, 1992 Dynamics of Regional Politics explores the patterns of international conflict and cooperation in four geographical subsystems the Horn of Africa the Persian Arabian Gulf the South Asian subcontinent and Southeast Asia Wriggins s book argues that to understand how the end of the Cold War will affect these areas it is necessary to look closely at their individual dynamics over time to differentiate characteristics that are intrinsic to the regions from those caused by the Cold War involvement of the United States and the Soviet Union

Historical Dictionary of Afghanistan Ludwig W. Adamec, 2012 This new fourth edition has been substantially expanded because so much has taken place in such a short period of time The most important changes however have been made to the dictionary section with hundreds of added or substantially revised entries on important people places events institutions practices ethnic and religious groups political parties and Islamist movements as well as significant aspects of Afghanistan s politics economy society and culture Afghanistan C. Heather Bleaney, María Ángeles Gallego, 2006 Presents a thematically indexed bibliography devoted to Afghanistan Following the pattern established by one of its major data sources viz the acclaimed Index Islamicus both journal articles and book publications are included and indexed **Afghan Resistance** Grant M. Farr, 2019-03-13 The people of Afghanistan stand at a crossroads with resistance to the Soviet occupation entering its eighth year The question of survival must be weighed against the difficult political choices of fighting or reaching an accommodation with the Soviet backed Kabul regime The vast majority choose to continue the struggle aided in part by covert arms shipments and to search for a uniquely Afghan nationalism despite rumors of an impending USSR U S deal whereby in return for Soviet troop withdrawal and cessation of arms aid to the Mujahideen Afghanistan and Pakistan would become neutral Muslim nations Drawing on Afghan cultural and historical background this collection of original essays provides fresh insights into the nature of the Afghan conflict the country s threatened national infrastructure the continuing decimation of its citizens and the prospects for their survival Showing that popular resistance is not limited to the Mujahideen or freedom fighters but encompasses the Afghan people as a whole the contributors examine the impact of the world s largest refugee population on the shape of the future Afghanistan Based on their extensive firsthand experience in the region the contributors provide an interdisciplinary analysis of a country a people and a war still too little known to the outside world New Trends in Indo-Russian Relations V.D. Chopra, 2003 This book is a compilation of articles by over two dozen Indian specialists on India s relations with Russia and Russia Today after the disintegration of the Soviet Union It is a unique exercise This study is first of its kind which makes an objective estimate of both India s relations with Russia and

changes in Russia during 90 s in the last century **The Soviet Role in Asia** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe and the Middle East,1983 **India-USSR Relations: 1972-91, a brief survey** Shri Ram Sharma,1999 Contents Introduction Bangladesh Liberation Aftermath Janata Regime Towards Understanding Congress Party in Power The Afghan Crisis Disintegration of USSR Janata Dal Interlude Bilateral Interactions Concluding Reflections A Slow Reckoning Vassily Klimentov,2024-02-15 A Slow Reckoning examines the Soviet Union s and the Afghan communists views of and policies toward Islam and Islamism during the Soviet Afghan War 1979 1989 As Vassily Klimentov demonstrates the Soviet and communist Afghan disregard for Islam was telling of the overall communist approach to reforming Afghanistan and helps explain the failure of their modernization project A Slow Reckoning reveals how during most of the conflict Babrak Karmal the ruler installed by the Soviets instrumentalized Islam in support of his rule while retaining a Marxist Leninist platform Similarly the Soviets at all levels failed to give Islam its due importance as communist ideology and military considerations dominated their decision making This approach to Islam only changed after Mikhail Gorbachev replaced Karmal by Mohammad Najibullah and prepared to withdraw Soviet forces Discarding Marxism Leninism for Islam proved the correct approach but it came too late to salvage the Soviet nation building project A Slow Reckoning also shows how Soviet leaders only started seriously paying attention to an Islamist threat from Afghanistan to Central Asia after 1986 While the Soviets had concerns related to Islamism in 1979 only the KGB believed the threat to be potent The Soviet elites never fully conceptualized Islamism continuing to see it as an ideology the United States Iran or Pakistan could instrumentalize at will They believed the Islamists had little agency and that their retrograde ideology could not find massive appeal among progressive Soviet Muslims In this they were only partly right Gorbachev's New Thinking and Third World Conflicts Jiří Valenta, Frank Cibulka, Some of the most crucial changes inspired by Gorbachev and perestroika concern Soviet and East European policies toward Third World countries Despite countless studies of Soviet U S relations and U S relations with the Third World the area of Soviet relations with the Third World has been left relatively undeveloped This is the first of several volumes intended to add to our knowledge of what the series editor Jiri Valenta characterizes as East South relations In this new era of cooperation and diplomacy the superpowers are working to resolve regional conflicts in and around Afghanistan Nicaragua Angola and Cambodia Such efforts are exceedingly complex since they necessarily involve not only the Soviet Union but Third World nations that may operate independently such as Cuba and Vietnam This volume addresses a number of such conflicts In addition to those already mentioned conflicts in Ethiopia Namibia and the Philippines are discussed and their implications for Western policy makers are reviewed As the contributors emphasize despite current Soviet emphasis on peaceful solutions to regional conflicts Gorbachev s New Thinking in foreign affairs is still decidedly selective In some cases the Soviet Union will actually encourage close ties with regional Third World powers as it has with India It is also too much to expect that the Soviet Union much less Cuba and Vietnam will completely

cut ties to revolutionary allies worldwide That said the 1990s will undoubtedly be characterized by new Soviet foreign policy styles Their shape and form is the subject of this book It will be of immense interest to policymakers and researchers concerned about current developments in relations between the superpowers and with the Third World Contributors include Vernon Aspaturian Bhabani Sen Gupta William E Griffith Jerry F Hough Douglas Pike Howard Wiarda AH T Sheikh Sabahuddin Kushkaki Colin Legum H de V du Toit Khien Theeravit Frank Cibulka Alvaro Taboada Charles William Maynes W Bruce Weinrod Jiri Valenta

Afghanistan, Dynamics of Survival Jagmohan Meher, 2008 This Study Is An Attempt To Look At The Various Developments In And Challenges Of Afghanistan With A View To Understand The Dynamics Of Survival Of This Landlocked Country This Is The Most Comprehensive And Analytical Study Of Its Kind On The Recent Geo Political Developments In Afghanistan The Authors Have Been Very And Ongoing Trends Very Cohesively To Understand The Role Of Both Governmental And Non Governmental Actors In This War Torn Country

India Since 1980 Sumit Ganguly, Rahul Mukherji, 2011-08-01 This book considers the remarkable transformations that have taken place in India since 1980 a period that began with the assassination of the formidable Prime Minister Indira Gandhi Her death and that of her son Rajiv seven years later marked the end of the Nehru Gandhi era Although the country remains one of the few democracies in the developing world many of the policies instigated by these earlier regimes have been swept away to make room for dramatic alterations in the political economic and social landscape Sumit Ganguly and Rahul Mukherji two leading political scientists of South Asia chart these developments with particular reference to social and political mobilization the rise of the BJP and its challenge to Nehruvian secularism and the changes to foreign policy that in combination with its meteoric economic development have ensured India a significant place on the world stage

The Eagle and the Peacock Srinivas M. Chary, 1995-03-21 This work is a study of American foreign policy toward India since 1947 It examines the roles that the United States has played on the South Asian stage during the 45 years that constitute the history of the Cold War In contrast to the interest that Cold War historians have displayed toward such areas as Europe and the Far East little has been done with regard to India Many Indian analyses consist largely of cliches and stereotypes and adopt an intensive tone of moral judgement With the end of the Cold War in the 1990s the need for this study is more compelling since the politics of the Cold War had so greatly shaped Indo American relations from the beginning of modern India s independence

Getting the books **The Afghan Syndrome How To Live With Soviet Power** now is not type of challenging means. You could not solitary going similar to ebook increase or library or borrowing from your associates to get into them. This is an entirely easy means to specifically acquire lead by on-line.
