

JACOB BURCKHARDT

THE AGE OF  
CONSTANTINE  
THE GREAT

# The Age Of Constantine The Great

**Mark Douglas**

## **The Age Of Constantine The Great:**

The Age of Constantine the Great Jacob Burckhardt,1983-03-25 Chronicles the major events that took place between the accession of Diocletian and the death of Constantine and discusses the people places and issues that influenced society during that time

The Age of Constantine and Julian Diana Bowder,1978 To find out more information about Rowman Littlefield titles please visit us at [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)

**The Cambridge Companion to the Age of Constantine** Noel Lenski,2005-11-14 The Cambridge Companion to the Age of Constantine offers students a comprehensive one volume survey of this pivotal emperor and his times Richly illustrated and designed as a readable survey accessible to all audiences it also achieves a level of scholarly sophistication and a freshness of interpretation that will be welcomed by the experts The volume is divided into five sections that examine political history religion social and economic history art and foreign relations during the reign of Constantine who steered the Roman Empire on a course parallel with his own personal development Each chapter examines the intimate interplay between emperor and empire and between a powerful personality and his world Collectively they show how both were mutually affected in ways that shaped the world of Late Antiquity and even affect our own world today

**The age of Constantine the Great** Jakob Christoph Burckhardt,1956

**The Age of Constantine the Great, Etc** ,1964

**A History of Byzantium** Timothy E. Gregory,2011-08-26 This revised and expanded edition of the widely praised A History of Byzantium covers the time of Constantine the Great in AD 306 to the fall of Constantinople in 1453 Expands treatment of the middle and later Byzantine periods incorporating new archaeological evidence Includes additional maps and photographs and a newly annotated updated bibliography Incorporates a new section on web resources for Byzantium studies Demonstrates that Byzantium was important in its own right but also served as a bridge between East and West and ancient and modern society Situates Byzantium in its broader historical context with a new comparative timeline and textboxes

The Cambridge Companion to the Age of Constantine Noel Emmanuel Lenski,2006 The Cambridge Companion to the Age of Constantine offers students a comprehensive one volume survey of this pivotal emperor and his times Richly illustrated and designed as a readable survey accessible to all audiences it also achieves a level of scholarly sophistication and a freshness of interpretation that will be welcomed by the experts The volume is divided into five sections that examine political history religion social and economic history art and foreign relations during the reign of Constantine who steered the Roman Empire on a course parallel with his own personal development

**History as Mystery** Michael Parenti,2016-08-22 In a lively challenge to mainstream history Michael Parenti does battle with a number of mass marketed historical myths He shows how history s victors distort and suppress the documentary record in order to perpetuate their power and privilege And he demonstrates how historians are influenced by the professional and class environment in which they work Pursuing themes ranging from antiquity to modern times from the Inquisition and Joan of Arc to the anti labor bias of present day history books History as Mystery demonstrates how past and present can inform

each other and how history can be a truly exciting and engaging subject Michael Parenti always provocative and eloquent gives us a lively as well as valuable critique of orthodoxy posing as history Howard Zinn author of A People's History of the United States Deserves to become an instant classic Bertell Ollman author of Dialectical Investigations Those who keep secret the past and lie about it condemn us to repeat it Michael Parenti unveils the history of falsified history from the early Christian church to the present a fascinating darkly revelatory tale Daniel Ellsberg author of The Pentagon Papers Solid if surely controversial stuff Kirkus *Constantine and Eusebius* Timothy David Barnes,1981 Here is the fullest available narrative history of the reigns of Diocletian and Constantine and a new assessment of the part Christianity played in the Roman world of the third and fourth centuries **A History of the Jews in Babylonia, Part 4. The Age of Shapur II** Jacob Neusner,2022-05-09 **The Age of Constantine the Great. Translated by Moses Hadas** Jacob Burckhardt,1964

**Basel in the Age of Burckhardt** Lionel Gossman,2002-04-15 This remarkable history tells the story of the independent city republic of Basel in the nineteenth century and of four major thinkers who shaped its intellectual history the historian Jacob Burckhardt the philologist and anthropologist Johann Jacob Bachofen the theologian Franz Overbeck and the philosopher Friedrich Nietzsche Remarkable and exceptionally readable There is wit wisdom and an immense erudition on every page Jonathan Steinberg Times Literary Supplement Gossman's book a product of many years of active contemplation is a tour de force It is at once an intellectual history a cultural history of Basel and Europe and an important contribution to the study of nineteenth century historiography Written with a grace and elegance that many aspire to few seldom achieve this is model scholarship John R Hinde American Historical Review *The Rise of the Global South* Elijah Jong Fil Kim,2012-04-06 Global Christianity has been experiencing an unprecedented historical transition from the West to the non Western world The leadership of global Christianity has taken on a new face since the twentieth century Christendom in Europe and America has experienced a great decline while there has been a rise in Majority World Christianity Churches in the Global South have given their voices to global Christianity through their leadership world mission movements and theology The phenomenal church growth has risen from the Pentecostal and Charismatic movement Pentecostalism has become the dominant force in global Christianity today The Rise of the Global South examines the significance this shift has had on global Christianity by going through the history of Christianity in the West and the causes of the shift **The Age of Gladiators** Rupert Matthews,2019-11-07 This was Rome a city of bloodshed and laughter of food and starvation But why was so much wealth time and trouble lavished on free entertainments The Age of the Gladiators explores many savage spectacles of Ancient Rome many of which have become proverbial for their cruelty bloodlust and glory From Gladiator fights in grand amphitheatres to chariot racing at the Circus Maximus Romans had their pick of extreme spectator sports Rupert Matthews explores the development of these customs from religious rites into opportunities to bolster political esteem Were Romans truly free citizens governed by a fair democracy And if not what part did these free entertainments play in the political chess

game This fascinating book reveals all **Constantine the Great** Michael Grant,1994 The Emperor Constantine was one of the great charismatic figures of the ancient world He was directly responsible for two momentous transformations that greatly affected our history and civilization the founding of Constantinople as the Roman capital and the conversion of the Roman Empire to Christianity With knowledge gained from modern research in all relevant fields including archaeology papyrology and art history Michael Grant traces the controversies that surround this intriguing ruler back to their very beginnings He draws a compelling portrait of Constantine assessing the emperor's achievements as a general in command of his armies and as a resourceful politician and reformer In art politics economics social developments and particularly in religion the life of Constantine acts as a bridge between past and present Michael Grant goes beyond the bias of literary sources and reveals the private man behind the public persona the superstitious beliefs underpinning Constantine's hallucinatory visions and dreams that heralded his conversion to Christianity his persecution of paganism in the name of Christianity that set precedents for centuries to come and the relationship between church and state that gave way to the totalitarianism of the Late Roman Empire Was he the last notable Roman emperor or the first medieval monarch Was the great convert a saint and hero or should we regard him as a murderer who killed his wife his eldest son and many of his friends to further his own ambitions These are just some of the issues raised in this revelatory biography **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved *Jacob Burckhardt's Social and Political Thought* Richard Franklin Sigurdson,2004-01-01 Contrary to his usual portrayal as a disinterested aesthete Swiss cultural historian Jacob Burckhardt is characterised as an original social and political thinker in Richard Sigurdson's timely book *Jacob Burckhardt's Social and Political Thought* Burckhardt's thinking on a number of ideas including the relationship between the individual and the mass the tension between the ideals of equality and human excellence and the role of the intellectual in the modern state is the subject of insightful analysis thus providing a rare investigation into Burckhardt's culture critique of the nineteenth century Other important aspects of Burckhardt's life that undoubtedly influenced both his historical and political thought such as his ambiguous relationship with Friedrich Nietzsche are carefully scrutinised in this groundbreaking analysis of the Swiss historian Known primarily as an historian Burckhardt's historical writings provide not only a powerful critique of his own times but also a broad ranging political philosophy that can be placed within the larger German tradition of evaluating politics according to the values and standards of art and culture Although Burckhardt himself expressed his scepticism towards general theories and claimed to be devoid of a personal philosophical position through an examination of his works Sigurdson argues that both implicit and explicit political reflections and theories are recognisable *The Age Of Reason* M. A. Raheem & Mervyn C. Charles,2002-04-30 The author is a product of Christian dominance of the New World and its development by African slavery and Indian indentured labour with the exclusion of the Jewish people on the Caribbean island of Trinidad His mother was of Portuguese descent which might well have been part Jewish His father

was of mixed racial background of Indian Sikhism turned Christian and of the European master and his slaves Such a potent brew inevitably led to an encounter with the prophets Isa al Masih and Muhammad Mustapha and to the rebirth of the author at the Will of ALLAH the Only True God **The Age** Richard Ramoie,2020-07-07 Now as He sat on the Mount of Olives the disciples came to Him privately saying Tell us when will these things be And what will be the sign of your coming and of the end of the age Matthew 24 3 The age itself is a time of which we live under the power and sway of Satan and we are caught up in the greatest spiritual battle of mankind The True Church versus the counterfeit church Prepare yourself for shock disbelief feelings of hate distrust and most of all spiritual disappointment Let us not fear for fear itself our Father our God will tell us in his own words the truth the whole truth and nothing but the truth Let us believe in him and only him Richard Ramoie Evangelist World Christianship Ministries Fresno California Book Completed August 2 2019 Christian Pacifism for an Environmental Age Mark Douglas,2019-04-25 Provides a new understanding of the traditions of Christian pacifism in order to address wars in a warming world *The Age of the Fathers* William Bright,1903

The book delves into The Age Of Constantine The Great. The Age Of Constantine The Great is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Age Of Constantine The Great, encompassing both the fundamentals and more intricate discussions.
