In a near future, America pulled from today's headlines and coming apart at the seams, *Turn Red Tomorrow* details a soberingly possible scenario where the nation's financial system is obliterated overnight, plunging the country into chaos. The story follows a typical extended family and their friends scattered across the country as they seek to reunite and survive the ever-present horrors of disease, starvation, and violence. Their faith, relationships, and will to survive are further tested by their own power-mad government that has seized control of nearly all aspects of everyday life. Many of them fall in with a mysterious benefactor who shows a path to a restored America. Will they succeed or simply join the nameless millions who have already perished? Michael Zargona is a Christian military veteran, family man, honors college graduate, and small business owner who grew up in the Pacific Northwest and currently lives in the Selkirk Mountains along the Washington-Idaho border with his wife and children. This is his first novel. michaelzargona@gmail.com **Children's Books in Print, 2007**, 2006 **The AK-47** Gordon L. Rottman, 2011-05-03 A detailed, fully illustrated study of the most recognizable assault rifle ever produced. The Kalashnikov AK-47 is the most ubiquitous assault rifle in the world, with more AK-47s and its variants in use than any other individual small arm. Created by Senior Sergeant Mikhail Kalashnikov and first adopted by the USSR soon after World War II, its production continues to this day with an estimated 75 million produced worldwide. Supported by photographs and original artwork, this book takes a look at the complete history of the weapon, discussing its design, development, and usage, taking its story from the great armies of the Soviet Union to the insurgents and criminal gangs that often employ the weapon today. The AK47 Catalog Volume 8 Rob Stott, 2019-02-27 The AK47 catalog is simply that: Clear color photos of the AK47 and its variants. All original photography; most photos have never been published.
