**The ADVENTURES OF MARY MARGARET** NINA. DEVOR, 2001 MARY MARGARET WAS SCARED SHE WAS LOST CAN SHE FIND HER WAY HOME      **Junctures in Women's Leadership: Media and Journalism** Linda Steiner, 2025 This book offers a robust account of women's leadership in journalism looking at the obstacles they overcame and the strategies they used to solve problems and handle crises These profiles of inspiring women in prominent media positions from the nineteenth century to today showcases their eagerness to experiment take risks and innovate and offers useful lessons in moral leadership      *Narrative of Discovery and Adventure in the Polar Seas and Regions with Illustrations of Their Climate, Geology, and Natural History* Sir John Leslie, Robert Jameson, Hugh Murray, 1830      *Off the Hook* Earl Wayne Heflinger, 2018-03-15 The author uses his own personal story of being born into a Christian fundamentalist family with extreme beliefs to paint a vivid picture of what life is like in toxic ideologies such as fundamentalist religion The book has three parts The first describes the spiritual abuse of his childhood due to stifling rules and restrictions inflicted by his parents caught up in their church's teachings on his thought processes and behavior The remarkably poignant stories show in painful detail how his self-esteem was crushed how he was never intended to think for himself and how he was made to feel different and totally out of place in the world all by loving but misguided parents During his school days his social life was severely stunted because he felt like an outsider everywhere but in church The second part discusses his lifelong struggle with spiritual healing and his transition from a spoon-fed belief system to a personally chosen worldview He thoughtfully muses about all the significant elements of religious spiritual belief systems God Jesus the Bible sin morality science life after death marriage divorce and others and contrasts his evolving beliefs with those of organized religion This is presented to give the reader a comprehensive illustration of how one particular seeker has constructed a personalized belief system through continual rethinking and updated understanding The third part calls on the author's advanced education and professional experience in business and government in analyzing and developing systems and procedures It describes with a wealth of tips and checklists the process by which he escaped a toxic ideology and came to feel intellectually free and off the hook It ends with heartfelt encouragement for anyone similarly affected by repression to accept all available helpful resources and muster the determination to claim their personal power      **Holy Cross Courier**, 1927      *Narrative of Discovery and Adventure in the Polar Seas and Regions* Sir John Leslie, Robert Jameson, Hugh Murray, 1835      Adventure Journalism in the Gilded Age Katrina J. Quinn, Mary M. Cronin, Lee Jolliffe, 2021-07-12 These new essays tell the stories of daring reporters male and female sent out by their publishers not to capture the news but to make the news indeed to achieve star billing and to capitalize on the Gilded Age public's craze for real-life adventures into the exotic and unknown They examine the adventure journalism genre through the work of iconic writers such as Mark Twain and Nellie Bly as well as lesser-known journalistic masters such as Thomas Knox and Eliza Scidmore who took to the rivers and oceans mineshafts and mountains rails and

trails of the late nineteenth century shaping Americans perceptions of the world and of themselves      The curse of gold Ann S. Stephens,2023-07-10 In The Curse of Gold Ann S Stephens weaves a captivating narrative that immerses readers in the frenetic atmosphere of the Gold Rush era Through her vibrant prose and rich character development Stephens explores themes of ambition greed and societal transformation portraying the tumultuous impact of gold on human lives and relationships The novel is marked by a keen attention to historical detail inviting readers into a world where dreams are both made and shattered amidst the backdrop of mining camps and the pursuit of fortune Stephens literary style is characterized by a blend of melodrama and realism showcasing the moral ambiguities and the visceral reality of a society driven by the lust for wealth Ann S Stephens a prolific writer and journalist of the 19th century was deeply attuned to the cultural currents of her time which undoubtedly influenced her work Having witnessed the socio economic upheavals brought about by the Gold Rush her insights into the human condition are both poignant and reflective Stephens own experiences provide a personal lens through which she critiques the consequences of unbridled ambition and the age old quest for material gain The Curse of Gold is an essential read for those interested in the complexities of American history and literature Stephens ability to craft a gripping tale infused with moral questions makes this novel a thought provoking exploration of the duality of wealth Ideal for lovers of historical fiction this book invites readers to reflect on the enduring nature of human desires and the costs that accompany them      *Narrative of Discovery and Adventure in the Polar Seas and Regions. ... **Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office** Library of Congress. Copyright Office,1978 *Scottish Quakers and Early America, 1650-1700* David Dobson,1998

Mr Dobson continues with his series of booklets pertaining to unexplored aspects of Scottish genealogy The first of these new titles is his *Scottish Quakers and Early America* the aim of which is to identify members of the Society of Friends in Scotland prior to 1700 and the Scottish origins of many of the Quakers who settled in East Jersey in the 1680s Quakerism came to Scotland with the Cromwellian occupation of the 1650s Scottish missionaries eventually spread the faith to various locations throughout the country including Aberdeen in the Northeast Edinburgh and Kelso in the southeast and Hamilton in the west The Society of Friends never grew to large numbers in Scotland however owing to its persecution by both the Episcopal and Presbyterian churches as well as civic authorities Understandably a number of Scottish Quakers ultimately emigrated to the North American colonies for example there were some Scottish Quakers among the landowners of West Jersey as early as 1664 and between 1682 and 1685 several shiploads of emigrants left the ports of Leith Montrose and Aberdeen for East Jersey Drawing upon research conducted in both Scotland and the United States in manuscript and in published sources David Dobson has here amassed all the genealogical data that we know of concerning members of the Society of Friends in Scotland prior to 1700 and the origins of Scottish Quakers living in East New Jersey in the 1680s While there is great deal of variation in the descriptions of the roughly 500 Scottish Quakers listed in the volume the entries typically give the individual s name date or place of birth and occupation and sometimes the name of a spouse or date of marriage name of parents place and reason for imprisonment in Scotland place of indenture date of death and the source of the information Without a doubt this is a ground breaking work on the subject of Scottish emigration to North America during the colonial period
