Stories of Resilience in Childhood Daniel D. Challener, 1997 In order to study resilience in children the author examines five autobiographical narratives which deal extensively with childhood difficulties *I Know Why the Caged Bird Sings* *The Woman Warrior* *Hunger for Memory* *Brothers and Keepers* and *This Boy's Life* In analyzing these stories he draws on topics such as urban school reform birth order bilingual education the importance of family and community child development gender stereotyping and discrimination based on race ethnicity and sexual identity Annotation copyrighted by Book News Inc Portland OR

Frank Merriwell and the Fiction of All-American Boyhood Ryan K. Anderson, 2015-09-09 Gilbert Patten writing as Burt L Standish made a career of generating serialized twenty thousand word stories featuring his fictional creation Frank Merriwell a student athlete at Yale University who inspired others to emulate his example of manly boyhood Patten and his publisher Street and Smith initially had only a general idea about what would constitute Merriwell's adventures and who would want to read about them when they introduced the hero in the dime novel *Tip Top Weekly* in 1896 but over the years what took shape was a story line that capitalized on middle class fears about the insidious influence of modern life on the nation's boys Merriwell came to symbolize the Progressive Era debate about how sport and school made boys into men The saga featured the attractive Merriwell distinguishing between good and bad girls and focused on his squeaky clean adventures in physical development and mentorship By the serial's conclusion Merriwell had opened a school for weak and wayward boys that made him into a figure who taught readers how to approximate his example In *Frank Merriwell and the Fiction of All American Boyhood* Anderson treats *Tip Top Weekly* as a historical artifact supplementing his

reading of its text illustrations reader letters and advertisements with his use of editorial correspondence memoirs trade journals and legal documents Anderson blends social and cultural history with the history of business gender and sport along with a general examination of childhood and youth in this fascinating study of how a fictional character was used to promote a homogeneous normal American boyhood rooted in an assumed pecking order of class race and gender

For All Mankind Harry Hurt,2019-07-16 Far more than a history of lunar exploration Hurt is at his best in the deft sketches of the astronauts as they were and as they became Chicago Tribune Between December 1968 and December 1972 twenty four men captured the imagination of the world as they voyaged to the moon In *For All Mankind* Harry Hurt III presents a dramatic engrossing and expansive account of those journeys Based on extensive research and exclusive interviews with the Apollo astronauts *For All Mankind* remains one of the most comprehensive and revealing firsthand accounts of space travel ever assembled In their own words the astronauts share the sights sounds thoughts fears hopes and dreams they experienced during their incredible voyages In a compelling narrative structured as one trip to the moon Harry Hurt recounts all the drama and danger of the lunar voyages from the anxiety of the astronauts prelaunch procedures through the euphoria of touchdown on the lunar surface Updated with a new introduction by the author for the 50th anniversary of the Apollo 11 moon landing *For All Mankind* is both an extraordinary adventure story and an important historical document Hurt s timely book is like an instant replay of the dramatic moon flight years Hurt tells us of the hardships and the successes of the Apollo program the remarkable journey to the moon of the astronauts and technicians who made it possible and the goals of the nation in space Houston Chronicle The meat here lies in the lunar voyage itself an irresistible mix of danger courage tedium and spectacle evoked with unprecedented detail by those who went there Kirkus Reviews
