*Just Touching the Memory* Lyudmila Noble, 2013-06-19 Lyudmila Noble the author of the book *Just Touching the Memory* was born in a family of a well known doctor in the former Soviet Union From her very childhood she was introduced to the notions of humanism and altruism which were presented to her by her father Lyudmila Nobles father was her mentor and her role model In the former Soviet Union Lyudmila received her education as linguist educator and military nurse She majored in English German Later she got her Masters Degree in Social Work in New York USA In her book she invites her potential readers to think to analyze and to understand about the reasons which made Soviet people to leave their country As everyone is aware nobody leaves and departs from a good life On the surface her main character had a great career house family children husband But that was the tip of the iceberg The underlying reason for her departure from the former Soviet Union was deep down and deeply hidden from the eyes of the bystanders In her book she tried to capture the most significant events which led the country to the collapse and made an impact of the destinies of the citizens of that country greatly Being a sensitive author she wants to say in her book My freedom is finishing when your freedom ends As a matter of fact in the former USSR the notions will and freedom were not separated The authorities did everything what they wanted to do in spite of the fact that they hurt constantly Soviet people the people of values and dignity The main purpose of this book is that very fact that the author intended to introduce relatively newly arrived Russian speaking community to the American Society To break stereotypes about Russians as the rigid people who came from the cold freezing country with similar personalities instead she shows the real Russians in the US

*A Wise Woman: A Wise Woman Builds Her House By a FOOL Who First Built on Sinking Sand* Erin Thiele, 2025-07-04 Is your life built on the Rock or on Sinking Sand Since founding Restore Ministries International an online ministry for women Erin Thiele has touched the hearts of thousands of women around the world Her love for the Lord and her dedication to follow the uncompromised Word of God is evident to all who have read her books have met her or have known her personally Where have you built your life Jesus told us that only the lives built on Him the Rock will stand when the rains come not if they come in the form of a sickness or death in your family financial troubles or your husband leaving you It is our hope that you through reading this book will choose to put away the ways of the world and come to know the Lord in a more intimate way by seeking and trusting Him alone in every aspect of your life Where have you built your life Before rebuilding you must have good blueprints Your blueprints must be His Word which you will find in this book always read the Scriptures never skip them Next you must find the Cornerstone that everything will be built on Our Cornerstone is taking Jesus as your Lord not just your Savior then to go beyond joy as you become His beautiful bride With a renewed mind the Lord s blueprint and Him by your side you will then be able to rebuild your life instead of foolishly building it on sinking sand Those of you who are sitting amidst rubble because your house has fallen through infidelity or divorce really have the advantage You are motivated to begin to rebuild your life This is where I was when I first began writing the

book for women It was painful for me but it was worth every tear I ever cried A Wise Woman workbook so much help and hope Michelle in Wisconsin I found this book thoroughly amazing because I finally got to see the mistakes I was making This book is a must for every woman after the Restore Your Marriage book Praise God I am now restored AFTER our divorce Hilary in South Africa I recommend this book to anyone who is married or who ever wants to be married It helped me learn how to be a godly wife So many of the principles can be applied to all of our relationships not just our marriage The biblical principles in it were new to me because I had been so diluted by the ways of the world Stephanie in Kansas *The Works of Francis Bacon ...: Literary and professional works* Francis Bacon,1878 **The Works of Francis Bacon ...** Francis

Kernan,1997-01-01 Eminent literary critic Alvin Kernan takes us back to the court performances of some of Shakespeare s most famous plays showing how the courtly setting influenced the bard s work Kernan argues that Shakespeare was a great dramatist whose plays commented on political and social concerns of his patrons and who adjusted his own art to pander to court needs 30 illustrations **Post and Courier Service in the Diplomacy of Early Modern Europe** E.J.B. negotiation of our day is a curious mix of national endeavor within the bloc concept The remnants of our nineteenth century nationalism struggles half willingly with the power that a larger continental or ideological bloc might bring In the sixteenth century men knew that the protective bloc of Christendom would not provide peace yet they were not sure that the new national states would secure it either We have much to gain from a study of diplomatic procedures and institutions in such a transitional period This monograph is based upon the great collections of published diplomatic correspondence of England France and Spain and thanks to the generosity of Dr De Lamar Jensen I have been fortunate in having at my disposal his hoard of microfilmed letters and dispatches of the leading ambassadors of the sixteenth century Of course I have not read all the diplomatic correspondence but I believe I have culled sufficient information to show and analyze the role played by the post and courier service in the diplomacy of Early Modern Europe
