The American Funeral A Study In Guilt Extravagance And Sublimity:

American Funeral LeRoy Bowman,1973 **The American Funeral** LeRoy E. Bowman,1976 *The American Funeral* LeRoy Bowman,1973 In its secular aspects the American funeral appears to be an anachronism an elaboration of earlier customs rather than the adaptation to modern needs that it should be Properly employed it is a highly useful and essential function of society Improperly used it deteriorates into little more than a shabby opportunity to exploit or impoverish bereaved families The purpose of this study is to acquaint the reader with the basis of charges of commercial exploitation directed at undertakers to ascertain what peculiar circumstances influence the methods he uses and to uncover the social and psychological factors that underlie conspicuous display The research for this study was carried on over a period of five years This scientific effort is made to ascertain if the positive functions anthropologists have assigned to funerary rites as observed in other societies also pertain to the funerals of modern industrialized societies particularly American society

The American Funeral LeRoy Bowman,1959 **One Nation Under God?** Marjorie Garber,Rebecca Walkowitz,2013-09-13 One Nation Under God is a remarkable consideration of how religion manifests itself in America today *The American Funeral. Robben,2018-05-11 A thought provoking examination of death dying and the afterlife Prominent scholars present their most recent work about mortuary rituals grief and mourning genocide cyclical processes of life and death biomedical developments and the materiality of human corpses in this unique and illuminating book Interrogating our most common practices surrounding death the authors ask such questions as How does the state wrest away control over the dead from bereaved relatives Why do many mourners refuse to cut their emotional ties to the dead and nurture lasting bonds Is death a final condition or can human remains acquire agency The book is a refreshing reassessment of these issues and practices a source of theoretical inspiration in the study of death With contributions written by an international team of experts in their fields *A Companion to the Anthropology of Death* is presented in six parts and covers such subjects as Governing the Dead in Guatemala After Death Communications ADCs in North America Cryonic Suspension in the Secular Age Blood and Organ Donation in China The Fragility of Biomedicine and more *A Companion to the Anthropology of Death* is a comprehensive and accessible volume and an ideal resource for senior undergraduate and graduate students in courses such as Anthropology of Death Medical Anthropology Anthropology of Violence Anthropology of the Body and Political Anthropology Written by leading international scholars in their fields *A comprehensive survey of the most recent empirical research in the anthropology of death A fundamental critique of the early 20th century founding fathers of the anthropology of death Cross cultural texts from tribal and industrial societies The collection is of interest to anyone concerned with the consequences of the state and massive violence on life and death*

The American Funeral; a Study in Guilt, Extravagance, and Sublimity. Introd. by Harry A. Overstreet LeRoy Bowman,

Preserved Dean G. Lampros, 2024-03-26 A spirited look at how funeral homes impacted American consumerism the built environment and national identities Funeral homes those grand aging mansions repurposed into spaces for embalming merchandising funeral services and housing for the funeral director and their family are immediately recognizable features of the American landscape and yet the history of how these spaces emerged remains largely untold In *Preserved* Dean Lampros uses the history of this uniquely American architectural icon to explore the twentieth century's expanding consumer landscape and reveal how buildings can help construct identities Across the United States Lampros traces the funeral industry's early twentieth century exodus from gloomy downtown undertaking parlors to outmoded Victorian houses in residential districts As savvy retailers and accidental preservationists funeral directors refashioned the interiors into sumptuous retail settings that stimulated consumer demand for luxury burial goods These spaces allowed for more privacy and more parking and they helped turn Americans away from traditional home funerals toward funeral homes instead Moreover by moving into neighborhoods that were once the domain of white elites African American funeral directors uplifted their industry and altered the landscape of white supremacy The funeral home has tracked major changes in American culture including an increased reliance on the automobile and the rise of consumer culture *Preserved* offers an in depth cultural history of a space that is both instantly familiar and largely misunderstood

Mortuary Science John F. Szabo, 2002 Szabo presents a thorough bibliographical examination of the funeral industry and related subjects Most citations are annotated with special notes on editions and reprints

The Deritualization of Death Charles Lynn

Gibson,2019-10-15 The problematic field of investigation for this study was for the care of bereaved human beings in the context of significant cultural shifts now shaping the twenty first century Deritualization was identified as a significant interdisciplinary concern that contributes to potential distress in processes of grieving The objective of the research was the development of a practical theology of compassionate caregiving for the bereaved with deference to the problem of deritualization The theoretical framework was guided by the Oxford Interdisciplinary Research model and the Loyola Institute of Ministries model of practical theology The study was designed for applied research for funeral directors and vocational pastors utilizing qualitative research methods Hermeneutical and empirical components addressed six research questions through two domains of inquiry disciplinary perspectives and educational dynamics of bereavement caregiving Using the method of hermeneutics to critically evaluate the first two research questions three disciplinary fields of knowledge were examined and integrated from the perspective of pastoral care funeral service bereavement psychology and practical theology Each discipline individually converged upon meaningful caregiving meaning reconstruction and meaning reframing as significant modes of bereavement care Using ethnographic semi structured interviews to critically evaluate the remaining four research questions data were collected from a Christian university and a mortuary college The interview questionnaire included twenty five main questions organized in four parts Philosophy of Education Hermeneutics of Bereaved Families Care of Bereaved Families and Encounter of Bereaved Families The study utilized two cycles of qualitative coding techniques to report the findings of each participating school A hybrid form of in vivo and holistic coding as well as a second cycle of pattern coding distilled the interview responses into actionable statements that reinforced bereavement caregiving By synthesizing all of the findings a compelling case was made for a paradigm of comforting presence supported by principles from a Louwian perspective of practical theology including theological anthropology promissiotherapy bipolarity and hermeneutics The study connected a philosophy of meaning reframing and a paradigm of comforting presence to a meta theoretical framework within a narrative approach to care The research elucidated an interdisciplinary understanding that contributed toward a compassionate practical theology of caregiving for the bereaved **Last Rites** Glennys

Howarth,2016-11-03 First Published in 2017 This book examines death rituals and the social significance of undertaking in western society and presents an ethnographic account of funeral directing in an area of east London which for the purposes of anonymity It is concerned with undertakers perceptions and organization of death rituals **Encyclopedia of Death and Dying** Glennys Howarth,Oliver Leaman,2003-12-16 In recent years there has been a massive upsurge in academic

professional and lay interest in mortality This is reflected in academic and professional literature in the popular media and in the proliferation of professional roles and training courses associated with aspects of death and dying Until now the majority of reference material on death and dying has been designed for particular disciplinary audiences and has addressed only specific academic or professional concerns There has been an urgent need for an authoritative but accessible reference work

reflecting the multidisciplinary nature of the field This Encyclopedia answers that need The Encyclopedia of Death and Dying consolidates and contextualizes the disparate research that has been carried out to date The phenomena of death and dying and its related concepts are explored and explained in depth from the approaches of varied disciplines and related professions in the arts social sciences humanities medicine and the sciences In addition to scholars and students in the field from anthropologists and sociologists to art and social historians the Encyclopedia will be of interest to other professionals and practitioners whose work brings them into contact with dying dead and bereaved people It will be welcomed as the definitive death and dying reference source and an essential tool for teaching research and independent study

Purified by Fire Stephen Prothero, 2001-02-15 Just one hundred years ago Americans almost universally condemned cremation Today nearly one quarter of Americans choose to be cremated The practice has gained wide acceptance as a funeral rite in both our private and public lives as the cremations of icons such as John Lennon and John F Kennedy Jr show Purified by Fire tells the fascinating story of cremation s rise from notoriety to legitimacy and takes a provocative new look at important transformations in the American cultural landscape over the last 150 years Stephen Prothero synthesizes a wide array of previously untapped source material including newspapers consumer guides mortician trade journals and popular magazines such as Reader s Digest to provide this first historical study of cremation in the United States He vividly describes many noteworthy events from the much criticized first American cremation in 1876 to the death and cremation of Jerry Garcia in the late twentieth century From the Gilded Age to the Progressive Era to the baby boomers of today this book takes us on a tour through American culture and traces our changing attitudes toward death religion public health the body and the environment
