Skepticism Justification And Explanation:

Skepticism, Justification, and Explanation E. Cornman, 2012-12-06 This book is a manuscript that was virtually complete when James W Cornman died Most of the chapters were in final form and all but the last had been revised by the author The last chapter was in handwritten form and the concluding remarks were not finished Swain took charge of the proofreading and John L Thomas compiled the indices with the assistance of Lehrer It is our opinion that this manuscript like the other books Cornman published is one of exceptional scholarly and philosophical importance As do all of his philosophical publications this work reflects Cornman's great love for philosophy and his commitment to the search for truth Every serious student and author of epistemology will benefit from and admire the thorough scholarship and rigorous argumentation they will find herein It has been our privilege to participate in the preparation of the manuscript for the philosophical public KEITH LEHRER MARSHALL SWAIN IX INTRODUCTION INTRODUCTION TO EPISTEMOLOGICAL SKEPTICISM Many philosophers try to refute skepticism but few try to give a precise characterization of the thesis they attack My first aim consequently is to characterize skepticism or more precisely several species of skepticism Then I shall choose those species I wish to consider and justify my choice To begin let me distinguish what I shall call epistemological skepticism from the thesis I shall call ontological nihilism and from what is believed by someone whom I shall call an ontological skeptic

Skepticism, Justification, and Explanation, with a Bibliographic Essay by Walter N. Gregory James W. Cornman, Walter N. Gregory, 1980

The Oxford Handbook of Epistemology Paul K. Moser, 2005-10-27 The Oxford Handbook of Epistemology contains 19 previously unpublished chapters by today's leading figures in the field These chapters function not only as a survey of key areas but as original scholarship on a range of vital topics Written accessibly for advanced undergraduates graduate students and professional philosophers the Handbook explains the main ideas and problems of contemporary epistemology while avoiding overly technical detail

Appearance and Explanation Kevin McCain, Luca Moretti, 2021 We might think that appearances give a prima facie justification for belief This is the foundation for Phenomenal Conservatism in epistemology McCain and Moretti adapt this view by integrating it with the view that epistemic justification is a matter of explanatory relations between one's evidence and propositions supported by that evidence

Faith Reason Skepticism Marcus Hester, 2009-02-12 Original essays provide a dialogue between four of the most distinguished scholars now working on problems of faith reason and skepticism

Moral Skepticism Walter Sinnott-Armstrong, 2007-10-19 Sinnott-Armstrong here provides an extensive survey of the difficult subject of moral beliefs He covers theories that grapple with questions of morality such as naturalism normativism intuitionism and coherentism He then defends his own theory that he calls moderate moral skepticism which is that moral beliefs can be justified but not extremely justified

Explanatory Solutions to Skeptical Problems Kevin McCain, 2025-01-12 Phenomenal Explanationism is a powerful new theory of epistemic

justification that combines an explanationist conception of evidential support with an appearance based or phenomenal conception of evidence According to PE epistemic justification is a matter of what best explains our evidence which ultimately consists of appearances It is a complete internalist theory of epistemic justification that delivers on the promises of other appearance based theories while avoiding their pitfalls In *Explanatory Solutions to Skeptical Problems* Kevin McCain expands his previous work on the internalist dimension of the theory to cover external world skepticism He also demonstrates how PE offers solutions to a host of other perennial skeptical problems including the problem of the criterion the regress of justification memory skepticism and inductive skepticism The promise that PE displays in responding to these problems makes it plain that it is a viable conception of epistemic justification worthy of careful consideration and also that accepting internalism more generally doesn't leave one without reasonable responses to skeptical problems

Disagreement and Skepticism Diego E. Machuca, 2013-01-17 The thirteen essays in this volume explore for the first time the possible skeptical implications of disagreement in different areas and from different perspectives with an emphasis in the current debate about the epistemic significance of disagreement They represent a new contribution to the study of the connection between disagreement and skepticism in epistemology metaethics ancient philosophy and metaphilosophy

The Oxford Handbook of Skepticism John Greco, 2011-10-01 In the history of philosophical thought few themes loom as large as skepticism Skepticism has been the most visible and important part of debates about knowledge Skepticism at its most basic questions our cognitive achievements challenges our ability to obtain reliable knowledge casting doubt on our attempts to seek and understand the truth about everything from ethics to other minds religious belief and even the underlying structure of matter and reality Since Descartes the defense of knowledge against skepticism has been one of the primary tasks not just of epistemology but philosophy itself *The Oxford Handbook of Skepticism* features twenty six newly commissioned chapters by top figures in the field Part One contains articles explaining important kinds of skeptical reasoning Part Two focuses on responses to skeptical arguments Part Three concentrates on important contemporary issues revolving around skepticism As the first volume of its kind the articles make significant contributions to the debate on skepticism

If you ally need such a referred **Skepticism Justification And Explanation** ebook that will have the funds for you worth, get the certainly best seller from us currently from several preferred authors. If you desire to witty books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.
