Speaking Our Minds:

Speaking Our Minds Joseph Russomanno, 2005-04-11 Tinker R A V Ollman Hustler Falwell Reno ACLU Nebraska Press Association These names are synonymous with contemporary First Amendment litigation To explore these landmark cases more deeply author Joseph Russomanno interviewed the people at the core of these and other influential First Amendment cases and he presents their stories here in a personal in depth oral history of First Amendment law Previously unavailable in other literature these stories go beyond the what of the cases and answer the why and how of ten major cases from the latter part of the 20th century Through their own words and photographs plaintiffs defendants and their attorneys describe what it was like to be involved in the development of these historic First Amendment cases The issues addressed in these landmark cases cover crucial aspects of the First Amendment freedom of expression hate speech libel privacy intentional infliction of emotional distress promises of confidentiality to news sources free press fair trial commercial speech broadcast and cable television regulation and new media These narratives recount the events that initiated the court cases and follow the lead players through the various stages of the U S legal system Excerpts of the court decisions are included at the conclusion of each chapter and sidebars explain key terms issues and names that come up in the process The cases highlighted here were often difficult and controversial cases which on their surface raise questions about both the participants and their lawyers A cross burner and a pornographer ask to be protected by the First Amendment a measure intended to protect children from exposure to lewd content on the Internet is questioned Through the words of the participants in these cases the meaning depth and reach of the First Amendment becomes clear and demonstrates how the law functions to protect the rights of all individuals This unique chronicle will appeal to those studying First Amendment law including mass communication law journalism and political science scholars and to lawyers journalists and political scientists with an interest in this area The volume is also intended to serve as a supplemental text in a mass communication law course or as a text in advanced First Amendment theory course and political science courses exploring the law decisions and processes of the U S Supreme Court

Speaking Our Minds Thom Scott-Phillips, 2014-11-03 Language is an essential part of what makes us human Where did it come from How did it develop into the complex system we know today And what can an evolutionary perspective tell us about the nature of language and communication Drawing on a range of disciplines including cognitive science linguistics anthropology and evolutionary biology **Speaking Our Minds** explains how language evolved and why we are the only species to communicate in this way Written by a rising star in the field this groundbreaking book is required reading for anyone interested in understanding the origins and evolution of human communication and language

Speaking Our Minds Thom Scott-Phillips, 2015 Fascinating and original Scott Phillips presents a novel thesis explaining the origins and evolution of language to answer the questions of why language is unique to humans and how language developed Drawing on evolutionary psychology biology linguistics and anthropology it is essential reading for anyone interested in language s

evolution Provided by publisher **Speaking of Angels** David T. St. Albans,2000 Speaking of Angels is one author s journal of his initial contact with the voice of divine guidance and angelic counsel David St Albans takes the reader on a journey through his life from his first religious experiences through varying crises of faith into the Other Realm of the Spirit which few have been able to describe in layman s terms the profound depths of the True World of God The author s contacts the Angelic group calling themselves Annex provide answers to many of our deepest questions about the meaning of life and the world we live in and the truth about our relationship to the Divine A must read for anyone on a spiritual quest for knowledge and truth **Postpsychiatry** Patrick J. Bracken,Philip Thomas,2005-12-22 For most of us the words madness and psychosis conjure up fear and images of violence Using short stories the authors consider complex philosophical issues from a fresh perspective The current debates about mental health policy and practice are placed into their historical and cultural contexts
