Speaking The Gospel Today A Theology For Evangelism:

Speaking the Gospel Today Robert Kolb, 1995 This revised edition surveys current thought on evangelism and encourages development of individual evangelism programs *Evangelical Dictionary of Theology* Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics **The Evangelizing Church** Richard H. Bliese, Craig Van Gelder, The Evangelizing Church moves from theory to practice as it relates the theology of evangelism to the life of congregations that are seeking to proclaim the gospel in the emerging postmodern context It provides congregations with perspectives on how to utilize this theology in shaping the practice of evangelism within their church life **Encountering the Gospel Again** David Male, Paul Weston, 2013-03 At a time when the majority of people do not attend church evangelism is more important than ever The problem is that churches and individuals often struggle with or even reject the idea when what they have in mind is a caricature of evangelism or a particular way which may no longer be culturally appropriate This book aims to reform re imagine and renew a theology vision and practice for evangelism Its approach is theologically rigorous and powerfully practical with the focus on redefining a genuine biblical evangelism What does it mean to be an evangelist now If it isn't your primary gifting how can you facilitate it in your church And how can we connect not just with those on the fringes but with those who are way outside
