Stephen O. Khoobyar Milt Khoobyarian,2024-03-28 Trying to find out quickly what a book is all about can be the opposite and time consuming I will try to simplify this effort Here you have a collection of sermons religious discourses delivered by a clergyman minister while he was at his best at several churches not long ago The sermons come in a variety of topics religious and otherwise They are easy to read since they are like essays or lectures on a topic What makes them be called a sermon is the distinction that they are surrounded by the following a title that is perhaps taken from a verse or paragraph from a book in the Bible and occasionally followed by a brief prayer Finally sermons are normally presented at a religious meeting or church Otherwise sermons use can be by the reader s choice of use as a learning experience In the preface of the book you will find a composite of most of the topics covered Here you can select a topic and find out more details covered As I have read and inputted these sermons for the last few years then turned around and re entered them for other reasons some of the particular messages in the sermons have influenced me as never before Many times I have found answers to my questions or views to change in interpretation as I have looked further in alternative possibilities found in the scripture Finally by browsing the list of sermon titles for a topic of interest you may use short title sermons that logically fit the larger category of topics and begin your journey Best wishes 241 *Sermon Outlines for Special Days and Occasions* Charles R.
