- Sing more questions to continue the Q & A activity and address individual students to get to know the level of the students' individual musical skills. Remind the children that their responses must be in the same tune and volume as that of the teacher.

Other suggested **So** - **Mi** questions:

- How are you today?
- Is today a sunny/cloudy/rainy day?
- Who is your seatmate?
- Are you having fun?
- When done, ask the children what they noticed about the way the greetings were sung? Have them describe how each greeting was done - the words "loud" and "soft" may be used by the children. Make sure that answers like "light"/"heavy" be
