Spooky Stuff:

Haunted Stuff Stacey Graham, 2014-08-08 Finding a one of a kind antique doll at a garage sale is a great feeling until you bring that doll home and discover its haunted. Objects with restless spirits attached to them can quietly invade a home through auctions, antique dealers, estate sales, garage sales, and inheritance. This spooky collection examines a wide variety of haunted items from screaming skulls to demonic dolls and how they affect the owner's life. *Haunted Stuff* provides true accounts of possessed possessions often found in the strangest places. Discover chilling stories of the island of haunted dolls, the tumbling coffin, Rudolph Valentino's cursed ring, and even the Queen Mary ocean liner, one of the largest haunted items of all. Experience these true accounts that will make you look closer at the antiques on your shelf and wonder if that creepy doll just blinked.

Initiation Peter King, 2015-08-22 Most teens feel alienated from the adult world, but Sam Kahu is more alienated than most. For a start, his home just burned down and all his friends and family are missing, presumed dead. Worse, he knows they are out to get him, and if he doesn't successfully hide within the system, he could find himself inside a UFO, having his brain dissected. Fortunately, he has a few resources: he's innately psychic, and he has high technology gadgets. But the most promising development is the young lesbian youth aid cop assigned to his case. Because pretty soon she's going to need help, and he has a strange feeling he's met her somewhere before. Over six novel-sized parts, *Changels* Genesis tells the story of six psychic teenagers from around the world and how they were trained and equipped to become superheroes, the Changels, the self-appointed guardian angels of global change. Told by Sam, it's a personal story of growth, minorities, true conspiracies, and alien biological warfare in the early 21st century. It is not suitable for readers under 13. *Changels* Genesis mixes fact and fantasy so that it's hard to tell the difference.
