Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile:

The Taste for Nothingness Robert Sklenář,2003 The author explores the nihilistic view of the cosmos expressed by the poet and relates this perspective to the philosophical system of the Stoics **While Rome Burned** Virginia M. Closs,2020-05-06 While Rome Burned attends to the intersection of fire city and emperor in ancient Rome tracing the critical role that urban conflagration played as both reality and metaphor in the politics and literature of the early imperial period Urban fires presented a consistent problem for emperors from Augustus to Hadrian especially given the expectation that the princeps be both a protector and provider for Rome s population The problem manifested itself differently for each leader and each sought to address it in distinctive ways This history can be traced most precisely in Roman literature as authors addressed successive moments of political crisis through dialectical engagement with prior incendiary catastrophes in Rome s historical past and cultural repertoire Working in the increasingly repressive environment of the early principate Roman authors frequently employed figured speech and mythopoetic narratives to address politically risky topics In response to shifting political and social realities the literature of the early imperial period reimagines and reanimates not just historical fires but also archetypal and mythic representations of conflagration Throughout the author engages critically with the growing subfield of disaster studies as well as with theoretical approaches to language allusion and cultural memory **A Commentary on Lucan, "De bello civili" IV** Paolo Asso,2010-03-26 Book 4 of Lucan s epic contrasts Europe with Africa At the battle of Lerida Spain a violent storm causes the local rivers to flood the plain between the two hills where the opposing armies are camped Asso s commentary traces Lucan s reminiscences of early Greek tales of creation when Chaos held the elements in indistinct confusion This primordial broth sets the tone for the whole book After the battle the scene switches to the Adriatic shore of Illyricum Albania and finally to Africa where the proto mythical water of the beginning of the book cedes to the dryness of the desert The narrative unfolds against the background of the War of the Elements The Spanish deluge is replaced by the desiccated desolation of Africa The commentary contrasts the representations of Rome with Africa and explores the significance of Africa as a space contaminated by evil but which remains an integral part of Rome Along with Lucan s other geographic and natural scientific discussions Africa s position as a part of the Roman world is painstakingly supported by astronomic and geographic erudition in Lucan s blending of scientific and mythological discourse The poet is a visionary who supports his truth claims by means of scientific discourse Lucan's "Bellum Civile" Nicola Hömke,Christiane Reitz,2010-07-30 Lucan s Bellum Civile is one of the most impressive and unusual works of Silver Age Latin literature and has been the subject of much research in recent years In this volume well known experts on Lucan examine the poetological narratological and stylistic techniques the author employed to write on the theme of civil war The epic poem is at once both conforms to and exceeds the tradition of the genre and confronts its readers with a new kind of aesthetic **Religion and War from Antiquity to Early Modernity** Irene Polinskaya,Alan James,Ioannis Papadogiannakis,2024-11-28 Responding to

the profound challenges of our times this book provides a comparative and cross cultural exploration of the role of religion in war in a long historical perspective from the second millennium BCE and even earlier up to early modernity Individual chapters focus on the ancient Near East the Mediterranean basin Europe and North Africa Widely diverse case studies explore the historic link between the conduct of war and the growing complexity of human society conditioned by the ownership of ideological authority The book explores how in most historical societies this authority was religious Written by experts from different disciplinary perspectives the volume challenges common assumptions about the historical relationship between religion and war and extends our understanding of the dangers and complexities of today s world

Civil War and the Collapse of the Social Bond Michèle Lowrie, Barbara Vinken, 2022-10-13 Can civil war ever be overcome Can a better order come into being This book explores how the Roman civil wars of the first century BCE laid the template for addressing perennially urgent questions The Roman Republic s collapse and Augustus new Empire have remained ideological battlegrounds to this day Integrative and disintegrative readings begun in antiquity Vergil and Lucan have left their mark on answers given by Christians Augustine secular republicans Victor Hugo and disillusioned satirists Michel Houellebecq alike France s self understanding as a new Rome republican during the Revolution imperial under successive Napoleons makes it a special case in the Roman tradition The same story returns repeatedly A golden age of restoration glimmers on the horizon but comes in the guise of a decadent oriental empire that reintroduces and exposes everything already wrong under the defunct republic Central to the price of social order is patriarchy s need to subjugate women

The War with God Pramit Chaudhuri, 2014 By examining literary accounts of theomachy literally god fight The War With God provides a new perspective on the canonical literary traditions of epic and tragedy and will be of great interest to scholars in Classics as well as those working on the European epic and tragic traditions The struggle between human and god has always held a prominent place in classical literature especially in the closely related genres of epic and tragedy ranging from the physical confrontation of Achilles with the river god Scamander in Iliad 21 to Pentheus more figurative challenge to Dionysus in Euripides Bacchae Yet perhaps the most intense engagement with theomachy occurs in Latin literature of the 1st century AD which included not only the overreachers of Ovid s Metamorphoses and Hannibal s assault on Capitoline Jupiter in Silius Italicus Punica but also in the richest and most extended treatments of the theme the transgressive figures of Hercules in Seneca s Hercules Furens and Capaneus and Hippomedon in Statius Thebaid This book therefore explores the presence of theomachy in Roman imperial poetry focusing on Seneca and Statius and sets it within a tradition going back through the Augustan age all the way to archaic Greece The central argument of the book is that theomachy symbolizes various conflicts of authority the poets attempts to outdo their literary predecessors the contentions of rival philosophical views and the violent assertions of power that characterized both autocratic authority and its opposition By drawing on evidence from literature politics religion and philosophy this project reveals the various influences that shaped the intellectual and cultural

significance of theomachy from Stoic and Epicurean debates about the gods to the divinization of the emperor from poetic competition with Vergil and Homer to tyranny and revolution under the Julio Claudian and Flavian dynasties Rumour and Renown Philip R. Hardie, 2012-02-02 The Latin word fama means rumour report tradition as well as modern English fame or renown This magisterial and groundbreaking study in the literary and cultural history of rumour and renown by one of the most influential living critics of Latin poetry examines the intricate dynamics of their representations from Homer to Alexander Pope with a focus on the power struggles played out within attempts to control the word both spoken and written Central are the personifications of Fama in Virgil and Ovid and the rich progeny spawned by them but the book focuses on a wide range of genres other than epic and on a variety of modes of narrating dramatising critiquing and illustrating fama Authors given detailed readings include Livy Tacitus Petrarch Chaucer Spenser Shakespeare Ben Jonson and Milton

Brill's Companion to Valerius Flaccus Mark Heerink, Gesine Manuwald, 2015-03-20 Brill's Companion to Valerius Flaccus is the first English language survey on all key aspects of this Flavian poet and his epic *Argonautica* 1st century CE A team of international specialists offers both an account of the state of the art and new insights Topics covered include textual transmission language poetic techniques main themes characters relationship to intertexts and reception This will be a standard point of departure for anyone interested in Valerius Flaccus or Flavian epic more generally Contributors are Antony Augoustakis Michael Barich Neil Bernstein Emma Buckley Cristiano Castelletti James Clauss Robert Cowan Peter Davis Alain Deremetz Attila Ferenczi Marco Fucecchi Randall Ganiban Mark Heerink Alison Keith Helen Lovatt Gesine Manuwald Ruth Parkes Tim Stover Ruth Taylor Briggs and Andrew Zissos *Roman Geographies of the Nile* Andy Merrills, 2017-01-05 The River Nile fascinated the Romans and appeared in maps written descriptions texts poems and paintings of the developing empire Tantalised by the unique status of the river explorers were sent to find the sources of the Nile while natural philosophers meditated on its deeper metaphysical significance Andy Merrills book *Roman Geographies of the Nile* examines the very different images of the river that emerged from these descriptions from anthropomorphic figures brought repeatedly into Rome in military triumphs through the frequently whimsical landscape vignettes from the houses of Pompeii to the limitless river that spilled through the pages of Lucan's *Civil War* and symbolised a conflict and an empire without end Considering cultural and political contexts alongside the other Niles that flowed through the Roman world in this period this book provides a wholly original interpretation of the deeper significance of geographical knowledge during the later Roman Republic and early Principate

Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile Introduction

In the digital age, access to information has become easier than ever before. The ability to download Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile has opened up a world of possibilities. Downloading Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms

where individuals can download Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Taste For Nothingness A Study Of Virtus And Related Themes In Lucans Bellum Civile Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Taste For Nothingness A Study Of
