Maes, 2013-11-19 What happens when art and pornography meet By providing a plurality of disciplinary approaches and theoretical perspectives this essay collection will give the reader a fuller and deeper understanding of the commonalities and frictions between artistic and pornographic representations **Hyperbole, Pornography, and the Flesh. Thoughts on**

the Aesthetics of Porn Mark Pasquinelli, 2016-03-16 Essay from the year 2016 in the subject Sociology Gender Studies language English abstract The one true thing that can be said about pornography is that it rates at most second place Flesh takes first prize Yet when it comes to fulfilling sexual intimacy humans encounter what artists face daily The ideal lodged inside our heads and hearts cannot be realized in paint marble or language But do not panic Pornography comes to the rescue Whether a person enjoys or condemns porn a deeper understanding of its allure requires that we examine the literary trope called hyperbole the least examined of tropes often relegated to the domain of fools liars Dr Seuss Shakespeare and Jesus **Modernism, Mass Culture, and the Aesthetics of Obscenity** Allison Pease, 2000-07-27 How did explicit sexual

representation become acceptable in the twentieth century as art rather than pornography Allison Pease answers this question by tracing the relationship between aesthetics and obscenity from the 1700s onwards highlighting the way in which early twentieth century writers incorporated a sexually explicit discourse into their work Pease explores how artists such as Swinburne Aubrey Beardsley James Joyce and D H Lawrence were responsible for shifting the boundaries between aesthetics and pornography that first became of intellectual interest in the eighteenth century and reinforced class distinctions Her analysis of canonical works such as Joyce's *Ulysses* and Lawrence's *Lady Chatterley's Lover* is framed by a wide ranging examination of the changing conceptions of aesthetics from Shaftesbury Hutcheson and Kant to F R Leavis I A Richards and T S Eliot Based on extensive archival work the book includes examples of period art and illustrations which eloquently demonstrate the shift in public taste and tolerance **The Space of Sex** Shelton Waldrep, 2021-05-20 As film and television

become ever more focused on the pornographic gaze of the camera the human body undergoes a metamorphosis becoming both landscape and building part of an architectonic design in which the erotics of the body spread beyond the body itself to influence the design of the film or televisual shot The body becomes the *mise en scene* of contemporary moving imagery Opening *The Space of Sex* Shelton Waldrep sets up some important tropes for the book the movement between high and low art the emphasis on the body looking and framing the general intermedial and interdisciplinary methodology of the book as a

whole The Space of Sex's second half focuses on how sex gender and sexuality are represented in several recent films including Paul Schrader's The Canyons 2013 Oliver Stone's Savages 2012 Steven Soderbergh's Magic Mike 2012 Lars Von Trier's Nymphomaniac 2013 and Joseph Gordon Levitt's Don Jon 2013 Each of these mainstream or independent movies and several more are examined for the ways they have attempted to absorb pornography if not the pornography industry specifically into their plot According to Waldrep the utopian elements of seventies porn get reprocessed in a complex way in the twenty first century as both a utopian impulse the desire to have sex on the screen to re eroticize sex as something positive and lacking in shame with a mixed feeling about pornography itself with an industry that can be seen in a dystopian light In other words sex in our contemporary world still does not come without compromise Screening the Unwatchable

book studies the literary and cinematic functions of the pornographic as a development from a poetics of obscenity It focuses on the developments of French British and American artistic pornography since the eighteenth century Discussing female literary figures including Hall Wharton Nin Reage Jong and Shulman such men as Cleland Sade Beardsley Lawrence Joyce and Miller and film makers such as Brakhage Jack Smith Bruce Conner Bertolucci Oshima and Wertmüller Michelson analyzes both the use of aesthetic pornography and the philosophical cultural and legal implications of its use He proposes that realizing the obscene in the sense of speaking the unspeakable is the principle aesthetic function of pornography

The Aesthetics of Degradation Adrian Nathan West, 2016-06-14 Pornography keeps getting more extreme Manufacturers defenders and consumers of porn rely on a mix of wilful ignorance and bad faith to avoid serious discussion When we do talk about violence against women in the porn world the debate all too often becomes technical complicated by legalities and outrage But what are the moral and psychological consequences of the mercantilization of abuse In this studied and ruthless examination of the place of pornography in contemporary life translator and critic Adrian Nathan West treads

dangerous literary and social ground transcending clichés about free expression and the demands of the market to look at the moral discomfort of violent pornography from the perspective of the viewer Collapsing distinctions between novel memoir and essay this book will not make for light reading But at its core is an extraordinarily brave and honest concern for the women and men who have been hurt in the name of sexual gratification *The Aesthetics of Collective Agency* Simone Knewitz, Stefanie Mueller, 2024-10-30 Twenty first century Western culture is characterized by profound transformations in its forms of collective organization While traditional institutions of Western liberal democracies still wield significant political power new forms of collective agency most visible in progressive social protest movements but also in the global rise of populism have increasingly put pressure on established systems of collective organization The contributors to this volume explore the social political and aesthetic forms that collective agency takes in the twenty first century across a variety of media including social platforms such as TikTok multiplayer video games and contemporary lyric poetry *The Sexual Revolution in Modern English Literature* Ch.I. Glicksberg, 2013-03-09 The study of its literature is a useful guide to the degree of sexual security existing in a culture When a future historian comes to treat of the social taboos of the nineteenth and twentieth centuries in a fourteen volume life work his theories of the existence of an enormous secret language of bawdry and an immense oral literature of obscene stories and rhymes known in various degrees of initiation to every man and woman in the country yet never consigned to writing or openly admitted as existing will be treated as a chimerical notion by the enlightened age in which he writes If I were asked to name some characteristics typical of the mid 20th century I would put first the uncritical worship of money the spread of nationalism the tyranny of the orgasm the homosexual protest and the apotheosis of snobbery Money sex and social climbing motivate society The English are on the whole an inhibited people They have a basic prudery and gaucheness in sex matters which sets them apart from almost every other nation in Europe In England the realisation that many of the restraints and taboos of Victorian times are unnatural and even psychologically harmful combined with the decline of organized religion has led to a considerable laxity in sex matters particularly since World War II 1 *Pornography, Indigeneity and Neocolonialism* Tim Gregory, 2020-02-24 Pornography Indigeneity and Neocolonialism examines how pornography operates as a representational system that authenticates settler colonies focussing on American and Australian examples to reveal how pornography encodes whiteness pleasure colonisation and Indigeneity This is the first text to use decolonial and queer theory to examine the role of pornography in America and Australia as part of a network of neocolonial strategies that naturalise occupation It is also the first study to focus on Indigenous people in pornography providing a framework for understanding explicit representations of First Nations peoples Pornography Indigeneity and Neocolonialism defines the characteristics of heterosexual pornography in settler colonies exposing how the landscape is presented as both exotic and domestic a land of taboo pleasures that is tamed and occupied by and through white bodies Examining the absence of Indigenous porn actors and arguing against the hypervisual fetishising of

Black bodies that dominates racialised porn discourse the book places this absence within the context of legal political and military neocolonial Indigenous elimination strategies This book will be of key interest to researchers and students studying porn studies media and film studies critical race studies and whiteness studies Hipster Porn Peter Rehberg, 2022-05-08 Hipster Porn examines models of gay hipster masculinity through the lens of the gay fanzine Butt The book reconstructs an important chapter of recent gay and queer history in order to make sense of the cultural shifts of the last 20 years in the contemporary gay world Butt exemplifies the changing nature of gay contemporary masculinity as it marked the beginning of a new era of queer fanzines such as They Shoot Homos Don't They Kink Kaiserin and Meat reflecting a specific cosmopolitan gay lifestyle in the West of the 2000s The new forms of masculinity and sexuality demanded new ways of thinking about gender and desire Hipster Porn takes the aesthetics of Butt to find a way of critiquing and rearticulating key concepts from gender queer and affect theory and delivers new accounts of subjectivity and sociality as they apply to queer media culture This book is suitable for researchers in gender studies queer and masculinity studies cultural studies media studies and sociology **The Aesthetics of Care** Josephine Donovan, 2016-06-02 Introduction The aesthetics of modernity Willa Cather's aesthetic transitions The aesthetics of care Animal ethics and literary criticism Tolstoy's animals Local color animals Coetzee's animals Metaphysical meat becoming men and animal sacrifice The transgressive sublime katharsis and animal sacrifice Caring to hear caring to see art as emergence Conclusion *Aesthetics: The Key Thinkers* Alessandro Giovannelli, 2021-07-29 Aesthetics The Key Thinkers offers a comprehensive historical overview of the field of aesthetics Thirty specially commissioned essays introduce and explore the contributions of philosophers who have shaped the subject from its origins in the work of the ancient Greeks to contemporary developments in the 21st century Now thoroughly revised and updated throughout this second edition includes new chapters on Ludwig Wittgenstein Susanne Langer Bernard Bolzano as well as more coverage of post 1950 aesthetics with Frank Sibley Stanley Cavell Peter Kivy Noël Carroll Peter Lamarque and Jerrold Levinson The book reconstructs the history of aesthetics clearly illustrating the most important attempts to address such crucial issues as the nature of aesthetic judgment the status of art and the place of the arts within society Ideal for undergraduate students it lays the necessary foundations for a complete and thorough understanding of this fascinating subject The Consuming Body Pasi Falk, 1994-07-21 This is a fascinating examination of the relationship between consumption the idea of the body and the formation of the self In tracing these connections The Consuming Body develops a profile of individuality in the late twentieth century in both its bodily and mental aspects Pasi Falk offers a major synthesis and critical assessment of the debates surrounding the body the self and contemporary consumer culture He explores two fundamental issues for modern social theory the delineation of modern consumption and the body's historically changing position in various cultural orders In the course of his argument he examines both metaphors of consumption and investigates the issues of representation in advertising and pornography Hard Core Linda Williams, 1999-04-27 On hard
